

4, 5&6-colour printing machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Nilpeter F-3000 Five-colour flexo press	Year: 1994 SN: 4755 Impressions: na Excellent condition Available: direct from stock	Modern 6-colour flexo machine with a digital tip touch operating panel (also accessible from each printing unit), a standard unwind, web splice, web- and tension guide, 6 flexo print units (coating possibility on the 6 th unit), 6x hot-air dryers on all units and 1 UV dryer on the 6 th unit, web turn cross bar after 3 rd printing unit, 3x rotary die cutter units, matrix rewind, perforating unit, standard rewind. Many printing cylinders, Anilox rollers, magnetic die cutting rollers, tools and manuals. Max. webwidth: 300 mms Speed: 120 m/min.	€ 68.500
	Nilpeter F-280 Five-colour flexo press	Year: 1992 SN: R0-80/4700 Impressions: na Excellent condition Available: direct from stock	Modern 5-colour flexo machine with a digital tip touch operating panel (also accessible from each printing unit), a standard unwind, web splice, web- and tension guide, 5 flexo print units (coating possibility on the 5 th unit), 5x hot-air dryers on all units and 1 UV dryer on the 5 th unit, web turn cross bar after 2 nd printing unit, 3x rotary die cutter units, matrix rewind, perforating unit, standard rewind, Tecsan Webwatcher video inspection control and a perforating- and sheeter unit. Many printing cylinders, Anilox rollers, magnetic die cutting rollers, tools and manuals. Max. webwidth: 280 mms Speed: 120 m/min.	€ 63.500
	Screen Truepress TP-344N Four-colour digital offset press	Year: 2007 SN: 2007/7 Impressions: 13.5 mio Excellent condition Available: direct from stock	Modern 4-colour portrait-scape digital offset machine with a fully automated integrated processless thermal CTP system (2400 DPI – 300 LPI and stochastic raster) on both towers and full automated plate change system, full automated paper size change format, automatic ink key control, alcolour dampening and Technotrans mixer/cooler, blanket-, ink roller- and dampening roller wash, universal tack feeder. With RIP, network connection, software. Min. size: 90x148 mms (suitable for envelope printing) Max. size: 340x470 mms Paperweight: 0.04 – 0.4 mms Speed: 2.500 – 7.000 sh/hr.	€ 55.000
2-colour offset machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Sakurai Oliver 252EPII Two-colour offset machine	Year: 1996 SN: HB406296 Impressions: 43 mio Excellent condition Available: direct from stock	Modern 2-colour land-scape offset machine, plus version with interactive touch screen operation, chain delivery, tack feeder, anti-static device, semi-automatic plate change, alcolour dampening with recirculation cooler/mixer, full automatic perfector for 2/0 or 1/1 printing mode, low pile delivery, powder spray, ink roller wash Min. size: 100x 148 mms Max. size: 520 x 360 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.	€ 12.750

	<p>Hamada C248E Two-colour offset machine</p> <p>Year: 2003 SN: CTQ-8JO66</p> <p>Impressions: only 9.9 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour land-scape offset machine with chain delivery, tack feeder, conventional dampening, low pile delivery, ink roller wash, small size printing device</p> <p>Min. size: 90 x 140 mms Max. size: 365 x 480 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh hr.</p>	€ 5.750
	<p>Ryobi 3302M Two-colour offset machine</p> <p>Year: 1991 (delivered 1992) SN: 4575</p> <p>Impressions: 15 mio Excellent condition Available: January 2016</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, Kompac Varn dampening and powder spray. Manual and spare part books (English).</p> <p>Min. size: 90 x 100 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 5.250
	<p>Ryobi 3302 Two-colour offset machine</p> <p>Year: 1991 (delivered 1993) SN: 4590</p> <p>Impressions: 15 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, Kompac Varn II dampening and powder spray. Manual and spare part books (English).</p> <p>Min. size: 90 x 100 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 5.250
	<p>Ryobi 3302M Two-colour offset machine</p> <p>Year: 1987 SN: 1316</p> <p>Impressions: 8 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, Kompac Varn II dampening and powder spray. Manual and spare part books (English).</p> <p>Min. size: 90 x 130 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 4.950
	<p>Hamada 234M Two-colour offset machine</p> <p>Year: 1998 SN: unknown</p> <p>Impressions: na Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, quick plate change system, conventional molleton dampening and powder spray. Manual and spare part books (English). Machine has new rollers.</p> <p>Min. size: 90 x 140 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 4.350

	<p>Hamada 234K Two-colour offset machine</p> <p>Year: 2002 SN: unknown</p> <p>Impressions: 3 mio Excellent condition (like new) Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, quick plate change system, Kompac Varn III dampening and powder spray. Manual and spare part books (English).</p> <p>Min. size: 90 x 140 mms Max. size: 340 x 450 mms Paperweight: 0.04 – 0.3 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 5.100
	<p>Heidelberg Printmaster 46-2 Two-colour offset machine</p> <p>Year: 2001 SN: 963997</p> <p>Impressions: 16 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, laser-cut inktrays, automatic plate-change system, integrated DDS dampening and powder spray.</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mms Speed: 3.500 – 10.000 sh/hr.</p>	€ 5.650
	<p>Heidelberg Printmaster 46-2 Two-colour offset machine</p> <p>Year: 1999 SN: 962197</p> <p>Impressions: only 8 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, laser-cut inktrays, automatic plate-change system, integrated DDS dampening and powder spray.</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mms Speed: 3.500 – 10.000 sh/hr.</p>	€ 4.650
	<p>Heidelberg Quickmaster 46-2 Two-colour offset machine</p> <p>Year: 1999 SN: 960953</p> <p>Impressions: 29 mio Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, laser-cut inktrays, automatic plate-change system, integrated DDS dampening and powder spray. Machine has new rollers</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mms Speed: 3.500 – 10.000 sh/hr.</p>	€ 4.250
	<p>Heidelberg Quickmaster 46-2 NP Two-colour offset machine</p> <p>Year: 1997 SN: 957188</p> <p>Impressions: 14 mio Good condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with a NP unit (including 2 numbering blocks), chain delivery, universal tack feeder, digital tip touch operating console, automatic plate-change system, integrated DDS dampening and powder spray. Machine has new rollers</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mms Speed: 3.500 – 10.000 sh/hr.</p>	€ 4.450

