

# Details & Solutions for Livable Homes & Aging in Place (CAPS III)

**Instructor: Curt Trampe, CAPS, CGR**

This course builds on the CAPS I & II courses (which are prerequisites) by introducing design solution techniques, innovative products and best practices for product installation for CAPS professionals to use when creating livable spaces in which to age in place. Participants will engage in hands-on activities from real case studies to apply material learned in all CAPS courses.

**FRIDAY, NOVEMBER 9TH, 2018 | 8:30AM - 4:30PM**
