

BIG IN SMALL MACHINERY

4, 5&6-colour printing machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Nilpeter F-3000 Five-colour flexo press	Year: 1994 SN: 4755 Impressions: na Excellent condition Available: direct from stock	Modern 6-colour flexo machine with a digital tip touch operating panel (also accessible from each printing unit), a standard unwind, web splice, web- and tension guide, 6 flexo print units (coating possibility on the 6 th unit), 6x hot-air dryers on all units and 1 UV dryer on the 6 th unit, web turn cross bar after 3 rd printing unit, 3x rotary die cutter units, matrix rewind, perforating unit, standard rewind. Many printing cylinders, Anilox rollers, magnetic die cutting rollers, tools and manuals. Max. web width: 300 mms Speed: 120 m/min.	€ 68.500
	Nilpeter F-280 Five-colour flexo press	Year: 1992 SN: R0-80/4700 Impressions: na Excellent condition Available: direct from stock	Modern 5-colour flexo machine with a digital tip touch operating panel (also accessible from each printing unit), a standard unwind, web splice, web- and tension guide, 5 flexo print units (coating possibility on the 5 th unit), 5x hot-air dryers on all units and 1 UV dryer on the 5 th unit, web turn cross bar after 2 nd printing unit, 3x rotary die cutter units, matrix rewind, perforating unit, standard rewind, Tecsan Webwatcher video inspection control and a perforating- and sheeter unit. Many printing cylinders, Anilox rollers, magnetic die cutting rollers, tools and manuals. Max. web width: 280 mms Speed: 120 m/min.	€ 63.500
	Screen Truepress TP-344N Four-colour digital offset press	Year: 2007 SN: 2007/7 Impressions: 13.5 mio Excellent condition Available: direct from stock	Modern 4-colour portrait-scape digital offset machine with a fully automated integrated processless thermal CTP system (2400 DPI – 300 LPI and stochastic raster) on both towers and full automated plate change system, full automated paper size change format, automatic ink key control, alcolour dampening and Technotrans mixer/cooler, blanket-, ink roller- and dampening roller wash, universal tack feeder. With RIP, network connection, software. Min. size: 90x148 mms (suitable for envelope printing) Max. size: 340x470 mms Paperweight: 0.04 – 0.4 mms Speed: 2.500 – 7.000 sh/hr.	€ 55.000
2-colour offset machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Komori Sprint 28-II Two-colour offset machine	Year: 1999 SN: 299 Impressions: 58 mio Excellent condition Available: direct from stock	Modern full options 2-colour land-scape offset machine, with complete remote operation for all functions (PQC), stream feeder, quick format change, anti-static device, semi-automatic plate change, alcolour dampening with Technotrans alpha.a recirculation cooler/mixer, semi-automatic perfector for 2/0 or 1/1 printing mode, low pile delivery, powder spray, automatic inkroller- and rubber wash Min. size: 230x 305 mms Max. size: 720 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 15.000 sh/hr.	€ 28.850

	<p>Komori Lihrone 220 Two-colour offset machine</p> <p>Year: 2007 (installed 2008) SN: L-220-2015</p> <p>Impressions: only 27 mio Excellent condition (new rollers April 2017) Available: direct from stock</p>	<p>Modern full options 2-colour landscape offset machine, with complete remote operation for all functions, PQC management with CIP3 console (2 colour LCD touch screen operating panels), stream feeder, quick format change, anti-static device, semi-automatic plate change, alcolour dampening with Tecnotrans Alpha.D recirculation cooler/mixer, all chromed cylinders, low pile delivery, powder spray, automatic inkroller- and rubber wash</p> <p>Min. size: 100x 148 mms Max. size: 520 x 375 mms Paperweight: 0.04 – 0.4 mms Speed: 3.800 – 13.000 sh/hr.</p>	€ 32.750
	<p>Sakurai Oliver 252EPII Two-colour offset machine</p> <p>Year: 1996 SN: HB406296</p> <p>Impressions: 43 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour landscape offset machine, plus version with interactive touch screen operation, chain delivery, stream feeder (including small size), anti-static device, semi-automatic plate change, alcolour dampening with recirculation cooler/mixer, full automatic perfector for 2/0 or 1/1 printing mode, low pile delivery, powder spray, ink roller wash</p> <p>Min. size: 100x 148 mms Max. size: 520 x 360 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 12.750
	<p>Shinohara Fuji 52-IIP NP Two-colour offset machine</p> <p>Year: 1989 SN: 20234037</p> <p>Impressions: na Good condition Available: direct from stock</p>	<p>Modern 2-colour landscape offset machine, chain delivery, tack feeder, anti-static device, quick clamp plate change, molleton dampening, semi-automatic perfector for 2/0 or 1/1 printing mode, low pile delivery, powder spray, ink roller wash. Including NP unit</p> <p>Min. size: 100x 148 mms Max. size: 520 x 360 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 9.750
	<p>Heidelberg GTOZ 52+ Two-colour offset machine</p> <p>Year: 1989 SN: 695681</p> <p>Impressions: 51 mio good condition Available: direct from stock</p>	<p>Modern 2-colour landscape offset machine, plus version, chain delivery, tack feeder, quick clamp plate change, Kompac Varn III dampening, low pile delivery, powder spray, ink roller wash</p> <p>Min. size: 105x 180 mms Max. size: 520 x 360 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 8.000 sh/hr.</p>	€ 14.750
	<p>Adast Dominant 525P Two-colour offset machine</p> <p>Year: 1999 SN: 10268</p> <p>Impressions: na Excellent condition Available: direct from stock</p>	<p>Modern 2-colour landscape offset machine, chain delivery, tack feeder, anti-static device, quick clamp plate change, molleton dampening, semi-automatic perfector for 2/0 or 1/1 printing mode, low pile delivery, powder spray, ink roller wash</p> <p>Min. size: 100x 148 mms Max. size: 520 x 381 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 7.750

	Hamada C248E Two-colour offset machine	Year: 2003 SN: CTQ-8JO66 Impressions: only 9.9 mio Excellent condition Available: direct from stock	Modern 2-colour land-scape offset machine with chain delivery, tack feeder, conventional dampening, low pile delivery, ink roller wash, small size printing device Min. size: 90 x 140 mms Max. size: 365 x 480 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.	€ 5.750
	Hamada 234M Two-colour offset machine	Year: 1998 SN: unknown Impressions: na Excellent condition Available: direct from stock	Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, quick plate change system, conventional molleton dampening and powder spray. Manual and spare part books (English). Machine has new rollers. Min. size: 90 x 140 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.	€ 4.350
	Hamada 234K Two-colour offset machine	Year: 2002 SN: unknown Impressions: 3 mio Excellent condition (like new) Available: direct from stock	Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, quick plate change system, Kompac Varn III dampening and powder spray. Manual and spare part books (English). Min. size: 90 x 140 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.	€ 5.100
2-colour envelope machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Halm Jet Press JP-TWOD-P Two-colour offset machine	Year: 2003 SN: 1617RC Impressions: na Excellent condition Available: direct from stock	High speed 3" 2-colour printing press for envelopes, rotating vacuum suction feeder, quick plate change system, Baldwin alcohol dampening with cooler/mixer, perfector for 2/0 and 1/1 printing mode, powder spray and extra-long delivery belt. Also coming with an independent driven packing- or feeder roller line (U-form). Min. size: 82 x 108 mms Max. size: 230 x 305 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 60.000 sh/hr.	€ 14.850

	Whitacre Superspeed P7-13 Two-colour offset machine	Year: 1991 SN: 139-91 Impressions: na Excellent condition Available: direct from stock	High speed 2-colour printing press for envelopes, paper bags, brochures, covers, tabs, cardboard etc., quick plate change system, perfector for 2/0 and 1/1 printing mode, Baldwin alcohol dampening with cooler/mixer, powder spray and long delivery belt. Coming with plate-punch and plate-bender. Min. size: 180 x 180 mms Max. size: 430 x 510 mms Speed: 3.000 – 80.000 sh/hr.	€ 11.850
1-colour offset machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Heidelberg KOR One-colour offset machine	Year: SN: Impressions: na Good condition Available: direct from stock	Conventional 1-colour land-scape offset machine with chain delivery, standard version, conventional dampening, universal tack feeder and powder spray. Min. size: 125 x 150 mms Max. size: 400 x 570 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 6.000 sh/hr.	€ 3.500
	Brandtjen & Kluge WFDT 12 x 18" Automatic letterpress	Year: 1990 SN: 1WFDT121278G Excellent condition Available: direct from stock	Automatic platen with web-guide with adjustable tractors for letterpress printing, punching, perforating, slitting, scoring, embossing and die-cutting of pack-to-pack materials. Including spare rollers (new), 5 locking frames, manuals and spare-parts. Min. web width size: 64 mms Max. web width size: 483 mms Inside chase dimensions: 12"x18" (305x458 mms) Speed: 1.000 – 5.000 sh/hr.	€ 3.250
	Sakurai Oliver 52E One-colour offset machine	Year: 1993 SN: FJ151093 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, small size stream feeder, conventional dampening and powder spray. Manuals and parts book. Min. size: 100 x 147 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 12.000 sh/hr.	€ 6.500
	Shinohara Fuji 52 One-colour offset machine	Year: 1996 SN: 0841496 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, small size stream feeder, conventional dampening and powder spray. Manuals and parts book. Min. size: 100 x 147 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 12.000 sh/hr.	€ 5.500

	Hamada Alpha 52+ NP One-colour offset machine	Year: 1993 SN: GA-00201 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, stream feeder, conventional dampening (including integrated mixer/cooler) and powder spray. Including NP unit. Manuals and parts book. Min. size: 257 x 182 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.	€ 7.500
	Hamada C48 One-colour offset machine	Year: 1995 SN: CSQ50005 Impressions: 12 mio imps. Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, universal tack feeder, conventional dampening, digital control panel and powder spay. Including plate punch. Min. size: 140 x 100 mms Max. size: 365 x 480 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.	€ 3.850
	Heidelberg GTO 46+ One-colour offset machine	Year: 1974 SN: 652768 Impressions: na Good condition Available: direct from stock	Modern 1-colour land-scape offset machine, plus version with chain delivery, quick plate change system, universal tack feeder, Kompac Varn III dampening, operating panel on the machine and powder spay. Min. size: 140 x 180 mms Max. size: 320 x 460 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 8.000 sh/hr.	€ 6.250
	Heidelberg GTO 46+ One-colour offset machine	Year: 1977 SN: 660111 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine, plus version with chain delivery, quick plate change system, universal tack feeder, molleton dampening, operating panel on the machine and powder spay. Min. size: 140 x 180 mms Max. size: 320 x 460 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 8.000 sh/hr.	€ 6.650
	Heidelberg GTO 46+ One-colour offset machine	Year: 1980 SN: 670829 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour land-scape offset machine, plus version with chain delivery, quick plate change system, universal tack feeder, molleton dampening, operating panel on the machine and powder spay. Min. size: 140 x 180 mms Max. size: 320 x 460 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 8.000 sh/hr.	€ 6.950