	<p>Heidelberg Quickmaster 46-2</p> <p>Two-colour offset machine</p>	<p>Year: 1997 SN: 957880</p> <p>Impressions: 31 mio</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, automatic plate-change system, integrated DDS dampening and powder spray. Machine has new rollers</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mmms Speed: 3.500 – 10.000 sh/hr.</p>	€ 3.950
	<p>Heidelberg Quickmaster 46-2</p> <p>Two-colour offset machine</p>	<p>Year: 1997 SN: 958634</p> <p>Impressions: 13 mio</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, automatic plate-change system, integrated DDS dampening and powder spray. Machine has new rollers</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mmms Speed: 3.500 – 10.000 sh/hr.</p>	€ 3.650
	<p>Heidelberg Quickmaster 46-2</p> <p>Two-colour offset machine</p>	<p>Year: 1996 SN: 956197</p> <p>Impressions: 13 mio</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, automatic plate-change system, integrated DDS dampening and powder spray. Machine has new rollers</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mmms Speed: 3.500 – 10.000 sh/hr.</p>	€ 3.250
	<p>Heidelberg Quickmaster 46-2</p> <p>Two-colour offset machine</p>	<p>Year: 1997 SN: 957900</p> <p>Impressions: 12 mio</p> <p>Good condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with chain delivery, universal tack feeder, digital tip touch operating console, automatic plate-change system, integrated DDS dampening and powder spray.</p> <p>Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mmms Speed: 3.500 – 10.000 sh/hr.</p>	€ 3.450
	<p>Hamada 662CD</p> <p>Two-colour offset machine</p>	<p>Year: 1997 SN: HVC-1E014</p> <p>Impressions: na</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 2-colour portrait-scape offset machine with digital operation, programming on machine. Chain delivery, quick clamp plate-change system, universal tack feeder, molleton dampening and powder spray.</p> <p>Min. size: 90 x 140 mms Max. size: 297 x 432 mms Paperweight: 25 – 220 gsm Speed: 3.000 – 12.000 sh/hr.</p>	€ 1.950

	AB Dick 9810 XCS Two-colour offset machine Ref.	Year: 1993 SN: 12061 Impressions: na Excellent condition Available: direct from stock	Modern 2-colour portrait-scape offset machine with simple operation on machine. Chain delivery, quick clamp plate-change system, universal tack feeder, Kompac Varn dampening and Powdair 3 powder spray. Min. size: 76 x 127 mms Max. size: 343 x 451 mms Paperweight: 0.04 – 0.3 mm Speed: 1.000 – 10.000 sh hr.	€ 1.050
2-colour envelope machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Halm Jet Press JP-TWOD-P Two-colour offset machine	Year: 2003 SN: 1617RC Impressions: na Excellent condition Available: direct from stock	High speed 3" 2-colour printing press for envelopes, rotating vacuum suction feeder, quick plate change system, Baldwin alcohol dampening with cooler/mixer, perfector for 2/0 and 1/1 printing mode, powder spray and extra-long delivery belt. Also coming with an independent driven packing- or feeder roller line (U-form). Min. size: 82 x 108 mms Max. size: 230 x 305 mms Paperweight: 0.04 – 0.4 mm Speed: 3.000 – 60.000 sh/hr.	€ 14.850
	Whitacre Superspeed P7-13 Two-colour offset machine	Year: 1991 SN: 139-91 Impressions: na Excellent condition Available: direct from stock	High speed 2-colour printing press for envelopes, paper bags, brochures, covers, tabs, cardboard etc., quick plate change system, perfector for 2/0 and 1/1 printing mode, Baldwin alcohol dampening with cooler/mixer, powder spray and long delivery belt. Coming with plate-punch and plate-bender. Min. size: 180 x 180 mms Max. size: 430 x 510 mms Speed: 3.000 – 80.000 sh/hr.	€ 11.850
1-colour offset machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Heidelberg KORD 62+ NP One-colour offset machine	Year: 1966 SN: 323462 Impressions: na Excellent condition Available: direct from stock	Conventional 1-colour land-scape offset machine with chain delivery, standard version, conventional dampening, universal tack feeder, powder spray and numbering- and perforating unit. Including: spare rollers and perforating plates. Min. size: 140 x 180 mms Max. size: 460 x 620 mms Paperweight: 0.04 – 0.4 mm Speed: 3.000 – 6.000 sh/hr.	€ 9.250

	<p>Sakurai Oliver 52E</p> <p>One-colour offset machine</p>	<p>Year: 1993 SN: FJ151093</p> <p>Impressions: na</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, small size stream feeder, conventional dampening and powder spray. Manuals and parts book.</p> <p>Min. size: 100 x 147 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 12.000 sh/hr.</p>	€ 6.500
	<p>Shinohara Fuji 52</p> <p>One-colour offset machine</p>	<p>Year: 1996 SN: 0841496</p> <p>Impressions: na</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, small size stream feeder, conventional dampening and powder spray. Manuals and parts book.</p> <p>Min. size: 100 x 147 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 12.000 sh/hr.</p>	€ 5.500
	<p>Hamada Alpha 52+ NP</p> <p>One-colour offset machine</p>	<p>Year: 1993 SN: GA-00201</p> <p>Impressions: na</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, stream feeder, conventional dampening (including integrated mixer/cooling) and powder spray. Including NP unit. Manuals and parts book.</p> <p>Min. size: 257 x 182 mms Max. size: 360 x 520 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 7.500
	<p>Hamada C48</p> <p>One-colour offset machine</p>	<p>Year: 1995 SN: CSQ50005</p> <p>Impressions: 12 mio imps.</p> <p>Excellent condition Available: direct from stock</p>	<p>Modern 1-colour land-scape offset machine with chain delivery, quick plate change system, universal tack feeder, conventional dampening, digital control panel and powder spray. Including plate punch.</p> <p>Min. size: 140 x 100 mms Max. size: 365 x 480 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 10.000 sh/hr.</p>	€ 3.850
	<p>Heidelberg GTO 46+</p> <p>One-colour offset machine</p>	<p>Year: 1974 SN: 652768</p> <p>Impressions: na</p> <p>Good condition Available: direct from stock</p>	<p>Modern 1-colour land-scape offset machine, plus version with chain delivery, quick plate change system, universal tack feeder, Kompac Varn III dampening, operating panel on the machine and powder spray.</p> <p>Min. size: 140 x 180 mms Max. size: 320 x 460 mms Paperweight: 0.04 – 0.4 mms Speed: 3.000 – 8.000 sh/hr.</p>	€ 6.250

