

# NYC MURAL ARTS PROJECT

**Rethinking Community Building  
and Mental Health**

[WWW.NYCMAP.ORG](http://WWW.NYCMAP.ORG)

**Your  
Stories.**

**Your  
Wall.**

## OUR MISSION

The New York City Mural Arts Project uses a collaborative mural-making process to discuss mental health and foster new social interactions in New York City's communities. We work with community-based organizations, artists, people living with a mental health diagnosis, and the community at large to break down misconceptions and stigma associated with mental illness. Together, we translate our conversations into a mural that reflects the diversity and strength of everyone involved in the mural-making process.
