

## Partner Spotlight for Tutors and Staff

### IDHS, Division of Rehabilitation Services

Literacy volunteers, coordinators, and staff:

**Do you work with a learner who is managing significant barriers?**

**Are you wondering what disability services your student may be eligible to receive?**

The Illinois Department of Human Services (IDHS), Division of Rehabilitation Services is conducting an information session about their services and the work they do to help people with disabilities find and keep jobs in addition to maintaining independence in the community. You will learn:

- How the Vocational Rehabilitation (VR) program works
- Participant eligibility requirements
- How to make direct referrals to access DRS services
- Representatives from specialized departments will be in attendance to take questions: Blind or Visually Impaired, Deaf or Hard of Hearing, Hispanic or Latino with disabilities, Home Services, and the Client Assistance Program

All volunteer tutors, coordinators, and staff are welcome to attend this very special event!

**Wednesday, September 26, 2018 from 2:30 - 4:30 pm**

Illinois Center for Rehabilitation & Education Auditorium  
1151 S. Wood Street, Chicago

*This event is co-sponsored by the Illinois Department of Human Services.*
