

Seattle City Light

ARROYO COMMUNITY MEETING

The Westside School

December 14, 2017

POWER OUTAGE RECAP

- Outage took place on Sunday, Dec. 3
 - 127 customers out
 - Cause: Underground cable failure (*line-to-ground fault*)

HISTORY OF THE NEIGHBORHOOD

- 1970's: Underground electrical system installed in Arroyo Heights
- 2010: New conduit/cables installed in part of the Arroyo area (south of SW 109th Street along 39th Avenue SW)
 - In response to cable failures
 - Cable injection also performed to increase reliability
- Dec. 3, 2017: Injected cable failed prematurely, causing an outage

FUTURE CONSTRUCTION

- Several areas within Arroyo neighborhood that will require new electrical conduit and cables
 - Includes vaults and other associated work
- Trenching for conduits will occur in public right-of-way

PROJECT MAP

PROJECT IMPACTS

- Construction will be phased in several stages to limit traffic impacts
- Trenches will be covered with steel plates outside of construction work hours
- Landscaping will be impacted
 - Affected landscaping and streets will be restored or repaved
- Maintenance power outages are required to do the work safely
 - Affected residents will be notified in advance before any outage

TIMING AND COORDINATION

- **Design Status:** This project is at 90% design.
- **Construction Start:** March 2018
- **Construction Duration:** Approximately one year for civil and electrical work

MORE INFORMATION

- Notification will be provided to customers closer to the construction start date.

CITY LIGHT

OUR MISSION

Seattle City Light is dedicated to delivering customers affordable, reliable and environmentally responsible electricity services.

OUR VISION

We resolve to provide a positive, fulfilling and engaging experience for our employees. We will expect and reinforce leadership behaviors that contribute to that culture. Our workforce is the foundation upon which we achieve our public service goals and will reflect the diversity of the community we serve.

We strive to improve quality of life by understanding and answering the needs of our customers. We aim to provide more opportunities to those with fewer resources and will protect the well-being and safety of the public.

We aspire to be the nation's greenest utility by fulfilling our mission in an environmentally and socially responsible manner.

OUR VALUES

Safety, Environmental Stewardship, Innovation, Excellence, Customer Care
