The Youth in Transition Coalition is proud to have an honored guest at the 2017 Resource Fair. Christopher Ekpiken is an Ann Arbor middle schooler and has taken his love of cooking to the next level. Chris participated in last year's Rachael Ray's Kids Cook Off. While we were all hoping for 1st place, Chris came in second. Eight kids competed for \$20,000 in culinary scholarships and their own web series. Christopher has been cooking since he was 7 years old. His favorite cuisine is Southern and Italian, and his favorite dish to make is fettuccine alfredo. See Chris at the 2017 Resource Fair and follow him on Facebook.
