

Guest Speaker

Kathleen Stuman
TPWD Game Warden

“Hunting Regulations Update”

A native from San Antonio, Ms. Stuman went to High School locally and Graduated College in San Antonio. She has been a Game Warden for 15 years, and started her career with the Texas Parks and Wildlife Department in South Texas, prior to transferring to Comal county for a few years, and has now been working in Bexar County for the past eight years. Additionally, she works in Canyon Lake during the summer.

She says that one thing that many people don't realize is they are not only State Game Wardens but they are also State Police officers. They not only enforce Game, fishing and water safety but also enforce state laws.