	Heidelberg Quickmaster 46-1 One-colour offset machine	Year: 1996 SN: 956110 Impressions: 22 mio Excellent condition Available: direct from stock	Modern 1-colour portrait-scape offset machine with chain delivery, universal tack feeder with digital tip touch operating console, automatic plate change system, integrated DDS dampening and powder spray. Min. size: 89 x 140 mms Max. size: 460 x 340 mms Paperweight: 0.04 – 0.3 mms Speed: 3.500 – 10.000 sh/hr.	€ 3.500
	Gestetner 329FD One-colour offset machine	Year: unknown SN: unknown Impressions: na Good condition Available: direct from stock	Simple table top 1-colour portrait-scape offset machine with standard delivery, universal tack feeder, integrated dampening and powder spray. Min. size: 100x148 mms Max. size: 254x381 mms Speed: unknown sh/hr.	€ 450
Digital printing machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	HP Indigo E-Print Pro+ Four-colour digital printer	Year: 2000 SN: 5154 Impressions: 13 mio Excellent condition Available: direct from stock	Modern 4-colour portrait-scape digital printer with possibility for variable data printing, universal tack feeder and 1/1 recto/verso (duplex) printing in one run. With RIP and work platform suitable for networks. Coming with many consumables, inks, pips etc. Including original software. Min. size: 175x155 mms Max. size: 320x464 mms Paperweight: 0.04 – 0.4 mms Speed: 1.000 – 4.000 sh/hr.	€ 6.500
	Oki C9800 Full colour printer	Year: 2006 SN: N31200B Impressions: na Good condition Available: direct from stock	Modern fully automatic printer for fast and high quality production (1200x1200 DPI and 256 graditions in halftone) with automatic toner density control. Can be connected into a network. Touch screen operating panel. Min. size: DIN A6 Max. size: DIN A3 Paperweight: 64-216 gsm Speed: 19-40 sh/min.	€ 150

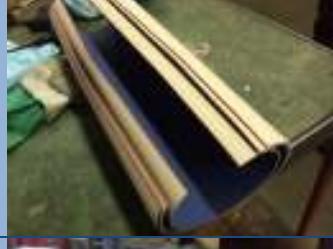

Sign and screen machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Epson Stylus Pro 7880 Eight channel photo printer	Year: 2008 SN: JYU0005906 Impressions: only 8.000 imps Excellent condition (like new) Available: direct from stock	Modern fully automatic large size photo inkjet printer with 8 channels, 8 colour cartridges, paper sheet insert, auto load sheet feeder and can also run on rolls of paper. Suitable for photo materials. Including papercutter. Resolution: 2400 x 1200 DPI. CD with all drivers and software. Roll max. size: 610 mms paperwidth Paper max. size: 610 mms paperwidth Max. thickness: up to 1.5 mms	€ 1.250
	LaserMaster DM1000 Four colour printer / plotter	Year: na SN: 8501660 Impressions: na Good condition Available: direct from stock	Modern fully automatic large size thermic A0 size inkjet printer / plotter, 4 colour cartridges, runs on rolls of paper (matte and glossy). Including ColorMark Docking Station for calibrated ink profiles. Suitable for film and all papermaterials to print posters or displays. Resolution: 800 DPI. Ink cartridges are HP compatible. Roll min. size: 203x254 mms Roll max. width: 920 mms	€ 450
	Canon iPF 700 Imageprograf Six colour printer / plotter	Year: 2010 SN: ADB06152 Impressions: only 3.900 m2 Excellent condition Available: direct from stock	Modern fully automatic large size thermic A0 size inkjet printer / plotter with 2 printing heads, 6 colour cartridges, paper drawer, manual sheet feeder and can also run on rolls of paper. Suitable for film and all papermaterials. Resolution: 2400 x 1200 DPI. CD with all drivers and software. Roll min. size: 203x254 mms Roll max. size: 910x18.000 mms Paper cassette min. size: 203x203 mms Paper cassette max. size: 910x16.000 mms	€ 950
	OCE/Canon CS2344 Six colour printer / plotter	Year: 2009 SN: 2344/00251 Impressions: only 3.900 m2 Excellent condition (like new) Available: direct from stock	Modern fully automatic large size thermic A0 size inkjet printer / plotter with 2 printing heads, 6 colour cartridges, paper drawer, manual sheet feeder and can also run on rolls of paper. Suitable for film materials. Resolution: 2400 x 1200 DPI. CD with all drivers and software. Roll min. size: 203x254 mms Roll max. size: 1120x18.000 mms Paper cassette min. size: 203x203 mms Paper cassette max. size: 1120x16.000 mms	€ 1.950

	Tampoflex T75-100 One-colour pad printing press	Year: 1990 SN: unknown Impressions: na Good condition Available: direct from stock	Semi-automatic tampon pad printing machine with pneumatic electronic operation that guarantees excellent printing uniformity and independent pressure regulation on parts and cliché. Foot pedal. The machine can be used for printing all kinds and irregular shapes of promotional items, textiles, cosmetic items, sports, medicals, automotive, electronics, packaging etc. 75 x 100 mm size Speed: 2.000 cycles/hr.	€ 2.250
	Nix N-800 Heat seal machine	Year: na SN: 800-3544A Impressions: na Excellent condition Available: direct from stock	Heat press for transfer of paper-printed images and fixation of direct to textile prints for advertising, exhibition displays, banners and flags, towels, bedding products, sportswear, T-shirts and anything else that would benefit from high-resolution textile substrates. Manual heat seal machine with temperature controlled operation, a timer and an anti-stick Teflon heat plate that guarantees excellent heat transfer uniformity and independent pressure regulation on parts and cliché. The machine can be used for printing all kinds of promotional items, on eg. textiles and due to the clamp shell construction is very easy to access with garments and transfers Max. size: 510 x 410 mms	€ 750
	Insta 221 Heat seal machine	Year: 2010 SN: 40102 Impressions: na Excellent condition (like new) Available: direct from stock	Heat press for transfer of paper-printed images and fixation of direct to textile prints for advertising, exhibition displays, banners and flags, towels, bedding products, sportswear, T-shirts and anything else that would benefit from high-resolution textile substrates. Air pressure operated heat seal machine with temperature controlled operation, a timer and an anti-stick Teflon heat plate that guarantees excellent heat transfer uniformity and air operated independent pressure regulation on parts and cliché. The machine can be used for printing all kinds of promotional items, on eg. textiles and due to the swing-away construction is very easy to access with garments and transfers Max. size: 500 x 380 mms	€ 950
	Calortrans CT-120 Cutter / plotter	Year: 2013 SN: 0860009313 Impressions: na Excellent condition Available: direct from stock	Professional floor model cutter-plotter for vinyl sign production. Carbide cutting knife. Connection to PC (usb and serial), cable and spare knives. Min./max. width: 50 – 1200 mms Max. length: 25.000 mms Speed: 10 – 200 mms/sec.	€ 1.150
	Roland PNC-900 Camm-1 Cutter / plotter	Year: 2005 SN: ZH64059 Impressions: na Excellent condition Available: direct from stock	Professional table model cutter-plotter for vinyl sign production. Carbide cutting knife (plotter pen mode possible). Connection to PC (parallel and serial), cable, dongle, software with driver and SignMate software. Min./max. width: 50 – 305 mms Max. length: 25.000 mms Speed: 10 – 200 mms/sec.	€ 750