	Adast Dominant 414 One-colour offset machine	Year: na SN: 41411382 Impressions: na Good condition Available: direct from stock	Modern and compact 1-colour portrait-scape offset machine with high pile feeder table (940 mms), small size stream feeder, quick clamp plate change system, molleton dampening, chain delivery, powder spray and an operating console on the machine. Min. size: 110 x 148 mms Max. size: 280 x 381 mms Paperweight: 30 – 350 gsm Speed: 3.000 – 10.000 sh/hr.	€ 2.250
	Heidelberg TOK One-colour offset machine	Year: 1988 SN: 496.857 Impressions: 10 mio Excellent condition Available: direct from stock	Modern and compact 1-colour portrait-scape offset machine with chain delivery, universal tack feeder with operating console on the machine, integrated dampening and powder spray. Min. size: 74 x 105 mms Max. size: 280 x 394 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.	€ 1.850
	Gestetner 411CD One-colour offset machine	Year: na SN: 41A731 Impressions: na Good condition Available: direct from stock	Modern 1-colour portrait-scape offset machine with chain delivery, quick plate change system, universal tack feeder with digital tip touch operating console, conventional dampening. Electrics: 220 V, 8 A, 50 Hz, 1 phase. Min. size: 90 x 148 mms Max. size: 264 x 365 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 9.000 sh/hr.	€ 1.700
	Gestetner 313CD One-colour offset machine	Year: 1986 SN: 160446 Impressions: na Good condition Available: direct from stock	Modern 1-colour portrait-scape offset machine with chain delivery, quick plate change system, universal tack feeder with digital tip touch operating console, Kompac Varn II dampening, rubber wash. Min. size: 100 x 148 mms Max. size: 320 x 440 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 9.000 sh/hr.	€ 1.950
	AM Multigraph Multilith 1650CD One-colour offset machine	Year: na SN: 419446 Impressions: na Excellent condition Available: direct from stock	Modern 1-colour portrait-scape offset machine with chain delivery, universal tack feeder with digital tip touch operating console, Kompac Varn dampening and powder spray. Min. size: 89 x 140 mms Max. size: 432 x 330 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.	€ 1.200

	AB Dick 350 One-colour offset machine	Year: na SN: na Impressions: na Excellent condition Available: direct from stock	Classic 1-colour portrait-scape offset machine with standard chute delivery, universal tack feeder with integrated dampening. Min. size: 89 x 140 mms Max. size: 210 x 297 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 7.000 sh/hr.	€ 600
Digital printing machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Kodak Digimaster EX110 B/W printer	Year: 2010 SN: 00X2X03019 Impressions: 20 mio Excellent condition Available: direct from stock	Modern fully automatic high speed B/W printer for fast and high quality production (600 DPI LED imaging technology) with 6 automated feeder drawers, automatic toner density control, auto tray switching. Including SUN Fiery Adobe RIP and can be connected into a network (Window and Mac). Including top exit and finisher with 1 corner- and 2 side staplers and high pile stacker delivery. Min. size: DIN A5 Max. size: DIN A3+ Paperweight: 60-200 gsm Speed: 55 - 110 sh/min.	€ 2.750
	Xerox Workcentre 5655 B/W copier & printer	Year: 2010 SN: 3633610001 Impressions: 1.2 mio Excellent condition Available: direct from stock	Modern fully automatic B/W printer for fast and high quality production (600x5600, 4800x600 DPI and 256 gradations in halftone) with automatic toner density control, auto-reduction and enlargement, auto tray switching. Zoom: 25 – 400%. Can be connected into a network. Including finisher. Min. size: DIN A5 Max. size: DIN A3+ Paperweight: 50-120 gsm Speed: 30-55 sh/min.	€ 650
	LaserMaster DM1000 Four colour printer / plotter	Year: na SN: 8501660 Impressions: na Good condition Available: direct from stock	Modern fully automatic large size thermic A0 size inkjet printer / plotter, 4 colour cartridges, runs on rolls of paper (matte and glossy). Including ColorMark Docking Station for calibrated ink profiles. Suitable for film and all paper materials to print posters or displays. Resolution: 800 DPI. Ink cartridges are HP compatible. Roll min. size: 203x254 mms Roll max. width: 920 mms	€ 450
Sign and screen machinery	Machine/type	Year/condition/available	Description/options	Price in Euros

	Tampoflex T75-100 One-colour pad printing press	Year: 1990 SN: unknown Impressions: na Good condition Available: direct from stock	Semi-automatic tampon pad printing machine with pneumatic electronic operation that guarantees excellent printing uniformity and independent pressure regulation on parts and cliché. Foot pedal. The machine can be used for printing all kinds and irregular shapes of promotional items, textiles, cosmetic items, sports, medicals, automotive, electronics, packaging etc. 75 x 100 mm size Speed: 2.000 cycles/hr.	€ 2.250
	Pneumatic press Buttons and corners	Year: na SN: na Impressions: na Excellent condition Available: direct from stock	Professional floor model table press with pneumatic operation and 2 foot pedals pressing and closing buttons or metal book corner protectors around the corners of books, scrapbook albums, agendas, menus, document sleeves, boxes, or cardboard paper binders for an exclusive design and finishing.	€ 750
	Kaixuan KX757 516M2-35 Overlock sewing machine	Year: 2007 SN: 0708055 Good condition Available: direct from stock	Professional industrial table model 2 needle and 5 thread overlock sewing machine. Speed up to 7.500 spm.	€ 650
Numbering machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Socbox SNS 4000 Micromatic Numbering stamp machine	Year: unknown SN: HG.01318 Impressions: na Good condition Available: direct from stock	Automatic table model numbering machine (6 digits) with 2 numbering heads, inkpads, friction feed register board, delivery and automatic electronic start with insert. Foot pedal operation. Max. paper size: 381 x 508 mms Min. paper size: 70 x 114 mms Paperweight: 60 – 480 gsm	€ 1.450
	Socbox SNS 4000 Micromatic Numbering stamp machine	Year: unknown SN: GM.6695 Impressions: na Good condition Available: direct from stock	Automatic table model numbering machine (6 digits) with 1 numbering head, inkpads, friction feed register board, delivery and automatic electronic start with insert. Max. paper size: 381 x 508 mms Min. paper size: 70 x 114 mms Paperweight: 60 – 480 gsm	€ 650

	Uchida 6000 Numbering stamp machine	Year: 1986 SN: 1444 Impressions: na Good condition Available: direct from stock	Manual table model numbering machine (6 digits) with 1 numbering head, inkpads, register board, foot pedal- and manual operation. Impression and pressure can be adapted with a knob for thin or thicker papers. Max. paper size: 300 x 300 mms Paperweight: 40 – 480 gsm	€ 250
	Reiner 360-388 Numbering stamp machine	Year: unknown SN: unknown Impressions: na Good condition Available: direct from stock	Manual table model numbering machine (6 digits) with inepad, adjustable height and register board and automatic electronic start with insert.	€ 450
Washing equipment				
	Baldwin Jimek SC Washing device	Year: 2004 SN: 150-2628 Excellent condition Available: direct from stock	Stainless steel automatic washing station with pump and circulation system for multi-colour offset machines. This machine was shortly used for washing the Baldwin Jimek ink- and dampening roller systems of a newspaper rotation press. All safeties, filter system, temperature control, timers etc.	€ 1.950
	Degra Fra-560 Roller wash system	Year: 1989 SN: 5601010189 Good condition Available: direct from stock	Roller wash system for washing conventional molleton dampening rollers (1 at a time) of offset machines. Including filters for filtering waste, integrated high pressure water pump and sprayer. Max. roller length: 85 cms	€ 850

	Universal Roller wash system	Year: 1998 SN: unknown Excellent condition Available: direct from stock	Stainless steel roller wash system for washing conventional molleton dampening rollers (1 at a time) of offset machines. Including filters for filtering waste. Max. roller length: 85 cms	€ 450
	Tin can waste press	Year: unknown SN: unknown Good condition Available: direct from stock	Pneumatic press to waste and flatten empty ink cans. An ink can is flattened to less than 0.5 cms. All safeties and operation with foot pedal.	€ 450
Powder spray equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Rietschle Powderspray	Year : unknown SN: 008886 Excellent condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi, Quickmaster, GTO. Can be mounted on existing system in delivery.	€ 200
	Universal Powderspray	Year: unknown SN: unknown Excellent condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi, Quickmaster, GTO. With expansion tank. Can be mounted on existing system in delivery or with its own spray nozzle inside the delivery. Stand-alone version.	€ 200

	Universal Powderspray	Year: unknown SN: unknown Good condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi. Can be mounted on existing system in delivery or with its own spray nozzle inside the delivery. Stand-alone version.	€ 200
Miscellaneous printing equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Kasuga Denki AD-2 Tape marker	Year: unknown SN: 8209026 Good condition Available: direct from stock	Tape inserter unit for small offset machines like Sakurai, Fuji, Shinohara, Gestetner, Rotaprint, AB Dick, Ryobi. Stand-alone version.	€ 500
	Heidelberg Printmaster 46 – Quickmaster 46 Distributor roller	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	1 complete distributor roller (including gear and bearing) for Printmaster 46 and Quickmaster 46	€ 350
	Heidelberg TOK Rubber blankets	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	3 pieces blankets for Heidelberg TOK and TOM. Blanket size: 265x408x1.95 mm	€ 25

	Heidelberg Fuji 52 & Shinohara 52 Rubber blankets	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	7 pieces blankets for Fuji 52 & Shinohara 52. Including aluminium list. Blanket size: 518x510x1.95 mm	€ 100
	Heidelberg GTO 46 Set of ink- and waterrollers	Year: unknown SN: unknown Used condition Available: direct from stock	1 complete set of used ink- and 1 water roller for GTO 46	€ 200
	Heidelberg KORD 64 Set of waterrollers	Year: unknown SN: unknown New condition Available: direct from stock	1 complete set of newly covered water roller (3 pieces) and 1 ink roller for KORD 64	€ 200
	Heidelberg Set of inking, alcolor or water rollers	Year: new SN: new New Available: direct from stock	1 complete set of newly covered inking-, alcolor- or water roller for all Heidelberg machines. Including spindles. Bearings and gears when asked for. Including packing. Available for: - GTO 46, GTO 52 - KOR, KORD, KORS - MO - SORM, SORS - SM 52, SM 72, SM 74, SM 102 & SM 104	On request
Envelope printing equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Schneider SF-80 envelope feeder with delivery	Year: 2004 (delivered 2005) SN: 1047 Excellent condition Available: direct from stock	Automatic envelope feeder with a vertical loader system and vacuum suction feeder, designed to feed envelopes (DIN C6 – DIN C4) to all machines with a stream- or tack feeding system (Heidelberg SM, PM, GTO, QM or PM, Fuji, Ryobi, Sakurai, Adast, Shinohara, Hamada etc.). Adjustable vacuum, height, inclination, guides and a sensor at feeder end for automatic speed adjustment. Including conveyor belt delivery. Min. envelope size: 10 x 10 cm Max. envelope size: 36.0 x 36.0 cm	€ 2.450

