

**Offering Purpose**

The “Forward With Faith” offering will help to complete our support of our many ministries for this year. Trinity has ministries of worship and music; of education and play. We serve children and their parents, youth, and young adults through the elder years. We feed and shelter the homeless. We assist Floyd School. We work for the environment. We advocate for equal treatment. All this and more is supported by your generous gifts to this offering.

**First Response**

We will be making a progress report Sunday, but we already know it will be an excellent report. Some who have not pledged otherwise have made generous gifts, while others who are faithful supporters have done the same.

**We invite generosity**

Sometimes we hear, “I can’t give as much as others.” Of course not. We can only give out of what we have. However, we can ALL be generous...and that is what we invite in this offering: your generosity.