	Kaixuan KX757 516M2-35 Overlock sewing machine	Year: 2007 SN: 0708055 Good condition Available: direct from stock	Professional industrial table model 2 needle and 5 thread overlock sewing machine. Speed up to 7.500 spm.	€ 650
	Toyota Expert AD860 Embroidery machine	Year: 2009 SN: S186 4A Excellent condition Available: direct from stock	Professional industrial table model 12 needle and 12 thread embroidery machine. Automatic thread trimming, sensor control, counter, pattern repeat, pattern trace etc. Including LCD programming unit and cap holders. Speed 150 – 1.200 spm Stitching area: 460 x 300 mms Memory capacity: 100.000 stitches (up to 99 patterns)	€ 5.450
Numbering machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Socbox SNS 4000 Micromatic Numbering stamp machine	Year: unknown SN: HG.01318 Impressions: na Good condition Available: direct from stock	Automatic table model numbering machine (6 digits) with 2 numbering heads, inkpads, friction feed register board, delivery and automatic electronic start with insert. Foot pedal operation. Max. papersize: 381 x 508 mms Min. papersize: 70 x 114 mms Paperweight: 60 – 480 gsm	€ 1.450
	Socbox SNS 4000 Micromatic Numbering stamp machine	Year: unknown SN: GM.6695 Impressions: na Good condition Available: direct from stock	Automatic table model numbering machine (6 digits) with 1 numbering head, inkpads, friction feed register board, delivery and automatic electronic start with insert. Max. papersize: 381 x 508 mms Min. papersize: 70 x 114 mms Paperweight: 60 – 480 gsm	€ 650
	Reiner 360-388 Numbering stamp machine	Year: unknown SN: unknown Impressions: na Good condition Available: direct from stock	Manual table model numbering machine (6 digits) with inepad, adjustable height and register board and automatic electronic start with insert.	€ 450

Washing equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Baldwin Jimek SC Washing device	Year: 2004 SN: 150-2628 Excellent condition Available: direct from stock	Stainless steel automatic washing station with pump and circulation system for multi-colour offset machines. This machine was shortly used for washing the Baldwin Jimek ink- and dampening roller systems of a newspaper rotation press. All safeties, filter system, temperature control, timers etc.	€ 1.950
	Degra Fra-560 Roller wash system	Year: 1989 SN: 5601010189 Good condition Available: direct from stock	Roller wash system for washing conventional molleton dampening rollers of offset machines. Including filters for filtering waste, integrated high pressure water pump and sprayer. Max. roller length: 85 cms	€ 850
	Universal Roller wash system	Year: 1998 SN: unknown Excellent condition Available: direct from stock	Stainless steel roller wash system for washing conventional molleton dampening rollers of offset machines. Including filters for filtering waste. Max. roller length: 85 cms	€ 450
	Stamm FWR-1000 Roller wash system (we have 2 pieces available)	Year: na SN: na Excellent condition Available: direct from stock	Roller wash system for washing conventional molleton dampening rollers of offset machines. Including filters for filtering waste, integrated high pressure water pump and sprayer. Max. roller length: 75 cms	€ 750

	Tin can waste press	Year: unknown SN: unknown Good condition Available: direct from stock	Pneumatic press to waste and flatten empty ink cans. An ink can is flattened to less than 0.5 cms. All safeties and operation with foot pedal.	€ 450
Powder spray equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Rietschle Powderspray	Year : unknown SN: 008886 Excellent condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi, Quickmaster, GTO. Can be mounted on existing system in delivery.	€ 200
	Universal Powderspray	Year: unknown SN: unknown Excellent condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi, Quickmaster, GTO. With expansion tank. Can be mounted on existing system in delivery or with its own spray nozzle inside the delivery. Stand-alone version.	€ 200
	Universal Powderspray	Year: unknown SN: unknown Good condition Available: direct from stock	Powder spray unit for small offset machines like Gestetner, Rotaprint, AB Dick, Ryobi. Can be mounted on existing system in delivery or with its own spray nozzle inside the delivery. Stand-alone version.	€ 200
Miscelaneous printing equipment	Machine/type	Year/condition/available	Description/options	Price in Euros

	Flint and K&E inks offset printing inks	Year: new SN: na Excellent condition Available: direct from stock	43 tins of new offset printing inks (Flint and K&E). Packed in 1 kg packages. Only in one deal	€ 200
	Kasuga Denki AD-2 Tapemarker	Year: unknown SN: 8209026 Good condition Available: direct from stock	Taperinserter unit for small offset machines like Sakurai, Fuji, Shinohara, Gestetner, Rotaprint, AB Dick, Ryobi. Stand-alone version.	€ 500
	Heidelberg Printmaster 46 – Quickmaster 46 Distributor roller	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	1 complete distributor roller (including gear and bearing) for Printmaster 46 and Quickmaster 46	€ 350
	Heidelberg TOK Rubber blankets	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	3 pieces blankets for Heidelberg TOK and TOM. Blanket size: 265x408x1.95 mm	€ 25
	Heidelberg Printmaster 52 & GTO 52 Rubber blankets	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	6 pieces blankets for Heidelberg Printmaster 52, GTO 52. Including aluminium list. Blanket size: 518x450x1.95 mm	€ 100

	Heidelberg Fuji 52 & Shinohara 52 Rubber blankets	Year: unknown SN: unknown New condition (never used and in original packing). Available: direct from stock	7 pieces blankets for Fuji 52 & Shinohara 52. Including aluminium list. Blanket size: 518x510x1.95 mm	€ 100
	Heidelberg GTO 52 Set of inkrollers	Year: unknown SN: unknown Used condition Available: direct from stock	4 complete sets used ink roller for GTO 52	€ 900
	Heidelberg KORD 64 Set of waterrollers	Year: unknown SN: unknown New condition Available: direct from stock	1 complete set of newly covered water roller (3 pieces) and 1 ink roller for KORD 64	€ 200
	Heidelberg GTO 52 Numbering unit	Year: unknown SN: unknown Good condition Available: direct from stock	NP unit for GTO 52, including tools and 2 numbering blocks (7 digits and count down).	€ 1.500
	Heidelberg GTO 52 Perforation arm	Year: unknown SN: unknown Good condition Available: direct from stock	Short perforation arm for GTO 52, including 2 wheels.	€ 300