	AB Dick 1200 envelope feeder	Year: na SN: 4677 Good condition Available: direct from stock	Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, height, inclination, push guides, 4 sucker feet and a sensor at feeder end for automatic speed adjustment. (= Astro AMC-2000feeder under AB Dick label) Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 41.3 cm	€ 500
	Schneider F50 envelope feeder	Year: 1998 SN: C-584 Fair condition (machine needs maintenance or can be used for parts) Available: direct from stock	Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, height, inclination, push guides, 10 sucker feet and a sensor at feeder end for automatic speed adjustment. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 37 cm	€ 300
	Unilith T-100 envelope feeder	Year: 1990 SN: unknown Good condition Available: direct from stock	Automatic envelope feeder, designed to feed envelopes to Heidelberg GTO machines. Adjustable vacuum. The unit is placed onto the feeder board of GTO 46 or GTO 52 and can be used from there. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 22.7 x 30.3 cm	€ 300
	Just Feed envelope feeder	Excellent condition Available: direct from stock	Luxury envelope feeder system consisting of 4 adjustable platforms, specially designed to feed envelopes to all kind of offset machines. Including original packaging.	€ 175
	Just Feed envelope feeder	Excellent condition Available: direct from stock	Envelope feeder system consisting of 3 platforms, specially designed to feed envelopes to all kind of offset machines. Including original packaging.	€ 150

Densitometers	Machine/type	Year/condition/available	Description/options	Price in Euros
	Alpha Engineering RCV envelope delivery	Excellent condition Available: direct from stock Year: 2001 (delivered 2002) SN: 1010	Stainless steel envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 350 x 900 mms	€ 450
	Stielow 1.104 envelope delivery	Excellent condition Available: direct from stock Year: 1986 SN: 993.03.86	Stainless steel envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height: 450 mms Size: 300 x 1.300 mms	€ 450
	Astro CD-100 envelope delivery	Excellent condition (never used) Available: direct from stock Year: na SN: na	Envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 290 x 950 mms	€ 350
	Sofrapli REL envelope delivery	Excellent condition Available: direct from stock Year: na SN: 9500/ZRE	Envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 270 x 850 mms	€ 350

Platemaking machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Shamrock Densi 200P Densitometry device	Year: 2001 SN: 0089 Excellent condition Available: direct from stock	Very compact densitometer (handheld) for colour- & density measurement. Coming with loader and in protection suitcase.	€ 250
	MacBeth RD915 Densitometry device	Year: unknown SN: 1150A unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50
	MacBeth RD512 Densitometry device	Year: unknown SN: 1090 Unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50
	MacBeth RD514 Densitometry device	Year: unknown SN: 5258C Unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50

	AB Dick DPM 2340 CTP	Year: 2000 SN: 46-431 Excellent condition Available: direct from stock	CTP (900 – 3600 DPI), 675 nm red laser diode (10 mW) for film and/or press-ready polyester plate materials, including PC, monitor, keyboard, RIP software, and self-replenishing plate processor (inline). This machine combines with all portrait scape offset machines like Hamada, Ryobi, Adast, Heidelberg QM, etc. Min. size: 229x305 mms Max. size: 340x508 mms Speed: 28 – 38 plates/hour (in 17 steps)	€ 1.050
	Mitsubishi DPM 2000CPS CTP	Year: 2000 SN: 22826 Excellent condition Available: direct from stock	CTP (900 – 1200 DPI) with network connection and its own scanner (up to 1200 DPI), 670 nm red laser for film and/or press-ready polyester plate materials, including RIP software, updates, and self-replenishing plate processor (inline). This machine combines with Heidelberg GTO or SM 52, Hamada 52, Ryobi 520 etc. Min. size: 229x305 mms Max. size: 419x551 mms	€ 950
	Kimoto Kimosetter 410 CTP CTP printer	Year: 2010 SN: A16C35C0018H Excellent condition Available: direct from stock	Simple and easy to use desktop CTP (1200x600 DPI) for printing the image, text, half tones directly on to the non-sensitive polyester offset plates. Direct ready to print and can be used in any dampening system (even non-chemical or non-alcohol). Automatic plate feed for 10 plates. Suitable for all Mac and Microsoft operating systems with an USB connection. This machine combines with Heidelberg GTO 46, Printmaster 46, Quickmaster 46, Hamada, Ryobi etc. Min. plate size: 98x98 mms Max. plate size: 410x510 mms	€ 1.450
	Bartal-Tech Ltd. Lotem 400 conveyor Online bridge	Year: 2008 SN: 903 Excellent condition Available: direct from stock	Online plate bridge for online use between a Lotem 400 CTP and an online plate processor or plate washer with data connector for start/control. Max. plate width: 78 cms	€ 850
	Glunz & Jenzen C5 platestacker Automatic plate stacker	Year: 2010 SN: 100858 VX Excellent condition Available: direct from stock	Online fast working plate stacker with sensors for start/control. Can be placed behind any brand, type or size CTP line for stacking the plates onto a retractable trolley. Works independently from any (high performance) processor and will start automatically when the processed plate passes the sensor. The conveyor is driven to ensure complete removal of the plate prior to stacking. The speed is adjustable. Up to 75 - 100 plates will be stacked vertically on a retractable trolley that is on wheels for easy transport of the plates to the printing press. Max. plate width: 85 cms Max. plate length: 125 cms	€ 925

	PAT Technologies PAT-506id Filter system	Year: 2003 SN: 506-0573 Excellent condition Available: direct from stock	Purifying and filter system with complete package filter set. Can be used to clean areas that use optics that are influenced by dust etc. This system protects the inner works of CTP and imagesetters. It also has a cooling effect via the airflow. Network communication port for online use with ctp or imagesetting systems. Warning signal for replacement of filter set.	€ 850
	Quattro Air AMS-300EP Filter system	Year: 2003 SN: 8313 Good condition Available: direct from stock	Purifying and filter system. Can be used to clean areas that use optics that are influenced by dust etc. This system protects the inner works of CTP and imagesetters. It also has a cooling effect via the airflow. Network communication port for online use with ctp or imagesetting systems. Warning signal for replacement of filter set. 480 M3/hr	€ 350
Imagesetting machinery				
	Scantext Othello Imagesetter	Year: 1999 SN: 525.588 Excellent condition Available: direct from stock	Imagesetter (1270 – 3850 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, RIP software (RipExpress, including Adobe Postscript 3) installed on Windows PC, dongle. Max. size: 510 x 645 mm imaging area	€ 2.750
	Heidelberg Duosetter Imagesetter	Year: 2000 (installed 2001) SN: 003311803 Excellent condition Available: direct from stock	Imagesetter (1270 – 3387 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, RIP software (Adobe Postscript 3) installed on Windows PC, dongle. Max. size: 535 x 505 mm imaging area	€ 3.450

	ECRM VR30 Imagesetter	Year: 1992 SN: 359 Used condition Available: direct from stock	Imagesetter (600 – 2430 DPI). Including: cassette. Max. width: 300 mm imaging area	€ 450
	ECRM VR36 Scriptsetter Imagesetter	Year: 1994 SN: 168 Good condition Available: direct from stock	Imagesetter (600 – 2430 DPI). Including: PC with RIP, software (CD) and cassette. Max. width: 360 mm imaging area	€ 950
	ECRM RIP software, dongle and SCSI card Imagesetter	Year: 2000 SN: 3892B366 Excellent condition Available: direct from stock	ECRM RIP software for PowerMac Vs 5.3, with dongle and SCSI card	€ 250
	Agfa Accuset 800 Plus Imagesetter	Year: 1998 (delivered 1999) SN: 206810 Good condition Available: direct from stock	Imagesetter (600 – 2400 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, Agfa PDF RIP (VS 2. 1.01) software, Agfa Apogee Viper (V 3.02), dongle, cables, manual, cd's. Max. size: 356 x 2100 mm imaging area	€ 950
	Agfa Avantra 30 Imagesetter input cassette	Year: 2008 SN: na Good condition Available: direct from stock	Input cassette for an Agfa Avantra 30 imagesetter. For filmsizes up to 762 mms	€ 150

	Screen Katana FT-R3050 Imagesetter input- and output cassettes (2 sets of 2 pieces)	Year: 1998 SN: na Good condition Available: direct from stock	2 input cassettes and 2 output cassettes for a Screen Katana FT-R3050 imagesetter. For filmsizes up to 558 mms	€ 250
Filmprocessors	Machine/type	Year/condition/available	Description/options	Price in Euros
	Screen LD-280 QT Filmprocessor	Year: 1990 SN: 89240-7342 Excellent condition Available: direct from stock	Filmprocessor for daylight cassettesystem for processing all brands and marks of films from imagesetters, repro camera's etc. Including operating panel for speed, processing times, stabilizing, washing out and drying of the film before delivered to the delivery rack. Max. size: 720 mms width x 3000 mms length Min. size: 50 mms width x 120 mms length Speed: up to 100 cms/min.	€ 1.650
Coolers / recirculation	Machine/type	Year/condition/available	Description/options	Price in Euros
	Hyfra VWK 7/1S Cooling- and circulation unit	Year: 2008 SN: 08040613 Excellent condition Available: direct from stock	Independent working cooling- and circulation unit for plateprocessors of standard offset- or ctp plate production. This unit can even be used for cooling the ink- or dampening systems of offset printing machines. Simple and universal coupling connection. Cooling: 814 W Cooling: 700 kcal/h Pressure: 29,5 bar	€ 450
	Hyfra VWK 7/1 Cooling- and circulation unit	Year: 1994 SN: 9403166 Excellent condition Available: direct from stock	Independent working cooling- and circulation unit for plateprocessors of standard offset- or ctp plate production. This unit can even be used for cooling the ink- or dampening systems of offset printing machines. Simple and universal coupling connection. Cooling: 814 W Cooling: 700 kcal/h Pressure: 24 bar	€ 350
Plate- and film punches	Machine/type	Year/condition/available	Description/options	Price in Euros

