

STRENGTHENING FAMILIES

For Parents and their Children ages 10-14

Parents: Do you worry if your children have the skills to resist negative peer pressure and the use of drugs and alcohol?

Youth: Do you have hopes for your future that your parents do not understand?

The Parenting Network is pleased to offer this proven prevention program free of charge in the Sherman Park neighborhood. For more information about the Strengthening Families Program visit: www.extension.iastate.edu/sfp10-14/

- Families meet for 7 weeks of education and skill building
- A Family Meal is provided, as well as other support
- Take time to re-connect and strengthen your roots **CALL NOW!**
