## Interfaith Panel and Discussion

### Race Relations

As the current spiritual, political, economic, and environmental landscape evolve, we are continuously looking for opportunities to come together for dialogue and growth.

Join us as we participate in an interfaith dialogue with several leaders from the local Atlanta spiritual community: Baha'i, Buddhist, Center for Spiritual Living, Christian, MCC, Shaman, Unitarian, Unity, Wiccan, and more!

This inaugural panel discussion approaches the topic of Race Relations, What are the challenges? What are the solutions? How can we help? We will also explore how the various spiritual communities practice diversity, encourage growth, and participate in responsible social activism.