	Leibinger & Zeiser Prefix Numbering unit	Year: unknown SN: unknown Excellent condition Available: direct from stock	Numbering blocks (7 digits, 5 digits for random and count down). Only sold per set of 8 pieces. 1 pieces, 7 digits, forward counting 1 piece, 5 digit, random numbering for lottery tickets 3 pieces, 7 digits, backwards counting.	€ 300
Envelope printing equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Stenz 270 envelope feeder	Year: 1999 SN: 20995592 Excellent condition Available: direct from stock	Automatic envelope feeder with vacuum suction system, designed to feed envelopes to all machines with a stream- or tack feeding system (Heidelberg SM, GTO, QM or PM, Sakurai, Ryobi, Shinohara etc.). Adjustable vacuum, adjustable in height, inclination, push guides, and a sensor at feeder end for automatic speed adjustment. All on wheels for easy installation in front of the printing press or storage elsewhere. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 33 x 27 cm	€ 1.750
	Wahli TM531 & 537 envelope feeder	Year: 1996 SN: 096-1189 Excellent condition Available: direct from stock	Automatic envelope feeder with vacuum suction system, designed to feed envelopes to all machines with a stream- or tack feeding system (Heidelberg SM, GTO, QM or PM, Sakurai, Ryobi, Shinohara etc.). Adjustable vacuum, adjustable in height between 64 – 104 cms, inclination, push guides, and a sensor at feeder end for automatic speed adjustment. Also with a Wahli 537 delivery (adjustable in height). All on wheels for easy installation in front of the printing press or storage elsewhere. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 36 x 42 cm	€ 2.850
	Wahli K528 envelope feeder	Year: 1994 SN: 094-5527 Excellent condition Available: direct from stock	Automatic envelope feeder with vacuum push system, designed to feed envelopes to all machines with tack feeding system (Heidelberg GTO, QM or PM). Adjustable vacuum, inclination, height, push guides, and a sensor at feeder end for automatic speed adjustment. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 39 x 40 cm	€ 1.850

	<p>Wahli K527 envelope feeder</p>	<p>Year: 1995 SN: 095-5615</p> <p>Excellent condition Available: direct from stock</p>	<p>Automatic envelope feeder with vacuum push system, designed to feed envelopes to all machines with tack feeding system (Heidelberg GTO, QM or PM). Adjustable vacuum, height, inclination, push guides, and a sensor at feeder end for automatic speed adjustment.</p> <p>Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 39 x 40 cm</p>	€ 1.950
	<p>Astro 2000 envelope feeder</p>	<p>Year: 2005 SN: 4677</p> <p>Excellent condition Available: direct from stock</p>	<p>Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, height, inclination, push guides, 4 sucker feet and a sensor at feeder end for automatic speed adjustment. (= Astro AMC-2000 feeder under AB Dick label)</p> <p>Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 41.3 cm</p>	€ 950
	<p>AB Dick 1200 envelope feeder</p>	<p>Year: SN:</p> <p>Good condition Available: direct from stock</p>	<p>Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, height, inclination, push guides, 4 sucker feet and a sensor at feeder end for automatic speed adjustment. (= Astro AMC-2000feeder under AB Dick label)</p> <p>Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 41.3 cm</p>	€ 500
	<p>Schneider 184-103 envelope feeder</p>	<p>Year: 1998 SN: 618</p> <p>Good condition Available: direct from stock</p>	<p>Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, inclination, height, push guides, 10 sucker feet and a sensor at feeder end for automatic speed adjustment.</p> <p>Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 37 cm</p>	€ 500
	<p>Schneider 184-103 envelope feeder</p>	<p>Year: 1999 SN: 668</p> <p>Good condition Available: January 2016</p>	<p>Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, inclination, height, push guides, 10 sucker feet and a sensor at feeder end for automatic speed adjustment.</p> <p>Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 37 cm</p>	€ 550

	Schneider F50 envelope feeder	Year: 1998 SN: C-584 Fair condition (machine needs maintenance) Available: direct from stock	Universal and automatic envelope feeder, designed to feed envelopes to all machines with tack feeding system (AB Dick, Ryobi, Gestetner, Heidelberg GTO, QM or PM, Multilith and Hamada). Adjustable vacuum, height, inclination, push guides, 10 sucker feet and a sensor at feeder end for automatic speed adjustment. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 27.9 x 37 cm	€ 500
	Unilith T-100 envelope feeder	Year: 1990 SN: unknown Good condition Available: direct from stock	Automatic envelope feeder, designed to feed envelopes to Heidelberg GTO machines. Adjustable vacuum. The unit is placed onto the feeder board of GTO 46 or GTO 52 and can be used from there. Min. envelope size: 7.6 x 12.7 cm Max. envelope size: 22.7 x 30.3 cm	€ 300
	Just Feed envelope feeder	Excellent condition Available: direct from stock	Luxury envelope feeder system consisting of 4 adjustable platforms, specially designed to feed envelopes to all kind of offset machines. Including original packaging.	€ 175
	Just Feed envelope feeder	Excellent condition Available: direct from stock	Envelope feeder system consisting of 3 platforms, specially designed to feed envelopes to all kind of offset machines. Including original packaging.	€ 150
	Wahli Tape conveyor envelope delivery	Excellent condition Available: direct from stock Year: 1990 SN: 90-2107	Professional envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 350 x 900 mms	€ 450

	Alpha Engineering RCV envelope delivery	Excellent condition Available: direct from stock Year: 2001 (delivered 2002) SN: 1010	Stainless steel envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 350 x 900 mms	€ 450
	Schneider 482-102 envelope delivery	Excellent condition Available: direct from stock Year: na SN: 611	Envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 270 x 850 mms	€ 350
	Sofrapli REL envelope delivery	Excellent condition Available: direct from stock Year: na SN: 9500/ZRE	Envelope delivery system, specially designed to receive envelopes from all brands and types of offset machines. Speed adjustable. Height adjustable. Size: 270 x 850 mms	€ 350
Densitometers	Machine/type	Year/condition/available	Description/options	Price in Euros
	FAG Vipcam 122 Plate reader	Year: 2008 SN: 3121 Excellent condition Available: direct from stock	Densitometer (hand model) for B/W density and dot measurement of films, standard plates, ctp plates. Battery operated (30.000 measurements with 1 set of 2 AA batteries). Including link- and software for coupling to a PC, and a protective box.	€ 650

