If you have the passion but don't have the time, you won't want to miss these high impact web knowledge sessions for busy rural health leaders and collaborators.

Led by inspiring industry experts, each session quickly spells out the challenges, strategies and real time solutions related to the issues on the table.
A few of the session topics include:

- ▶ New Administration Impact on Rural Health Care Delivery
- ▶ Engaging Community Stakeholders
- ▶ Data for Clinical Decision Making
- ▶ Clinical Collaboration and Practice Scopes
- ▶ Chronic Care Management
- ▶ Farmer Health

We need you to make a difference!
