To recognize the accomplishments and contributions made by direct support professionals to the lives of people with disabilities, ODC, Inc. in Baudette and the Minnesota Organization for Habilitation and Rehabilitation (MOHR) are supporting Direct Support Professional (DSP) Week, September 9 to 15.

“Direct support professionals are at the core of our mission, helping people with disabilities to live the

lives that they choose,” said MOHR President Julie Johnson. “Their work is valued, needed and appreciated.”

ODC, Inc. employs 13 DSPs to serve 27 individuals in and around the Baudette community.

With more than 100 disability service providers across the state, MOHR’s mission is to promote and strengthen employment and life engagement opportunities as chosen by persons with disabilities.