	Universal Table-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Gestetner, AB Dick, Hamada and Rotaprint offsetplates Type: 23 holes Max. platesize: 52 cms	€ 85
	Carl Glisser Table-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch (pressureless roll system) for Gestetner, AB Dick, Hamada and Rotaprint offsetplates Type: 23 holes Max. platesize: DIN A4	€ 50
	Bacher RP 22 Table-model plate punch (we have 4 pieces available)	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 52 cm Punch distance: 22,5 cms Max. platesize: 52 cms	€ 350
	Kieper Table-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 80 cm Punch distance: 22,5 cms Max. platesize: 80 cms	€ 650
	Heidelberg Table-model plate punch (we have 2 pieces available)	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 52 cm Punch distance: 22,5 cms Max. platesize: 52 cms	€ 650

Daylight control-mounting tables	Machine/type	Year/condition/available	Description/options	Price in Euros
	Billows Komori Floor-model plate punch	Year: 1993 SN: unknown Excellent condition Available: direct from stock	Floor model register plate punch for Komori offsetmachines with a platesize up to 95 cm with footpedal operation. Including adjustable top punch for centre punching. Punch distance: 55,0 cms Max. platesize: 95 cms	€ 1.350
	Beil Bacher 425 Table-model plate punch	Year: unknown SN: 9151 good condition Available: direct from stock	Table model plate punch for Bacher 425 for platesize up to 67 cm with manual crank. Electric register control for exact punching Punch distance: 42,5 cms Max. platesize: 67 cms	€ 650
	Bernard Prin & Cie Table-model plate punch	Year: unknown SN: unknown good condition Available: direct from stock	Table model plate punch for Bacher 425 for platesize up to 78 cm with manual crank. Punch distance: 42,5 cms Max. platesize: 78 cms	€ 850
	Billows Floor-model film- & plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Floor model film- and plate punch for platesize up to 160 cm. Electric punching with footpedal. Special for large size offsetmachines like: MAN Ultra, Roland Ultra, Planeta Super Variant, Nebiolo, Marinoni, Cab Tree etc. Max. platesize: 160 cms	€ 1.750

	Bieffe Film mounting table	Year: na SN: na Excellent condition Available: direct from stock	Table with inner lights and for film mounting up to 80 x 60 cms size. Adjustable in height and inclination. Including rulers. Max. size: 80 x 60 cm	€ 100
Copyframes & platemakers	Machine/type	Year/condition/available	Description/options	Price in Euros
	Croon KOP01ES5000 Plate exposure unit / Copy frame	Year: 1997 (delivered 1998) SN: 9712VB93 Excellent condition Available: direct from stock	Floor model copy frame with professional digital programming and digital screen, memories, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 108 x 74 cm Capacity: 5000 W bulb.	€ 2.275
	OMM DH60 Plate exposure unit / Copy frame	Year: 2006 SN: 4661 Excellent condition Available: direct from stock	Floor model copy frame with professional digital tip touch programming and digital screen, 99 memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 85 x 65 cm Capacity: 2000 W bulb.	€ 1.875
	Croon KOP67TT3000 Plate exposure unit / Copy frame	Year: 1996 SN: 9608TT67 Excellent condition Available: direct from stock	Floor model copy frame with professional digital tip touch programming and digital screen, 99 memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 80 x 67 cm Capacity: 3000 W bulb.	€ 1.275
	SGB 7800-010 Plate exposure unit / Copy frame	Year: 1995 SN: 018/95 Excellent condition Available: direct from stock	Floor model copy frame with professional digital programming and digital display, memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 78 x 67 cm Capacity: 3000 W bulb.	€ 1.075

Plate processors	Machine/type	Year/condition/available	Description/options	Price in Euros
	Theimer 3369 Nova Plate exposure unit / Copy frame	Year: 2002 SN: 2002030234 Excellent condition Available: direct from stock	Floor model copy frame with professional digital programming and digital display, memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 74 x 60 cm Capacity: 2500 W bulb.	€ 1.275
	GAF Helioprint PD 130 Plate exposure unit / Copy frame	Year: 1998 SN: na Excellent condition Available: direct from stock	Floor model copy frame with simple programming and screen, timers for exposure and vacuum. Max. size: 74 x 63 cm Capacity: 1600 W bulb.	€ 825
	Eskofot 245u Plate exposure unit / Copy frame	Year: na SN: na Excellent condition Available: direct from stock	Floor model copy frame with professional digital programming and digital screen, 40 memories, timers for exposure and vacuum. Max. size: 54 x 45 cm Capacity: 1600 W bulb.	€ 725
	Eskofot 1440 Direct platemaker	Year: 1997 SN: 440416 Excellent condition Available: direct from stock	Compact floor model direct platemaker with professional digital programming (40 programs), memories, timers for exposure and vacuum. It is possible to enlarge your original up to 105% and to shrink down to 64%. This equipment exposes, develops, stabilizes, and dries the (Polyester Agfa and Mitsubishi direct plate materials) in one handling job. Max. size: 510 x 404 mms Capacity: 1500 W bulb.	€ 425

	Agfa Azura C85 (Glunz & Jensen) Rinse- and gumm processor	Year: 2005 SN: 92700-0187 Good condition Available: direct from stock	Automatic rinse- and gumm processor with manual feeder for thermal offset plates with an automatic plate insert start system. Recirculation and drying system included. Max.plate width: 850 mms	€ 1.650
	Lefra 10 550-200 Plate processor	Year: 1988 SN: 2832 Good condition Available: direct from stock	Manual plate processor for developing small size offset plates with a simple operation panel for all functions (speed, temperature, pump). Max.plate size: 550 x 750 mms Capacity: 15 liters	€ 150
	Lefra 430-500 Plate processor	Year: 1998 SN: 5654 Good condition Available: direct from stock	Manual plate processor for developing small size offset plates with a simple operation panel for all functions (speed, temperature, pump). Max.plate size: 430 x 500 mms Capacity: 13 liters	€ 150
Paper cutters and guillotines	Machine/type	Year/condition/available	Description/options	Price in Euros
	Adast Maxima MH80-5 Guillotine	Year: na SN: 5260039 Excellent condition Available: direct from stock	Hydraulic paper cutter with airtable, electric pressing and size change and cutting. Extended sidetable left, tools and spare knife. 380 V and 3 phase. Max. size: 800 mms Max pile height: 100 mms. Min. – max. pressure: 3-15 kN	€ 2.350

	Adast Maxima MH80-2 Guillotine	Year: na SN: 13322 Excellent condition Available: direct from stock	Hydraulic paper cutter with electric pressing and size change and cutting. Tools and spare knife. 220 V and 3 phase. Max. size: 800 mms Max pile height: 100 mms. Min. – max. pressure: 3-15 kN	€ 2.150
	Adast MJ-46 Guillotine	Year: na SN: 5470034 Fair condition Available: direct from stock	Paper cutter with manual pressing and size change and electric cutting. Tools and spare knife. Max. size: 460 mms Max pile height: 80 mms.	€ 650
	Mandelli 76 HYS Guillotine	Year: 1998 SN: 40812 Excellent condition Available: direct from stock	Hydraulic paper cutter with stainless steel air table, digital operating panel with digital display for programming and storage. All relevant safeties (IR bars, shields, 2 hand operation). Tools and spare knife. 380 V and 3 phase. Max. size: 760 mms Max pile height: 100 mms.	€ 6.750
	Polar 137 EMC Monitor Guillotine	Year: 1986 SN: 5641056 Excellent condition Available: direct from stock	Hydraulic paper cutter with air table, digital operating panel with a monitor display for programming (99 programs with 999 steps), eject function, and storage. Including 2 paper lifts (L600W-3 & L600W-3SA) with flat plate loading and unloading, jogging table with air supply (RB-5) and side flaps both sides, and 2 small side tables, also with air supply. All relevant safeties (IR bars, 2 hand operation). Tools and 1 spare knife. 380 V and 3 phase. Max. size: 1370 mms Max pile height: 120 mms.	€ 12.150
	Horizon APC M58 Guillotine	Year: na SN: 16019 Excellent condition Available: direct from stock	Hydraulic paper cutter with stainless steel table, digital operating panel with digital display for 9 programs with each 6 steps. Push out function possible after each step. All relevant safeties (2 hand operation, shields, sensors). Manuals, tools and 1 spare knife. 380 V and 3 phase. Max. size: 580 mms Min. size: 20 mms Max pile height: 100 mms.	€ 4.950

	EBA Multicut 10/550 CNC Guillotine	Year: 1988 SN: 2451048 Good condition Available: direct from stock	Hydraulic paper cutter with stainless steel table, digital operating panel with digital display for programming and storage. All relevant safeties (2 hand operation). Tools and spare knife. 380 V and 3 phase. Max. size: 550 mms Max pile height: 95 mms.	€ 2.750
	EBA Multicut 4-360 T Guillotine	Year: 1989 SN: 232.003387 Good condition Available: direct from stock	Simple manual floor model cutter with manual operation of the size, pressure and knife. All safeties. Max. size: 360 mms Max pile height: 50 mms.	€ 275
	VS 46 Guillotine	Year: 1998 SN: unknown Excellent condition Available: direct from stock	Cardboard- or offset plate cutter (very heavy cast iron table model) with manual operation of the pressure and the knife. Max. size: 460 mms	€ 250
	Neolt Trim 150 C/BII Roll knife cutter	Year: na SN: 668.5508.221 Excellent condition Available: direct from stock	Manual roll knife cutter with manual movement operation of the knife. Suitable for digital- and conventional printwork (technical drawings, posters, photos etc.). Max. cutting length: 1500 mms Max. cutting thickness: 0.8 mms	€ 190
	Pitney Bowes 1241 Automatic letter opener	Year: 2010 SN: 5484 Excellent condition Available: direct from stock	Automatic roll knife slitter for opening letters and envelopes. Very fast automatic friction feeder system, delivery tray. Can be used with all kinds of mixed envelopes. No confetti due to slitter opening action with separate waste removal. Max. size: up to C4 size Max. thickness: 8 mms Speed: 400 letters/min.	€ 125

Lift- and turning machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Several knives for cutters/guillotines	Year: unknown SN: unknown Available: direct from stock	2x Polar 55EM 4x Ideal 52 series 2x Horizon 58/61 series	€ 50 each € 15 each € 50 each
	Several knives for cutters/guillotines	Year: unknown SN: unknown Available: direct from stock	2x three knife cutter Perfecta SDY	€ 150 each
	Tarnator 350 paper shredder	Year: 1985 SN: 6206 Excellent condition Available: direct from stock	Manual high speed shredder with roller feeder. Retractable for easy use or storage. Max. size: 30 cm width Max. paper height: 3 mms	€ 350
	LDG 450 paper shredder	Year: na SN: na Excellent condition Available: direct from stock	Manual heavy duty high speed shredder with roller feeder. Retractable for easy use or storage. Max. size: 45 cm width Max. paper height: 15 mms	€ 350

