

## BRECK LOWER SCHOOL CHILDREN'S BOOKSTORE

Dear Lower School Parents:

Breck Lower School Library is once again hosting a Lower School Book Fair — held this year before spring break from March 5-12. Your student(s) will visit the Book Fair in the Lower School Library during their regular library time. You should have received a spending permission slip that needs to be returned to his or her classroom teacher before Conferences next week. ([Click here](#) if you need to download a permission slip.)

***New this year!*** We're offering a new Online Book Fair as a way for your family to select more books than I could ever offer at our physical Book Fair sale. The online Book Fair is available March 1-14. During this time, our library receives 30% of all proceeds from this site! There is no permission slip for online shopping; parents simply log in and shop with their personal credit cards.

I hope you will enjoy shopping, knowing that your purchases directly support the growth of our library collection!

Sincerely,

Emily Jones  
Lower School Librarian