	FAG Vipdens C2 Densitometing device	Year: 2009 SN: 2678 Exellent condition Available: direct from stock	Densitometer (handheld) for colour- & density measurement and dot measurement. Battery operated (30.000 measurements with 1 set of 2 AA batteries). Including a protective box.	€ 350
	Gretag D142-3 Densitometing device	Year: unknown SN: 3242-13932 Fair condition Available: direct from stock	Densitometer (handheld) for colour- & density measurement.	€ 150
	Gretag D152 Densitometing device	Year: unknown SN: 3248-11210 Fair condition Available: direct from stock	Densitometer (handheld) for colour- & density measurement.	€ 150
	Shamrock Densi 200P Densitometing device	Year: 2001 SN: 0089 Excellent condition Available: direct from stock	Very compact densitometer (handheld) for colour- & density measurement. Coming with loader and in protection suitcase.	€ 250
	MacBeth RD915 Densitometing device	Year: unknown SN: 1150A unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50

	MacBeth RD512 Densitometing device	Year: unknown SN: 1090 Unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50
	MacBeth RD514 Densitometing device	Year: unknown SN: 5258C Unknown condition Available: direct from stock	Table model densitometer with separate handheld unit for colour- & density measurement.	€ 50
	MacBeth TD931 Densitometing device for film	Year: unknown SN: 4482A Exellent condition Available: direct from stock	Densitometer (table model) for B/W density measurement of films.	€ 150
Platemaking machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Screen PlateRite Micra CTP OLP CTP	Year: 2003 SN: PF-R3051Vi-28 Number of plates: 114.000 Excellent condition Available: direct from stock	CTP (1200 – 2400 DPI), 405 nm violet laser diode (5 mW) for press-ready plate materials with cassette loader system (including 1 cassette) and self-replenishing Glunz & Jensen P-Eco 640 plate processor (inline) with stacker delivery, including: inline 425 Bacher plate punch, dongle, PC, original RIP software (vs. 7.2), cd's and all updates. This machine combines with all 2 up printing press equipment. But also with portrait-scape small size printing machinery Min. size: 250x330 mms Max. size: 516x580 mms Speed: 23 plates/hour	€ 5.450

	Screen PlateRite Micra CTP OLP CTP	Year: 2003 (delivered 2006) SN: PF-R3051VI-73 Number of plates: Excellent condition Available: direct from stock	CTP (1200 – 2400 DPI), 405 nm violet laser diode (5 mW) for press-ready plate materials with cassette loader system (including 2 cassettes) and self-replenishing Glunz & Jensen Raptor MP68 plate processor (inline) with R-70 stacker delivery, including: inline 425 Bacher plate punch, <u>no</u> dongle, PC, original HQ RIP software, cd's and all updates. This machine combines with all 2 up printing press equipment. But also with portrait-scape small size printing machinery Min. size: 250x330 mms Max. size: 516x580 mms Speed: 23 plates/hour	€ 4.450
	AB Dick DPM 2340 CTP	Year: 2000 SN: 46-431 Excellent condition Available: direct from stock	CTP (900 – 3600 DPI), 675 nm red laser diode (10 mW) for film and/or press-ready polyester plate materials, including PC, monitor, keyboard, RIP software, and self-replenishing plate processor (inline). This machine combines with all portrait scape offset machines like Hamada, Ryobi, Adast, Heidelberg QM, etc. Min. size: 229x305 mms Max. size: 340x508 mms Speed: 28 – 38 plates/hour (in 17 steps)	€ 1.050
	Mitsubishi DPM 2000CPS CTP	Year: 2000 SN: 22826 Excellent condition Available: direct from stock	CTP (900 – 1200 DPI) with network connection and its own scanner (up to 1200 DPI), 670 nm red laser for film and/or press-ready polyester plate materials, including RIP software, updates, and self-replenishing plate processor (inline). This machine combines with Heidelberg GTO or SM 52, Hamada 52, Ryobi 520 etc. Min. size: 229x305 mms Max. size: 419x551 mms	€ 950
	Kimoto Kimosetter 410 CTP CTP printer	Year: 2010 SN: A16C35C0018H Excellent condition Available: direct from stock	Simple and easy to use desktop CTP (1200x600 DPI) for printing the image, text, half tones directly on to the non-sensitive polyester offset plates. Direct ready to print and can be used in any dampening system (even non-chemical or non-alcohol). Automatic plate feed for 10 plates. Suitable for all Mac and Microsoft operating systems with an USB connection. This machine combines with Heidelberg GTO 46, Printmaster 46, Quickmaster 46, Hamada, Ryobi etc. Min. plate size: 98x98 mms Max. plate size: 410x510 mms	€ 1.450
	Mitsubishi CP-414S Direct plate maker	Year: unknown SN: 89080-40329 Fair condition Available: direct from stock	Direct plate maker for Mitsubishi Silvermaster or Agfa Supermaster polyester plate materials Min. size: 229x220 mms Max. size: 414x550 mms This machines combines with Heidelberg TOK, GTO, Hamada 52, Ryobi 520 etc. But also with all kinds of portrait scape offset machinery.	€ 750

