**“IT IS SAFE TO LOOK WITHIN! ~Louise Hay**

You are cordially welcome to experience a powerful, loving, caring time with a very important person in your life: YOU!

- Are you ready to understand your barriers to self-love?
- Are you ready to let go of what is keeping you “stuck” ?
- Are you ready to release negative emotions that block your joy and creativity?

Description: {Mind/Body, Inner Child, Negative/Limiting Beliefs}

Loving yourself is the key to healing your life. When you really love yourself, your life will blossom. Join us for a life changing experience in a safe and nurturing environment. This workshop based on the work of best-selling author Louise Hay & has been attended by thousands of people worldwide. In this intensive we will address the mind/body connection & your inner child. You will be guided in exercises that help you become aware of your negative, limiting beliefs to help you release the past so you can love yourself more fully. As we identify a brighter future for you, come prepared to embrace transformation. ***Men are welcome.***