	Shelby 5331 palletlift	Year: unknown SN: unknown Available: direct from stock Good condition	Manual hand winch operation for lifting pallets. On wheels, so retractable for use on more machines or for easy storage. Max. size 100x80 cms Max. lift height: 105 cms Capacity: up to 250 kgs	€ 150
	Intraboss Handy 800E palletlift	Year: 1996 SN: 997001 Available: direct from stock Good condition	Electric winch (battery operated) for automatic lifting the paper carts for GTO 46&52, SM 52, Sakurai 52, Ryobi, Fuji 52, Shinohara 52 etc. Adaptable sensor to lift automatically up to the requested height. On wheels, so retractable for use on more machines or for easy storage. Max. size 57x40 cms Max. lift height: 110 cms Capacity: up to 250 kgs	€ 550
	Intraboss Handy 800E palletlift	Year: 1996 SN: 997002 Available: direct from stock Good condition	Electric winch (battery operated) for automatic lifting the paper carts for GTO 46&52, SM 52, Sakurai 52, Ryobi, Fuji 52, Shinohara 52 etc. Adaptable sensor to lift automatically up to the requested height. On wheels, so retractable for use on more machines or for easy storage. Max. size 57x40 cms Max. lift height: 110 cms Capacity: up to 250 kgs	€ 550
	Lafis LEI 16 C Mobile pallet lift	Year: 1997 SN: 32925 Excellent condition Available: direct from stock	Movable pallet lift, motor driven, operation console on steering stick. Including SPE 24 Volt automatic battery loader with analog display. Up to size: 120 x 100 cms Max. pallet size: 120 x 100 cms Max lifting height: 12 cms. Capacity: 1.600 kgs.	€ 1.500
	Bolzoni palletlift	Year: unknown SN: unknown Available: direct from stock Good condition	Electrical and hydraulic operation for lifting pallets. Low profile for easy access and loading with pallet lifter. Max. size 100x140 cms Max. lift height: 95 cms Capacity: up to 1.000 kgs	€ 450

	Schneider Senator PL2 palletlift	Year: 1970 SN: 8395 Available: direct from stock Good condition	Electrical and hydraulic operation for lifting pallets. On wheels, so retractable for use on more machines or for easy storage. Max. size 140x102 cms Max. lift height: 95 cms Capacity: up to 1000 kgs	€ 950
	Krifft Roeger Stapelwender Pile turner	Year: 2004 SN: 371 Excellent condition Available: direct from stock	Stationary roll in – roll out automatic paper pile turner, motor driven, including all safety parameters around the machine. No pit required Up to size: 95 x 125 cms. Max. pile height: 140 cms. Capacity: 1.200 kgs.	€ 4.850
	Diesse Maxi Toppy Mobile pile turner	Year: 1998 SN: 10581 Excellent condition Available: direct from stock	Movable heavy duty paper pile turner, motor driven, operation console. Including Belatron 24 Volt automatic battery loader with lcd display. Max. pallet size: 160 x 120 cms Max loading height: 150 cms. Capacity: 1.500 kgs.	€ 8.500
Stitching- and stapling machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Isaberg Rapid E100 1-head stapler	Year: 1996 SN: 96138 Excellent condition Available: direct from stock	Table model 1-head stapler with adjustable stapling force, when paper is inserted up to the bump switch. Adjustable insertion depth up to 93 mms. E100 is perfect for heavy stapling demands, such as in a post room or for print finish. All protections available. Capacity: 2 – 45/50 sheets (80 gsm) Staple types: 66/6 & 8 mms staples Speed: 50 sets/min.	€ 95

	Nagel TAK 18 1-head stapler	Year: 1981 SN: 813718 Excellent condition Available: direct from stock	Table model 12-head stapler with foot pedal operation. Suitable for book- and block stitching. Capacity: 2 – 150 sheets (80 gsm) Staple types: 50/6; 50/8; 50/10/ 50/12; 50/13; 50/15; 50/18 and 50/20.	€ 250
	Bostitch 14 Wire-stitcher	Year: unknown SN: 6080W Good condition Available: direct from stock	Floor model electric long arm wirestitcher with foot pedal operation. Suitable for box- and cardboard stitching in order to produce cardboard boxes and cardboard crates etc. Back gauge distance: 300 mms Thickness: up to 10 mms	€ 1.050
	Brehmer Wire-stitcher	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model electric wirestitcher with foot pedal operation. Suitable for book- and saddle stitching in order to produce books, booklets, brochures, blocks, catalogues etc.	€ 750
	Brehmer Wire-stitcher	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model wirestitcher with manual/ and foot pedal operation. Suitable for book- and saddle stitching in order to produce books, booklets, brochures, blocks, catalogues etc.	€ 450
Drilling machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Iram Rationella Maskiner AB Iram-8 1-spindle electric drill	Year: 1995 SN: 265 Available: direct from stock Good condition	1 drilling head, 220 Volt machine, table model with mechanic pressure, waste removal, paper clamp and an easy acces adjustable register board. Drill diameter capacity: 2 – 10 mms Max. drilling depth capacity: 51 mms Back gauge adjustment: 6 - 38 mms Table size: 260 x 520 mms	€ 280

	Pescha 405/14 1-spindle electric drill	Year: na SN: na Available: direct from stock Good condition	1 drilling head, 380 Volt machine, table model with swivelling drilling head, mechanic pressure, waste removal and an adjustable register board. Drill diameter capacity: 2 – 8 mms Max. drilling depth capacity: 50 mms Back gauge adjustment: 0 - 102 mms Table size: 295 x 430 mms	€ 250
	Kobold KOE 5268129 1-spindle electric drill	Year: na SN: 2653118 Available: direct from stock Good condition	1 drilling head, 220 Volt machine, floor model with swivelling drilling head, mechanic pressure with footpedal operation, waste removal and an adjustable register board. Drill diameter capacity: 2 – 8 mms Max. drilling depth capacity: 50 mms Back gauge adjustment: 0 - 102 mms Table size: 720 x 420 mms	€ 350
	Foellmer SP-2 2-spindle electric drill	Year: 1992 SN: 229 Available: direct from stock Good condition	2 drilling heads, 220 Volt machine, table model with fixed distance between drills, mechanic pressure, waste removal and an adjustable register board. Drill diameter capacity: 2 – 15 mms Fixed distance between drills: 80 mms Max. drilling depth capacity: 60 mms Back gauge adjustment: 0 - 100 mms Table size: 400 x 600 mms	€ 550
	Stago PB2015 371 2-spindle electric drill	Year: 1997 SN: 001397 Available: direct from stock Excellent condition	2 drilling heads, 220 Volt machine, table model with fixed distance between drills, mechanic pressure, waste removal and an adjustable register board. Drill diameter capacity: 2 – 15 mms Adjustable distance between drills: 60 - 120 mms Max. drilling depth capacity: 60 mms Back gauge adjustment: 0 - 110 mms Table size: 380 x 650 mms	€ 1.350
	OMM Venus 2-spindle electric drill	Year: na SN: na Available: direct from stock Good condition	2 drilling heads, 380 Volt machine, floor model with adjustable distance between drills, footpedal operation, automatic pressure and movement of the table, waste removal and an adjustable register board. Drill diameter capacity: 3 – 14 mms Adjustable distance between drills: 45 - 115 mms Max. drilling depth capacity: 80 mms Back gauge adjustment: 0 - 100 mms Table size: 350 x 650 mms	€ 950

	Hang 107-30 2-spindle electric drill	Year: 1992 SN: 92 589 Available: direct from stock Good condition	2 drilling heads, 220 Volt machine, floor model with adjustable distance between drills, hydraulic pressure, waste removal and an adjustable register board. Foot pedal operation. Drill diameter capacity: 2 – 14 mms Adjustable distance between drills: 60 - 300 mms Max. drilling depth capacity: 65 mms Back gauge adjustment: 6 - 130 mms Table size: 480 x 600 mms	€ 950
	Hang 1060120 2-spindle electric drill	Year: na SN: 17116 Available: direct from stock Good condition	2 drilling heads, 220 Volt machine, floor model with adjustable distance between drills, mechanic pressure, waste removal and an adjustable register board. Foot pedal operation. Drill diameter capacity: 2 – 15 mms Adjustable distance between drills: 60 - 300 mms Max. drilling depth capacity: 60 mms Back gauge adjustment: 0 - 350 mms Table size: 830 x 690 mms	€ 650
Letterpress machinery				
	Kensol K-36-T Hot foil stamping press	Year: na SN: S5200DA Excellent condition Available: direct from stock	Hot foil unit (3 tons pressure) with automatic transport and pneumatic operation. Adjustable step less temperature control. The machine has a register table and a foil guide attachment. Company logo's, names, titles and other data can be pressed with various colours of foils into leather (agenda's, wallets etc.), cardboard, paper or any other materials that are suitable for hot foils. Max. size: 203 x 153 mms (6"x 8")	€ 2.450
	Adast Grafopress GPC Tiegel/platen/letter press	Year: 1974 SN: Excellent condition Available: direct from stock	For numbering, perforating, slitting, scoring, embossing and die-cutting. With rollerstop. Min. size: 45 x 60 mms Max. size: 260 x 380 mms Paperweight: 28 / 400 gsm Speed: 1.600 – 5.000 sh/hr.	€ 1.050

	Adast Grafopress GPC Tiegel/platen/letter press	Year: 1971 SN: Excellent condition Available: direct from stock	For numbering, perforating, slitting, scoring, embossing and die-cutting. With rollerstop. Min. size: 45 x 60 mms Max. size: 260 x 380 mms Paperweight: 28 / 400 gsm Speed: 1.600 – 5.000 sh/hr.	€ 950
	Codor Card-cutter Hand-fed card-cutter	Year: 2008 SN: na Good condition Available: direct from stock	Hand-fed cylinder cardcutter for die-cutting cards out of paper, pvc, nylon and other sheet materials. Suitable for business cards, gift cards, information cards, entrance cards, parking tickets, bank- or credit cards etc. Card fixed size: 53 x 85 mms Number of cards out of a sheet (3x6 = 18 cards) Max. sheetsize: 297x420 mms (DIN A3) Paperweight: 28 / 400 gsm Speed: 1.000 – 2.000 sh/hr.	€ 3.450
	Shear-Line Super SSC-IV XL die-roller cutter	Year: 1988 (delivered 1989) SN: na Excellent condition Available: direct from stock	Hand-fed or semi-automated die-roller cutter for die-cutting, slotting, scoring, creasing or punching forms out of large size cardboard, corrugated board, plastic corrugated board (Suncap), gaskets, binding cloth, heavy paper, pvc, nylon and other sheet materials. Can be used to cut single or multiple boards. Suitable for all kind of forms like bags, plastic holders, cardboard- or plastic suit-cases etc. No set up time. Including a spare sleeve roller, tools, manual and electrical schemes. Max. size: 127x204 cms Nip width: 0 – 177 mms Speed: 720 strokes/hour	€ 13.450
	Rockstroh Werke Die-cutter Hand-fed platen / die-cutter	Year: SN: Good condition Available: direct from stock	Hand-fed platen for perforating, slitting, scoring, embossing and die-cutting. Min. size: 45 x 60 mms Max. size: 810 x 530 mms Paperweight: 28 / 400 gsm Speed: 1.600 – 2.000 sh/hr.	€ 2.950
	Brandtjen & Kluge WFDT 12 x 18" Automatic platen for pack-to-pack	Year: 1990 SN: 1WFDT121278G Excellent condition Available: direct from stock	Automatic platen for letterpress printing, perforating, slitting, scoring, embossing and die-cutting of pack-to-pack materials. Including spare rollers (new) and 5 pieces frames. Min. webwidth size: 64 mms Max.webwidth size: 483 mms Inside chase dimensions: 12"x18" (305x458 mms) Speed: 1.000 – 5.000 sh/hr.	€ 3.250

