

**Dear Partners and Colleagues,**

We proudly present, as owners, next professional, fully automated and very compact folding machine (with touch screen SmartScreen, flatpile feeder, 2 pockets and a creasing- and perforating unit):

## Morgana - DocuFold Pro CB

### Machine information:

This professional fully automated folder (flat pile loader, vacuum feeder wheel, 2 pockets, counter) folds, creases and perforates paper or other sheet materials in one handling job up to 27.500 sh/hr. The machine has a colour touch screen SmartScreen operating panel (with graphic display and memories) for very fast full-automatic size-, format- and fold scheme change. The sheets will be transported from the flat pile feeder with a vacuum feeder wheel system and also air-separators on both sides of the feeder table to the folding machine and can be programmed to be (batch-) counted automatically. Including a plug-in creasing- and perforating unit.

### Specifications:

Min. / max. size: 160 x 140 / 674 x 365 mms

Min. fold: 50 mms

Paper weight: 56 - 240 grs/m<sup>2</sup>

Speed: up to 27.500 sh/hr

All safeties on the machine (noise hoods, shields, sensors etc.)

Easy and fast set up controls with a colour digital SmartScreen operating panel (touch screen) for size-, format- and folding scheme. Digital (batch-) counter with memories. Including a plug-in creasing- and perforating unit (in-line). All is retractable on wheels for easy storage and use.

Air and vacuum by integrated compressor/pump in a noise box.

Year / Serial number: 2013 / 940231

### Technical- and optical condition:
