Dear Partners and Colleagues,

We proudly present, as owners, next professional and very compact strapping machine:

ACL Pack - STR-8060

Machine information:

This professional and heavy duty strapping machine can bind piles of (printed) paper, brochures, magazines, books and boxes in a few seconds. It is a modern machine with an automatic- and electric strapping system. The working table has an easy roll-in roll-out access on a bearing roller system.

Specifications:

Type STR-8060

Max. binding width: 600 mms

Max. binding height: 500 mms

All safeties on the machine

Operation with controls on the machine, full electric and automatic strapping/closing, large roll unwind, including 2 new rolls of pp binding material

Cleaned and checked

Year / Serial number: 2005 / 30206

Technical- and optical condition:

Technical: 10/10

Optical: 10/10 (very clean machine that can go to end-user directly)

Price & terms:

Our price: euro 1.200,-

Terms: ex-works (LOT or LOC)

Availability: direct, ready for transport on machine pallet

Location: our warehouse - Venray (NL)

Additional information:

If you need any more information or pictures, please let us know or check our website www.mctrade.nl. You can click on above shown photos and download them (and more) from our website. Of course, we can combine this machine with other (Signode, MBO, Siemens etc.) packing- or after-press machinery to load a container or truck. Please, ask for it.