Cutting, slitting, creasing	Machine/type	Year/condition/available	Description/options	Price in Euros
	Graphic Whizard CreaseMaster + Creaser/cutter	Year: 2013 SN: 1807069 Excellent condition Available: direct from stock	Floor model electric creasing-and perforating equipment with 20 memories and LCD display operation. Automatic vacuum suction feed operation with top loading with perforating and creasing (up to 10 impact creases in one pass, also inverted creasing possible). Min. size: 89 x 127 mms Max. size: 457 x 570 mms Paperweight: 45 – 385 gsm Speed: 3.600 – 4.600 sh/hr.	€ 4.250
	Duplo DocuCutter DC-545HC Creaser/cutter/slitter	Year: 2004 SN: 040454844 Good condition Available: direct from stock	Floor model electric creasing-, cutting-, slitting equipment with 80 memories and LCD display operation. Automatic friction feed (AF-100) operation with cutting, creasing and slitting in one pass (6 slits, 10 cuts and 4 creases in one pass). Waste removal Min. size: 120 x 210 mms Max. size: 457 x 320 mms Paperweight: 110 – 230 gsm Speed: up to 12 sh/min.	€ 3.150
	Rolle A-700 Creaser/perforator	Year: 2000 SN: A700/113 Excellent condition Available: direct from stock	Table model electric heavy duty creasing-, cutting-, slitting and perforating equipment with manual feed operation for paper-, foils and cardboard sheets. Adjustable pressure of the rollers. Digital operation with speedcontrol Including: 2 perforating wheels and 4 creasing wheels. Max. paperwidth: 700 mms Paperweight: 40 – 450 gsm Table size: 790 x 950 mms	€ 1.750
	Kahle C4L Post stamp perforator	Year: na SN: 241023 Excellent condition Available: direct from stock	floor model heavy duty perforating- (post-stamp) equipment with footpedal operation. Max. paperwidth: 580 mms Paperweight: 30 – 350 gsm Table size: 580 x 800 mms	€ 750

	Pernuma 1480F Creaser	Year: 1961 SN: 1643 Excellent condition Available: direct from stock	floor model heavy duty creasing equipment with footpedal operation. Max. paperwidth: 610 mms Paperweight: 30 – 350 gsm Table size: 610 x 800 mms	€ 950
	Foellmer 45E-FMO-electric Creaser	Year: na SN: 217 Excellent condition Available: direct from stock	Floor model heavy duty creasing equipment with electric operation. Including footpedal Max. paperwidth: 450 mms Paperweight: 30 – 250 gsm Table size: 450 x 800 mms	€ 1.150
	Bickel HK65-electric Perforator (post stamp)	Year: na SN: 8075 Excellent condition Available: direct from stock	Floor model heavy duty post stamp perforating equipment with electric operation. Including footpedal Max. paperwidth: 650 mms Paperweight: 30 – 250 gsm Table size: 650 x 1.100 mms	€ 1.250
	Bickel HK3/50-electric Creaser	Year: 1986 SN: 30901 Excellent condition Available: direct from stock	Table model heavy duty creasing equipment with electric operation. Including footpedal Max. paperwidth: 500 mms Paperweight: 30 – 350 gsm Table size: 500 x 700 mms	€ 1.050
	Zechini Gra-for Creaser	Year: 1989 SN: RMI 501 Good condition Available: direct from stock	Table model heavy duty creasing equipment with electric operation. Including footpedal Max. paperwidth: 450 mms Paperweight: 30 – 350 gsm Table size: 450 x 600 mms	€ 1.050

	EB table Creaser	Year: na SN: 3893 Good condition Available: direct from stock	Table model heavy duty creasing equipment with manual crank operation. Max. paperwidth: 450 mms Paperweight: 30 – 350 gsm Table size: 450 x 600 mms	€ 250
	Deritend 43 ST Creaser / scorer for boxmaking	Year: na SN: 720 Excellent condition Available: direct from stock	Floor model heavy duty, easy to handle lengthwise creasing- and scoring equipment with manual feeder and electric operation. Including adjustable 2 rill-scoring wheels and adjustable delivery table. Machine is designed to crease cardboard for cartons and cardboard boxes. Max papersize: 1040 mms width Paperweight: 200 – 650 gsm Speed: 148 rpm	€ 1.850
	Deritend 34-DS Cutter / slitter for boxmaking	Year: na SN: 54 Excellent condition Available: direct from stock	Floor model heavy duty, easy to handle lengthwise cutting- and slitting equipment with manual feeder and electric operation. Including 2 knives. Machine is designed to cut / slit cardboard for cartons and cardboard boxes up to 18 cms lengthwise. Max papersize: 1300 mms width Cutting length: up to 18 cms. Paperweight: 200 – 650 gsm Speed: 370 rpm	€ 1.450
	Universal Cutter / slitter	Year: na SN: na Excellent condition Available: direct from stock	Table model easy to handle lengthwise cutting- and slitting equipment with manual feeder and electric operation. Including 2 knives. Stainless steel working blade and delivery. Max papersize: 720 x 1000 mms Paperweight: 80 – 350 gsm	€ 850
Laminating and varnish machines	Machine/type	Year/condition/available	Description/options	Price in Euros

	Matrix MD-460 Hot- and cold laminator	Year: 2013 SN: 1312-032801 Excellent condition Available: direct from stock	High speed table top laminating machine for hot- and cold laminating materials. Laminating and encapsulating possible. Digital electric operation with LCD screen, unwind and rewind shaft, tension-, spindle pressure, wrinkle control etc. All safeties and including one new roll of laminating material. Max width: 470 mms Max. laminating thickness: 2/0 mms Laminating temperature: 0 - 140 °C Speed: 0.3 – 1.6 m/min.	€ 1.750
	D&K 460 Hot- and cold laminator	Year: na SN: na Used condition Available: direct from stock	High speed table top laminating machine for hot- and cold laminating materials. Digital electric operation with unwind and rewind shaft, tension-, spindle pressure, wrinkle control etc. Including an online cutting system. All safeties. Max width: 460 mms Max. laminating thickness: 2/0 mms Laminating temperature: 0 - 140 °C Speed: 0.3 – 1.6 m/min.	€ 650
	Neschen K600-N Cold laminator	Year: 1998 SN: 14046 Excellent condition Available: direct from stock	High speed table top laminating machine for cold laminating materials. Simple electric operation with footpedal, unwind and rewind shaft, tension-, spindle pressure control etc. Max width: 650 mms Max nip width: 0 - 40 mms Speed: 0.3 – 6 m/min.	€ 1.750
	Sallmetall S880 Cold laminator	Year: 1988 SN: 34470 Excellent condition Available: direct from stock	High speed table top laminating machine for cold laminating materials. Simple electric operation with footpedal, unwind and rewind shaft, tension-, spindle pressure control etc. Max width: 880 mms Max nip width: 50 mms Speed: 0.3 – 3 m/min.	€ 950
	Sallmetall 650 Cold laminator	Year: SN: Excellent condition Available: direct from stock	Manual table top laminating machine for cold laminating materials. Simple manual operation with crank, unwind and rewind shaft etc. Max width: 650 mms Max nip width: 50 mms Speed: 0.3 – 1 m/min.	€ 350

	Xerox Photo Pro*33 Hot pouch laminator	Year: na SN: 000484 Excellent condition Available: direct from stock	High speed table top laminating machine for hot laminating pouch materials. Special for laminating photos. Possible for single and double side laminating. Tip touch electric operation and programming with LCD settings and control etc. Max width: 330 mms Max nip width: 1 mms Speed: 0.4 m/min.	€ 90
	GBC HeatSeal H425 Hot pouch laminator	Year: na SN: 1702820 Excellent condition Available: direct from stock	High speed table top laminating machine for hot laminating pouch materials. Special for laminating photos. Possible for single and double side laminating. Tip touch electric operation and programming with LCD settings and control etc. Max width: 320 mms Max nip width: 1 mms Speed: 0.4 m/min.	€ 50
Winders and rewinders	Machine/type	Year/condition/available	Description/options	Price in Euros
	Allan Datagraph DFS 16" / i-Tech Digital finishing system	Year: 2008 SN: D0710806C Working hours: less than 500 Excellent condition (like new) Available: direct from stock	Servo driven digital finishing systems for laminating, die cutting, slitting, weeding and re-rolling label materials. It will work in combination of all web format printers and flexo presses up to 410 mms web width. Cold laminating, die cutting, slitting etc are all done digitally without changes of die rollers etc. Web width: 254 - 410 mms Speed: 0 – 50.8 mms/sec	€ 6.500
	Menzel Winder/rewinder	Year: 1998 SN: 85886 Excellent condition Available: direct from stock	114 cms width electro-pneumatic-hydraulic floormodel winder/rewinder equipment with operating panel. Machine can be integrated into all kind of web- or roll-to-roll machinery (inspection, paper, textile, non-woven, foils, self-adhesives etc.) Web width: 1020 mms Roll diameter: 600 mms (1.000 mms) Core diameter: 75 mms Max. winding speed: 120 m/min.	€ 4.500
	Roll Systems (by Böwe) 80015801-57 Unwinder	Year: 2005 SN: 10305 Excellent condition Available: direct from stock	595 mms width electro-hydraulic floormodel driven unwinder equipment with operating panel. The roll is lifted into the machine with a hydraulic lift and only with one push on the button. The unwinder can be integrated into all kind of web- or roll-to-roll machinery (small rotation offset, flexo, digital rotation printers, mailing lines etc.). Machine is on wheels for easy placement or storage. Web width: 595 mms Max. roll weight: 450 kgs Core diameter: 75 mms	€ 2.500

