

Hot Lunch Update - New Menu Going Live Feb. 20th

Forgot to pack a snack? No problem! Order snacks through the new Brunch Menu in our online system.

- Middle School Brunch (Pre-Order by midnight and Pick up Brunch items at the Cafe)
- Lower School Brunch (Pre-Order by midnight and Pick up Brunch items at the Main Office)

When will they serve my favorite meals as daily specials? Updated Hot Lunch Menu adjusted to account for most popular items:

- Monday: Breakfast for Lunch (alternating Scrambled Eggs and French Toast)
- Tuesday: Taco Bar Tuesday (includes Gluten-Free options, such as Corn Tortillas)
- Wednesday: Asian Boxes (includes Gluten-Free Soy Sauce)
- Thursday: Pasta Bar (includes Gluten-Free options) or Grilled Cheese with Tomato Soup
- Friday: BBQ Day (still most popular day, with Hamburgers and Hot Dogs, as well as vegetarian alternatives)

What if I want a gluten-free meal but don't want the daily special?

- Tuna Fish and Egg Salad sandwiches are now offered with a lettuce leaf option as a choice of "bread".

Check out the new menu and go online to order at lfc.orderlunches.com. Remember, if it's your first time registering, use our school code (LFC1). If you are a returning customer, login and use your personal username and password. We are here to help you with any questions or concerns! You must order your hot lunch online to be served. Please do not approach the cafe via phone or in person to make your own request. Thank you for your understanding and support. We have had great success in rolling out this new hot lunch program and will continue to take your feedback to improve the system.

Regards,
Hot Lunch Team (Diana and Jennifer)
