785-233-8483

Project Activities by Focus Area

Activity	Contacts (Primary listed first)
Certified EHR Adoption and Implementation	
EHR version upgrades and/or conversion support	Trish Harkness
EDR version upgrades and/or conversion support	Trish Harkness
EDR system comparison assistance	Trish Harkness
EHR and/or EDR post-implementation support	Trish Harkness
Advancing Meaningful Use	
Mobile app evaluation and support	Trish Harkness
MU support	Trish Harkness, Terri Kennedy
MU compliance monitoring assistance	Trish Harkness
MU education	Trish Harkness
HIPAA SRA support	Trish Harkness
Data Quality	
DRVS implementation and support	Terri Kennedy
Identification of barriers to electronically extracting data	Trish Harkness
Data validation process development and implementation	Trish Harkness
Electronic data extraction process improvement	Trish Harkness
Structured data evaluation	Trish Harkness
Health Center and Site Level Data Reports	
Site level QI report generation	Trish Harkness
Clinic team level QI report generation	Trish Harkness
Health Data Integration	
EHR/EDR system interface support	Trish Harkness
EDR version upgrades and/or conversion support	Trish Harkness
Health Information Exchange	
Care coordination process improvement assistance	Trish Harkness
Secure messaging use education	Trish Harkness
KHIN interface preparation and post-implementation support	Terri Kennedy, Trish Harkness
Population Health Management	
HIO interface evaluation	Terri Kennedy
Public registry submission support	Trish Harkness
Specialized registry option evaluation	Trish Harkness
Clinical Quality Improvement	
Quality measure tracking assistance	Trish Harkness
Using data to develop care management strategies	Trish Harkness
Education in data analysis	Terri Kennedy
Using data to identify weaknesses and best practices	Trish Harkness, Terri Kennedy
QI/QA program improvement	Susan Wood

Activity	Contacts (Primary listed first)
Operational Quality Improvement	
Accessing comprehensive patient and population information	Trish Harkness
Using standardized processes to extract data for reporting	Trish Harkness
Using reports to identify efficiencies and opportunities	Trish Harkness
Advancing PCMH	
Using electronic data to monitor PCMH compliance	Trish Harkness
PCMH reporting and application submission support	Susan Wood
PCMH tool sharing	Susan Wood