Folder Gluers	Machine/type	Year/condition/available	Description/options	Price in Euros
	Kohmann CD 1 Production line for CD wallets	Year: 1989 SN: 12002/3 Excellent condition Available: direct from stock	Air suction rotary feed cd wallet production machine (vacuum), non-stop top feeder, 3 cutting units, creaser unit, 2 side folders (flip mounts), programmable hotmelt gluing device with 2 application nozzles for gluing, 1 pocket folder, end-trimmer, digital operation console on the machine with counter, pre-sets, batch counter, misfeed etc. Including heavy duty pumps and long delivery conveyor belt. Speed: 105 m/min. (200 pc/min.)	€ 9.950
	GUK FA 72/4 F4 Folder gluer	Year: 1986 SN: 23547 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 4 strokes, programmable digital gluing device (HHS, type C-210) with 2 application nozzles for continuous or pattern gluing (e.g. spot-closing), knife shafts for gluing, creasing- and perforating knives, noisehoods, digital operation console on the machine with counter, pre-sets, batch counter, misfeed etc. Including heavy duty pump and retractable delivery conveyor belt (type S720). Min. / max papersize: 150x190 mm / 720x1040 mm Speed: 1.000 – 40.000 sh/min.	€ 4.950
Folders	Machine/type	Year/condition/available	Description/options	Price in Euros
	MBO T52/4X & T52/44 Folder	Year: 1983 SN: 83047156 & 83107431 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), deep pile flatpile feeder with 4 strokes on 1 st section, retractable cross unit with 4 strokes on the 2 nd section and 1 electric knife for cross folding, digital operation console on the machine with counter and delivery conveyor belt. Min. / max papersize: 105x145 mm / 520x720 mm Min. fold: 50 mms. Speed: 1.000 – 22.000 or 45.000 sh/min.	€ 4.450
	MBO T54-1-54/4 / T54-2-54/4 Folder	Year: 1993 SN: K.07-26 Good condition (4 small belts need attention) Available: direct from stock	Air suction feed folder (vacuum), deep pile flatpile feeder with 4 strokes on 1 st section, retractable cross unit with 4 strokes on the 2 nd section, digital operation console on the machine with counter and delivery conveyor belt with deep pile stacker. Creasing and perforating possible. All safeties and noisehoods. Min. / max papersize: 105x150 mm / 540x890 mm Paperweight: 30 – 180 gsm Min. fold: 50 mms. Speed: 1.000 – 22.000 or 45.000 sh/min.	€ 4.950

	MBO Z5 Knife cross folder	Year: 1998 SN: 980517649 Excellent condition Available: direct from stock	Retractable and mobile, height adjustable 4-fold knife folding unit. Knife folder for MBO folding machines and can be coupled with the datacable to all KL, KTL and KZ version MBO folder. It can also be placed beside other brand folding- and saddle stitch machinery. Min. / max papersize: 120x150 mm / 650x450 mm Paperweight: 40 – 250 gsm Minimum fold: 40 mms Speed: 40 – 160 m/min (= 15.000 cycles/hr.)	€ 3.350
	Stahl T 47/4-FA Folder	Year: 1981 SN: 19447 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 4 strokes, noisehoods, digital operation console on the machine with counter and delivery belt. Min. / max papersize: 105x145 mm / 470x640 mm Paperweight: 40 – 250 gsm Minimum fold: 40 mms Speed: 50 – 150 m/min	€ 2.150
	Shoei Mach Eight Folder	Year: 1997 SN: 7042 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with paper separator, 2 strokes, 1 electric knife folder, noisehoods, digital operation console on the machine with counter and retractable delivery belt. Min. / max papersize: 150x210 mm / 470x650 mm Paperweight: 40 – 240 gsm Minimum fold: 65 mms Speed: 35.000 sh/hr.	€ 2.950
	Shoei Little Mach Folder	Year: SN: Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with paper separator, 2 strokes, noisehoods, digital operation console on the machine with counter and retractable delivery belt. Min. / max papersize: 150x210 mm / 470x650 mm Paperweight: 40 – 240 gsm Minimum fold: 65 mms Speed: 35.000 sh/hr.	€ 2.750
	Horizon AFC-A43 Folder	Year: SN: Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with paper separator, 2 strokes, 1 electric knife folder noisehoods, digital operation console on the machine with counter and retractable delivery belt. Min. / max papersize: 150x210 mm / 430x650 mm Paperweight: 40 – 240 gsm Minimum fold: 65 mms Speed: 35.000 sh/hr.	€ 3.450

	GUk FA 35/2-R1- SAF 35-Automatic 720 & SAF 35 Folder	Year: 1982 SN: 19246 & 19247 Good condition Available: direct from stock	Air suction feed pharmaceutical folder (vacuum), flatpile register feeder with 2 strokes, operation on the machine and standard delivery belt. Heavy duty compressor/pump. Including 1 perforating wheel and optional possibility for a small size pharmaceutical inserts delivery (not original). Min. / max papersize: 60x90 mm / 350x650 mm Minimum fold: 15 mms Min. / max. paperweight: 30- 180 gsm Speed: 18.000 sh/hr	€ 1.950
	Faltex 712-236 Folder	Year: 1994 SN: 50194 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, operation on the machine and delivery belt. Heavy duty compressor/pump. Min. / max papersize: 100x100 mm / 360x650 mm Minimum fold: 30 mms Min. / max. paperweight: 50- 230 gsm Speed: 30.000 sh/hr	€ 850
	Sofrapli 385AB Folder	Year: 1994 SN: 944428 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, operation with LCD counter and delivery belt. Safeties and noisehood. Heavy duty compressor/pump in noise reducing box. Min. / max papersize: 105x150 mm / 380x650 mm Minimum fold: 40 mms Min. / max. paperweight: 45- 250 gsm Speed: 25.000 sh/hr	€ 1.750
	Stahl T32/1 Folder	Year: 1995 SN: 65810/95 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, noisehoods, digital operation with counter and delivery belt. Retractable on wheels for easy storage. Perforating and creasing with wheels is optional possible. Min. / max papersize: 76x127 mm / 355x508 mm Minimum fold: 57 mms Paperweight: 40-250 gsm Speed: 35.400 sh/hr.	€ 2.950
	Stahl SA-32.2US Folder	Year: 1990 SN: 37018-150049 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, noisehoods, digital operation with counter and delivery belt. Retractable on wheels for easy storage. Min. / max papersize: 105x145 mm / 320x450 mm Minimum fold: 51 mms Paperweight: 40-250 gsm Speed: 42.500 sh/min.	€ 2.250

	Nagel DocuFold Morgana 90622 Folder	Year: 2004 SN: 040936DCAJ Good condition Available: direct from stock	Table model vacuum suction feed folder with semi-automated size change (dial-a-fold plate settings with LCD display for the fold positions), flatpile feeder with 2 strokes, noise hoods, digital operation on the machine, counter and extra-long delivery belt. Min. / max papersize: 104x139 mm / 330x450 mm Minimum fold: 50 mms Paperweight: 45-300 gsm Speed: 17.000 sh/min.	€ 2.250
	Matthias Bauerle Multimaster CAS 38 Folder	Year: 1995 SN: 95952200 Good condition Available: direct from stock	Floor model vacuum feed and automated folder, flatpile feeder with register table, 4 strokes, noisehoods, digital operation with programs and LCD screen on the machine and a retractable delivery belt. Min. / max papersize: 70x120 mm / 380x650 mm Minimum fold: 35 mms Paperweight: 40-250 gsm Speed: 200 m/min.	€ 2.850
	Matthias Bauerle Multipli FM 35/2 Folder	Year: 2004 SN: 040651130 Used condition (1 roller needs to be exchanged) Available: direct from stock	Table model friction feed folder, flatpile feeder with 2 strokes, noisehoods, operation on the machine and delivery belt. Min. / max papersize: 50x70 mm / 356x525 mm Minimum fold: 50 mms Paperweight: 40-250 gsm Speed: 20.000 sh/min.	€ 550

	Bookpress 24x24 Bookpress	Year: unknown SN: unknown Excellent condition Available: direct from stock	Traditional and manual table model bookpress Max. seize: 240 x 240 mms Max. 100 mms height.	€ 100
Joggers	Machine/type	Year/condition/available	Description/options	Price in Euros
	Foellmer C 1 Vibrating table	Year: unknown SN: 1045 Excellent condition Available: direct from stock	Table model vibrating table, for manual straight vibrating of piles of paper. Vibrating is adjustable. Max. papersize: 52 x 36 cm	€ 125
	Planatol Planatol Jogging unit	Year: unknown SN: 01488 Fair condition Available: direct from stock	Table model jogger, for corner and manual straight jogging Max. papersize: A3	€ 50

	Lindaco A3+ Jogging unit	Year: 1996 SN: unknown Good condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 35 x 45 cms	€ 200
	Bourg jogger Jogging unit	Year: unknown SN: 293040310 Good condition Available: direct from stock	Floor model criss cross jogger for online use with Bourg equipment, adjustable in vibration and angle. Max. papersize: 35 x 50 cms	€ 350
	Universal A3+ Jogging unit	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 35 x 50 cms	€ 200
	Universal A3+ Jogging unit	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 47 x 47 cms	€ 250
	Schneider Senator Vibra Jogging unit	Year: 1987 SN: 91061 Good condition Available: direct from stock	Floor model jogger, including airtable, footpedal operation, adjustable in vibration and angle. Including manual side flap at right side. Max. papersize: 115 x 80 cms	€ 1.150

	Polar RB-2 Jogging unit	Year: 1994 SN: 6481197 Good condition Available: direct from stock	Floor model jogger with air supply (also on the sides) and automatic inclination. All adjustable in angle and height. Both side flaps work manually. With foot pedal and heavy duty compressor unit for pressure and air supply. Max. papersize: 720 x 870 mms Min. / max pile height: 30 – 165 mms Table height: 860 – 950 mms	€ 1.750
	Schneider Senator 1073 Jogging unit	Year: 1990 SN: 183-1223 Excellent condition Available: direct from stock	Floor model jogger with stainless steel table, air supply (also on the sides) and airstrike roller, automatic inclination adjustable in angle. Both side flaps also work automatically. With operating panel and heavy duty compressor unit for pressure and air supply. Max. papersize: 120 x 85 cms	€ 2.750
Packing, mailing and binding	Machine/type	Year/condition/available	Description/options	Price in Euros
	Ranpak FillPak TTKS-0209 Kraft paper packing machine	Year: new SN: F1627516 Excellent condition (new and never used – in original packing) Available: direct from stock	Mobile floor model electric voidfill- and cushion packaging machine that produces up cushion air filled kraft paper for packing all products into boxes from fanfold kraft paper. Free hands for packing and cutting with foot pedal operation. Thickness kraftpaper: 50 – 70 gsm Speed: 1.4 m/sec.	€750
	Beck Packautomaten HV 400 Shrink tunnel	Year: 1989 SN: 8891174 Excellent condition Available: direct from stock	Floor model shrink tunnel for foil and polywrapper for wrapping print work, boxes, bottles etc. into polyethylene materials. On wheels and can be placed into an inline situation. 2x Static eliminators and driven roller system. Size: 350 width and 150 mms height Speed: 10-35 m/min.	€ 1.850
	IFP Packaging Machinery TM 40/20 Shrink tunnel	Year: 2010 SN: 3345 Excellent condition Available: direct from stock	Floor model shrink tunnel for foil (PPT, PPE and Cryovac) and polywrapper for wrapping print work, boxes, bottles etc. into polyethylene materials. On wheels and can be placed into an inline situation. 2x Static eliminators and independent driven roller system. Size: 400 width and 200 mms height Speed: 4-20 m/min.	€ 2.250

