Getting Started is Easy

Pick your own family heritage or another culture of interest.

Write down information or items you want to learn and share.

Determine a **Title** for your display. Make it fun!

Research your topic:

- Interview people, look at books, magazines or websites
- Keep notes of what you have learned

Doing the Project:

- Report what you have learned
- Use photos, drawings, and artifacts to document your work
- Organize your project so others can learn from it
