Impact the Community

Build your Resume

The **Leukemia & Lymphoma Society (LLS)** is seeking high school students in the North Bay who are passionate about *volunteerism, community outreach, and leadership* for the **Student of the Year Campaign!** This seven-week fundraising competition invites candidates and their teams to make a difference in the lives of blood cancer patients. The student or team that raises the most during the competition earns the title “**Students of the Year**” and a **\$1000 scholarship** to the college/university of his or her choice!
