

Announcements for August 18 - 19, 2017

Rally Day: September 9/10

Our annual ministry fair, what we call Rally Day, will take place following each worship service on the weekend of September 9 and 10. In addition to our usual time for fellowship, the parish hall will be set up with a series of tables highlighting the various ministries at St. Michael's. You will find displays and information about worship life, adult formation, child formation, pastoral care, outreach, our buildings and grounds and many more! Most importantly, for all of these ministries, there will be sign-up sheets for you to serve and become involved in the life of this parish. We use this opportunity, each year, to claim our presence at St. Michael's and to renew our commitment to serving the love of God in this place and in our community. If you are already involved in a particular ministry, and wish to continue, please sign up again! And if you want to try something new, this is your invitation! This is a very important weekend in our common life together. We hope you will join us!

Preschool Update

As many of you are aware, we have been in negotiations for the past several weeks with a new proposed tenant on our campus, Kauai Montessori Preschool. This is a new, small preschool that is looking to rent space in our Goodale building. You may have seen the pre-enrollment signs on our campus! Unfortunately, we have encountered some unforeseen issues with the inspection and licensing of the space which are delaying the process of finalizing the lease and the opening of the school. We will keep everyone advised as to future developments, but if you have any questions, feel free to contact Father Andrew or Senior Warden Amy Null!

New Bookkeeper!

We are pleased to announce the hiring of Kathleen Robb as our new parish bookkeeper. We retained Ms. Robb's services to continue our efforts to correct and enhance our accounting systems while also providing support for our normal financial operations. Ms. Robb has extensive expertise and experience and we are already seeing great results from her work with our financial records. As an independent contractor, Ms. Robb is not a formal member of our staff. She does not keep established or routine business hours in the parish office. It is advised that if you have a financial issue, question or concern, that you contact either Bill Skelton or Sue Burriss directly.

Front Office Cleanout

Within the next few weeks, our sexton Kenna will be cleaning out the parish office. She does not want to inadvertently discard anything that belongs to a member of the parish so if anything in there belongs to you please let us know so that it doesn't get thrown away.

School Supplies Success!

A new tradition has been born. The school supplies, contributed by so many St. Michael's parishioners, were distributed at Loaves and Fishes and were a HUGE success. Thank you, thank you, thank you!

Shoppers Needed

From now through September, Loaves and Fishes has a need for volunteers who can assist with shopping at the Hawaii Food Bank on Tuesday mornings from 9:30 a.m. - 10:30 a.m. If you can volunteer for one or more Tuesday, please contact Pat Hillemonds at phillemonds@ or 808-634-6154. Be a valued part of this rewarding ministry!

Welcome Harmony Education

Please join us in extending a warm welcome to Harmony Education every Friday beginning August 25th. Harmony Education works with families who are home schooling to access individualized and flexible home-based educational programs for free. As a part of the home schooling experience they will be using St. Michael's campus to deliver various parts of their curriculum including music, art and science. You'll see them on campus Fridays between 9:30 am and 2:30 pm.