	Ovit One TH-85 plate cleaner Rinse- and gum unit	Year: 2009 SN: 07609 Number of plates: only 7.800 Excellent condition Available: direct from stock	Online- plate processor for rinsing and gumming CTP plates up to 85 cms width with a digital operation panel for all functions (speed, temperature, replenishment, brush speed, counter and dryer). Including bridge – conveyor from CTP installation with sensor start/control, automatic replenishment, temperature control. Plates are gummed (also with a recirculation system) before delivered to the MPS stacker delivery. Max. plate width: 85 cms	€ 2.550
	Presstek Egraf - Florence 2-85 Rinse unit	Year: 2003 SN: 3465/03 Number of plates: na Excellent condition Available: direct from stock	Manual and offline plate washer for rinsing and washing CTP plates with water up to 85 cms width before they are delivered to the standard delivery. Including air dryers (adjustable in flow and temperature). Automatic start, adjustable speed, adjusting brushing speed for more or less intense cleaning and all process is sensor controlled. Min. plate length: 35 cms Max. plate width: 85 cms Speed: 20 – 80 cms/min.	€ 1.450
	Burgess Industries Presstek Anthem Water Washer Rinse unit	Year: 2001 SN: 0501 Number of plates: na Excellent condition Available: direct from stock	Manual and offline plate processor for rinsing and washing CTP plates with water up to 65 cms width before they are delivered to the standard delivery. Automatic start and all sensor controlled. Max. plate width: 65 cms	€ 850
	Bartal-Tech Ltd. Lotem 400 conveyor Online bridge	Year: 2008 SN: 903 Excellent condition Available: direct from stock	Online plate bridge for online use between a Lotem 400 CTP and an online plate processor or plate washer with data connector for start/control. Max. plate width: 78 cms	€ 850
	Glunz & Jenzen C5 platestacker Automatic plate stacker	Year: 2010 SN: 100858 VX Excellent condition Available: direct from stock	Online fast working plate stacker with sensors for start/control. Can be placed behind any brand, type or size CTP line for stacking the plates onto a retractable trolley. Works independently from any (high performance) processor and will start automatically when the processed plate passes the sensor. The conveyor is driven to ensure complete removal of the plate prior to stacking. The speed is adjustable. Up to 75 - 100 plates will be stacked vertically on a retractable trolley that is on wheels for easy transport of the plates to the printing press. Max. plate width: 85 cms Max. plate length: 125 cms	€ 925

	PAT Technologies PAT-506id Filter system	Year: 2003 SN: 506-0573 Excellent condition Available: direct from stock	Purifying and filter system with complete package filter set. Can be used to clean areas that use optics that are influenced by dust etc. This system protects the inner works of CTP and imagesetters. It also has a cooling effect via the airflow. Network communication port for online use with ctp or imagesetting systems. Warning signal for replacement of filter set.	€ 850
	Quattro Air AMS-300EP Filter system	Year: 2003 SN: 8313 Good condition Available: direct from stock	Purifying and filter system. Can be used to clean areas that use optics that are influenced by dust etc. This system protects the inner works of CTP and imagesetters. It also has a cooling effect via the airflow. Network communication port for online use with ctp or imagesetting systems. Warning signal for replacement of filter set. 480 M3/hr	€ 350
Imagesetting machinery				
	Agfa Phoenix 2250 OLP Imagesetter OLP	Year: 2001 SN: 866 Excellent condition Available: direct from stock	Imagesetter (1200 – 3000 DPI) with Agfaline 20 OLP online processor. Visible red laser diode (635 nm). For red sensitive film. Including: filmpunch, Agfa RIP software (including original CD's, updates etc.) installed on PC, dongle. Also coming with an extra SCSI card and many spares. Max. format size: 572 x 746 Max. imaging size: 549 x 746 mm imaging area	€ 5.750
	Scantext Othello Imagesetter	Year: 1999 SN: 525.588 Excellent condition Available: direct from stock	Imagesetter (1270 – 3850 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, RIP software (RipExpress, including Adobe Postscript 3) installed on Windows PC, dongle. Max. size: 510 x 645 mm imaging area	€ 2.750
	Heidelberg Duosetter Imagesetter	Year: 2000 (installed 2001) SN: 003311803 Excellent condition Available: direct from stock	Imagesetter (1270 – 3387 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, RIP software (Adobe Postscript 3) installed on Windows PC, dongle. Max. size: 535 x 505 mm imaging area	€ 3.450

	ECRM VR30 Imagesetter	Year: 1992 SN: 359 Good condition Available: direct from stock	Imagesetter (600 – 2430 DPI). Including: cassette. Max. width: 300 mm imaging area	€ 650
	Agfa Accuset 800 Plus Imagesetter	Year: 1998 SN: 206810 Good condition Available: direct from stock	Imagesetter (600 – 2400 DPI). Visible red laser diode (670 nm). For red sensitive film. Including: cassette, Agfa PDF RIP software, Agfa Apogee, dongle, cables, manual, cd's. Max. size: 356 x 2100 mm imaging area	€ 950
	Panther RM3 Imagesetter	Year: 1998 SN: 985044 Good condition Available: direct from stock	Imagesetter (900 – 2400 DPI), floor model. Visible red laser diode (670 nm). For red sensitive film. Including software, cable and dongle. Max. size: 338 mm x any depth limited by buffersize.	€ 750
Filmprocessors	Machine/type	Year/condition/available	Description/options	Price in Euros
	Colenta Imageline 37 RDM 4-1 Filmprocessor	Year: 2001 SN: 011017861 Excellent condition Available: direct from stock	Very compact filmprocessor for daylight cassettesystem with front operation. Processing all brands and marks of films from imagesetters, repro camera's etc. Including operating panel for speed, processing times, stabilizing, washing out and drying of the film before delivered to the topside delivery rack. Max. size: 370 mms width Min. size: 75 mms width x 140 mms length Speed: up to 60 cms/min.	€ 1.250

	Glunz & Jensen Multiline ML550 Filmprocessor	Year: 1997 SN: 9222-1411 Excellent condition Available: direct from stock	Very compact filmprocessor for daylight cassettesystem with front operation. Processing all brands and marks of films from imagesetters, repro camera's etc. Including operating panel for speed, processing times, stabilizing, washing out and drying of the film before delivered to the back side delivery rack. Max. size: 550 mms width Min. size: 70 mms width x 120 mms length Speed: up to 80 - 100 cms/min.	€ 1.450
	Screen LD-280 QT Filmprocessor	Year: 1990 SN: 89240-7342 Excellent condition Available: direct from stock	Filmprocessor for daylight cassettesystem for processing all brands and marks of films from imagesetters, repro camera's etc. Including operating panel for speed, processing times, stabilizing, washing out and drying of the film before delivered to the delivery rack. Max. size: 720 mms width x 3000 mms length Min. size: 50 mms width x 120 mms length Speed: up to 100 cms/min.	€ 1.650
Plate- and film punches	Machine/type	Year/condition/available	Description/options	Price in Euros
	Universal Table-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Gestetner, AB Dick, Hamada and Rotaprint offsetplates Type: 23 holes Max. platesize: 52 cms	€ 85
	Bacher RP 22 Table-model plate punch (we have 5 pieces available)	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 52 cm Punch distance: 22,5 cms Max. platesize: 52 cms	€ 350

