

Resources for Adult Learners at the Chicago Public Library

Join Chicago Public Library librarian Kate Lapinski for a tour of adult learning resources, programs, and features available at all Chicago library branches and online. You will also learn about programs relevant to your students who are parents. Topics to be discussed include:

- The CyberNavigator program (one-on-one computer assistance)
- Free e-books, audio, apps and other online resources available to library card holders
- Book clubs for English language learners
- Recommended library sections for ABE and ESL adults
- After-school programming for children and teens
- The Teacher in the Library program (homework help for kids)
