The Taxpayer Advocate Service (TAS) will be available to assist practitioners in person with client tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance, direction on next steps, and case building ideas so you can help your clients. If your client's problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your client's issue.

To discuss specific clients, please bring a Power of Attorney form (Form 2848).

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
