Dear colleagues and partners,

We proudly present, as owners, next professional and modern 6-colour + coater flexo press:

Nilpeter - F-3000

Machine information:

This professional and fast 6-colour flexo press can print from roll to roll in a top print quality. It is a modern machine with an operating panel (also on all units), 6 flexo printing units, 6 hot air driers on all units and a UV drier on the 6th unit so this unit can be used as a coater, turn bar, 3 rotary die cutters, matrix rewind and many items that belong to modern up-to-date flexo printing equipment.

Specifications:

Max. web width: 300 mms

Max. printing width: 295 mms

Repeat range: 140 to 323 mms

Speed: 0 - 150 m/min.

All safeties on the machine

Operation and panel controls on the machine, single unwind with end of reel detection, splice table with clamps, web guide register with tension control, 6x flexo printing units, 6x hot air driers, 1x UV drier, 3x rotary die/slitting stations, waste matrix rewind, single rewind, exhaust system connected to the drier units etc.

Complete set of Anilox cylinders, printing cylinders, gears for all cylinders and die-cutter, perforating roller, spareparts, all manuals, schemes, partsbooks etc.

Year: 1994

Serial number: 4755