	BVM Mailmaster 4004 Mailing- and wrapping machine	Year: 2001 SN: 010402498/B01 & 43509 Excellent condition Available: direct from stock	Automatic mailing wrapping line with 3 feeders (handfeed or automatic with Sitma 0019-156 & GUK SVA/35-SP feeders) for wrapping magazines, catalogues, brochures or other mailing products. Size change is done automatically with the operating panel. All is packed tight, so no shrinking is required. Constant temperature control. This line is suitable for the graphic industry, logistics, mailings, post etc. Size: from 80 mms up to DIN A3 long and max. 60 mms height Size bag length: 80 – 550 mms (adjustable) Speed: up to 130 cycles/minute	€ 30.000
	Kern 620 Collator and mailing system	SN: 620.0092 Good condition Available: direct from stock	Floormodel collator (1 station max. A3 size and 1 station 30x20 cm) with friction collating; double sheet detection; counter and delivery. Coming with envelope feeder (min 76x140 mms up to 162x229 mms; 50 – 100 gsm), folding- and filling station for cards to this envelopes 70x70 mm size (min). 430 x 320 mm size (max). Paperweight: 70 – 240 gsm	€ 1.250
	Kirk Rudy 203 Feeder head	Year: na SN: 1291 365 Excellent condition Available: direct from stock	Labelling and Pick-and-Place head for integration into direct mail equipment or packing lines. This tip-on head can feed cards or similar flexible paper items to an online mailing- or packing line. The items are shuttle fed onto a vacuum pushing system. Connection with mis-feed signal in order to stop the complete line. Min. size: 5.1 x 5.1 cm Max. size: 18 x 20,3 cm Speed: 12.000 sh/hr.	€ 350
	Kingpin 828S Strapping machine	Year: 1987 (delivered 1988) SN: 61105 Good condition Available: direct from stock	Floor model manual strapping for packing/thermo closing boxes with print work or bind piles of (printed) paper, brochures, magazines, books etc. with a wire strapping material. Sensor controlled operation. Including large unwind for bigger rolls with binding materials. 6 new rolls of binding material coming with the machine. Length of strap: 0,2 - 2 m.	€ 650
	ACL Pack STR-8060 Strapping machine	Year: 2005 SN: 30206 Excellent condition Available: direct from stock	Floor model automatic strapping for packing/thermo closing boxes with print work or bind piles of (printed) paper, brochures, magazines, books etc. with a wire strapping material. Sensor controlled operation, so the machine is suitable for a inline solution. Including large unwind for bigger rolls with binding materials. 6 new rolls of binding material coming with the machine. Size: 600 x 500 mms (wxh)	€ 1.200

	Signode KRS 50x40 Strapping machine	Year: 1990 SN: 503195 Fair condition (machine needs some small repairs) Available: direct from stock	Floor model strapper for inline strapping print work, packages of magazines/newspapers etc., with binding straps up to 50 mms width. Including unwind for rolls. Easy pick up, transport, and delivery of the packs due to rolling conveyor belt. Size: 500 x 400 mms (wxh)	€ 750
	Super Power Stretch Film wrapping material	Year: 2015 SN: unknown Excellent condition (new) Available: direct from stock	30 rolls of black wrapping foil for automatic wrapping boxes, pallets or other equipment with an automatic polywrapper. Roll width: 500 mms	€ 1.150
	Alpha-Dot Inline printer	Year: unknown SN: unknown Good condition Available: direct from stock	Conveyor and driven roller belt (up to 400 mms width) with flexible inkjet printer (including remote keyboard for text input). Machine is used for batch printing on cardboard boxes. Can be integrated in another line and is adjustable in height.	€ 1.650
	Prior Scales	Year: unknown SN: unknown Excellent condition Available: direct from stock	Floor model on wheels (retractable). One stationary weighing scale with rollers for in line situation.	€ 350
	Endra KO-76 Manual strapping machine	Year: na SN: 27104 Excellent condition Available: direct from stock	Manual hand strapper for packing/closing boxes into band strapping materials with clips. Including large unwind on wheels for flexible use and suited for bigger rolls with binding/strapping materials. Cardboard with 6 new rolls binding materials is coming with the equipment.	€ 350

	Universal Paper band taper	Year: na SN: na Good condition Available: direct from stock	Manual paper band taper to close packages and boxes etc. with pre-glued paper band. The paper band can be adjusted in length from 0 up to 40 cms and will be cut off at that length. Including 17 rolls of new paper band.	€ 80
Pumps and miscellaneous	Machine/type	Year/condition/available	Description/options	Price in Euros
	Mixers for glue or coatings.	Year: unknown SN: unknown Excellent condition Available: direct from stock	Mixers for glue or coatings. 2 available.	€ 500
	Rietschle SKG-200-2.18 Pressure pump	Year: 1982 SN: 434182 Good condition Available: direct from stock	1 pump suitable for pressure air needed machinery etc. in pre-press area, press area or binding area. Delivery: 2.820 l/min Pressure: 97 mbar Consumption: 0.37 Kw	€ 500
	Rietschle DCL 40/DV Vacuum / pressure pump	Year: na SN: 1900 Excellent condition Available: direct from stock	1 vacuum / pressure pump suitable for pressure and vacuum air needed machinery etc. in binding area. Delivery: 40 m3/hr – 0.6 bar/-0.6 bar Rotational shaft speed: 1.400 turns/min. Consumption: 380 V – 1.5 kW	€ 1.050

	<p>Rietschle TR 25DV (30)</p> <p>Vacuum / pressure pump</p>	<p>Year: 1987 SN: 040510</p> <p>Excellent condition Available: direct from stock</p>	<p>1 vacuum / pressure pump suitable for pressure and vacuum air needed machinery etc. in pre-press area, press area or binding area.</p> <p>Delivery: 25 m3/hr – 0.6 bar/-0.6 bar Rotational shaft speed: 1.450 turns/min. Consumption: 220 V – 1.1 kW</p>	€ 800
	<p>Rietschle TR 25DV (02)</p> <p>Vacuum / pressure pump</p>	<p>Year: 1982 SN: 726918</p> <p>Excellent condition Available: direct from stock</p>	<p>1 vacuum / pressure pump suitable for pressure and vacuum air needed machinery etc. in pre-press area, press area or binding area.</p> <p>Delivery: 25 m3/hr – 0.7 bar/-0.6 bar Rotational shaft speed: 1.400 turns/min. Consumption: 220 V – 1.1 kW</p>	€ 800
	<p>Gast 1022</p> <p>Mag drive pump</p>	<p>Year: 1989 SN: 89-18210</p> <p>Good condition Available: direct from stock</p>	<p>1 vacuum / pressure pump suitable for pressure and vacuum air needed machinery etc. in pre-press area, press area or binding area.</p> <p>Delivery: 15 m3/hr – 0.6 bar Vacuum: 116 mbar Rotational shaft speed: 1.425 turns/min. Consumption: 220 V – 0.6 kW</p>	€ 500
	<p>March MDXT-3</p> <p>Fluid pump</p>	<p>Year: na SN: QQ 113344</p> <p>Good condition Available: direct from stock</p>	<p>1 seal-less pump suitable for pumping (chemical) fluids for fluid needed machinery etc. in pre-press or press area.</p> <p>Delivery: 30 l/min. (max. head: 4 m.) Pressure: 0.55 bar Rotational shaft speed: 3.500 turns/min. Consumption: 220 V – 0.8A, 0,03 kW</p>	€ 100
	<p>Iwaki 2MD-15RU</p> <p>Fluid pump</p>	<p>Year: na SN: 0381195</p> <p>Good condition Available: direct from stock</p>	<p>1 seal-less pump suitable for pumping (chemical) fluids for fluid needed machinery etc. in pre-press or press area.</p> <p>Delivery: 20 l/min. (max. head: 2-2.5 m.) Pressure: 0.55 bar Rotational shaft speed: 3.000 turns/min. Consumption: 220 V – 0.8A, 0,02 kW</p>	€ 100

	Bonfiglioli Bonfigtronic 3.180.3000 Motor drive	Year: na SN: 1232 Good condition Available: direct from stock	1 drive motor suitable for belt drive of different kind of equipment in press- or binding area. Rotational shaft speed: 3000 turns/min. Torque: 4.5 Nm Consumption: 220 V – 4.9 A, 750 W	€ 250
	Haug Static Line EN SL LC & VS 035200 Anti-static device with bar	Year: 2001 SN: V13879/22 Excellent condition (new) Available: direct from stock	Anti-static ionization device with an ionization bar for mounting on small size label machines, offset machines, folding machines, packaging machines, winding- and rewinding machines, copiers etc. Can be used and mounted on any device that needs reduction of electrostatic charges in substrates (films, paper, cardboard, steel sheets, glass panels etc.). Working width: 310 mms	€ 300
	Heidelberg Roller-Matic Rewinder for washing cloth	Year: 2000 SN: Excellent condition Available: direct from stock	Automatic and motorized rewinder with spindles for producing rolls of wash material for rubber- and impression cylinder washing devices on offset presses (e.g. Heidelberg SM 52, SM 74, SM 102/104 or other brand machines like Sakurai, Ryobi, Shinohara, Roland, KBA etc.). Working width: up to 1100 mms	€ 950
	Xerox Offset- and printing paper	Year: unknown SN: unknown Excellent condition (new) Available: direct from stock	3.5 pallet (2.5 ton with white offset- and copy paper (letter size – 8.5" x 11" = 218,9 x 279,4 mm and 75 gsm). Packed in boxes and reams of 100 sheets.	€ 1.375

All prices are excluded VAT. In "as is" condition, subject to prior sale and **FCA (Incoterms 2010)**. All machines are owned by us and can be seen in our warehouse in Venray - the Netherlands. Our delivery terms can be read on: <http://www.mctrade.nl/delivery-terms.html>. We are glad to send you a print of our terms. You can receive our newsletters and stock list by adding your email address to our mailing list: <http://www.mctrade.nl/subscribe.html>.

Machines in stock at: 19 April 2018
