B. High School Seniors

1. A minimum of a 3.0 grade average on a 4.0 grading system at current education level.
2. Acceptance and enrollment in a state accredited Texas institution.

Awards to High School Seniors may be made prior to notice of acceptance by a state accredited Texas institution. However, all awards to High School Seniors are subject to and contingent upon providing the scholarship administrator with proof of enrollment in a construction-related field, major or certification program at a state accredited Texas institution.

Scholarships to be Awarded:

1. Budgeted monies are to be paid on a per semester basis as recommended by the scholarship committee and approved by the Chapter’s Board of Directors.
2. Previous scholarship recipient(s) will be given priority.
3. Funds shall be paid directly to the school or jointly to the recipient and the school.
4. The scholarship committee will determine the number of scholarships to be awarded and the amounts given per scholarship, based upon available funds.

Scholarship Applicants are to provide the Following Information to the scholarship administrator:

1. Official Transcript sent in a separate email from the high school or other institution OR certified copy emailed to the Scholarship Administrator, Dana Calonge at the following address: dana@constructionnews.net. Previous recipient(s) must reapply with current transcript and confirm full-time status and construction-related degree field.
2. A minimum of two letters of recommendation. Provide letters to the Scholarship Administrator with your first application only.
3. List of extracurricular activities.
4. Brief narrative about yourself and your choice to enter a construction-related field. Please limit response to 1 page.
5. Recipient(s) shall submit, at the end of each semester, a brief summary to the scholarship administrator to be read at the Chapter's monthly meeting stating benefits and use of this scholarship toward their education.