	Kieper Table-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 55 cm Punch distance: 22,5 cms Max. platesize: 55 cms	€ 650
	Heidelberg Table-model plate punch (we have 2 pieces available)	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate punch for Bacher 225 for platesize up to 52 cm Punch distance: 22,5 cms Max. platesize: 52 cms	€ 650
	Billows Komori Floor-model plate punch	Year: 1993 SN: unknown Excellent condition Available: direct from stock	Floor model register plate punch for Komori offsetmachines with a platesize up to 95 cm with footpedal opartion. Including adjustable top punch for centre punching. Punch distance: 55,0 cms Max. platesize: 95 cms	€ 1.350
	Beil Table-model plate punch	Year: 2000 SN: 13209 Excellent condition Available: direct from stock	Table model combi plate punch for Bacher 225 and 425 for platesize up to 59 cm with manual operation and electronic register. Punch distance: 22,5 & 42,5 cms Max. platesize: 59 cms	€ 750
	Bernard Prin & Cie Table-model plate punch	Year: unknown SN: 297 Excellent condition Available: direct from stock	Table model plate punch for Bacher 425 for platesize up to 78 cm with footpedal. Punch distance: 42,5 cms Max. platesize: 78 cms	€ 850

	Bacher 2045 Floor-model plate punch	Year: 2000 SN: 0037143 Excellent condition Available: direct from stock	Floor model plate punch for Bacher 425 for platesize up to 100 cm with footpedal. Punch distance: 42,5 cms Max. platesize: 100 cms	€ 1.150
	Bacher 2005 Floor-model plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Floor model plate punch for Bacher 425 for platesize up to 100 cm with footpedal. Punch distance: 42,5 cms Max. platesize: 100 cms	€ 1.150
	Heidelberg Table-model plate bender	Year: unknown SN: unknown Excellent condition Available: direct from stock	Table model plate bender with Bacher 425 for platesize of SM 52 machines. Manual operation. Punch distance: 425 mms Max. platesize: SM 52 (525x459 mms)	€ 1.250
	Billows Floor-model film- & plate punch	Year: unknown SN: unknown Excellent condition Available: direct from stock	Floor model film- and plate punch for platesize up to 160 cm. Electric punching with footpedal. Special for large size offsetmachines like: MAN Ultra, Roland Ultra, Planeta Super Variant, Nebiolo, Marinoni, Cab Tree etc. Max. platesize: 160 cms	€ 1.750
Daylight control-mounting tables	Machine/type	Year/condition/available	Description/options	Price in Euros

	Universal Daylight control table	Year: 2000 SN: unknown Good condition Available: direct from stock	Daylight control table with 4 lamps and storage for plates and print work. Max. size 90x65 cms	€ 250
	Croon Multifunction Center 56	Year: 2009 SN: unknown Excellent condition Available: direct from stock	Daylight control table with 3 lamps, computer console holder, stainless steel drawer and stainless steel top plate, waste bin, drawers and storage for plates and print work. Including 2 spare lamps. Max. size 75x56 cms	€ 950
	Bacher Control Junior 1510 Film mounting table	Year: unknown SN: 7828 Excellent condition Available: direct from stock	Table with inner lights and for film mounting up to 102 x 64 cms size. Including, tools (original Bacher), rulers and drawers. Max. size: 102 x 64 cm	€ 250
Copyframes	Machine/type	Year/condition/available	Description/options	Price in Euros
	Croon KOP01ES5000 Plate exposure unit / Copy frame	Year: 1997 (delivered 1998) SN: 9712VB93 Excellent condition Available: direct from stock	Floor model copy frame with professional digital programming and digital screen, memories, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 108 x 74 cm Capacity: 5000 W bulb.	€ 2.275
	OMM DH60 Plate exposure unit / Copy frame	Year: 2006 SN: 4661 Excellent condition Available: direct from stock	Floor model copy frame with professional digital tip touch programming and digital screen, 99 memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc. Max. size: 85 x 65 cm Capacity: 2000 W bulb.	€ 1.875

	<p>Croon KOP67TT3000</p> <p>Plate exposure unit / Copy frame</p>	<p>Year: 1996 SN: 9608TT67</p> <p>Excellent condition Available: direct from stock</p>	<p>Floor model copy frame with professional digital tip touch programming and digital screen, 99 memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc.</p> <p>Max. size: 80 x 67 cm Capacity: 3000 W bulb.</p>	€ 1.275
	<p>Croon KOP56TT3000</p> <p>Plate exposure unit / Copy frame</p>	<p>Year: 1996 SN: 9601TT21</p> <p>Excellent condition Available: direct from stock</p>	<p>Floor model copy frame with professional digital tip touch programming and digital screen, 99 memories with each 12 steps, timers for exposure and vacuum, sensor control for lamp condition. Including: drawers, stray foil screen, sensor etc.</p> <p>Max. size: 68 x 56 cm Capacity: 3000 W bulb.</p>	€ 1.275
	<p>Werner Sack 190853</p> <p>Plate exposure unit / Copy frame</p>	<p>Year: 1995 SN: 19952083</p> <p>Excellent condition Available: direct from stock</p>	<p>Floor model copy frame with professional digital programming (LCX3) and digital screen, memories, timers for exposure and vacuum. Including: drawers, stray foil screen, sensor etc.</p> <p>Max. size: 65 x 85 cm Capacity: 3000 W bulb.</p>	€ 1.075
	<p>Theimer Copymat 3160</p> <p>Plate exposure unit / Copy frame</p>	<p>Year: 1987 SN: 87060248</p> <p>Good condition Available: direct from stock</p>	<p>Table model copy frame with professional digital programming and digital display, memories, timers for exposure and vacuum.</p> <p>Max. size: 62 x 74 cm Capacity: 1000 W bulb.</p>	€ 675
	<p>Eskofot 245 FPP</p> <p>Plate exposure unit / Copy frame</p>	<p>Year: 1997 SN: 440416</p> <p>Excellent condition Available: direct from stock</p>	<p>Compact floor model copy frame with professional digital programming (40 programs), memories, timers for exposure and vacuum.</p> <p>Max. size: 54 x 45 cm Capacity: 1600 W bulb.</p>	€ 725

	Universal Vacuum screen window	Year: unknown SN: unknown Excellent condition Available: direct from stock	Vacuum screen window for the exposure of screens. Including vacuum pump. Max. screen size: 125 x 105 cm	€ 275
Plate processors	Machine/type	Year/condition/available	Description/options	Price in Euros
	Glunz & Jensen Interplater 66 P Plate processor	Year: 1998 SN: 90095-0173 Good condition Available: direct from stock	Plate processor for developing and processing B1 size plates with a digital operation panel for all functions (speed, temperature, replenishment, brush speed, counter and dryer). Including automatic replenishment, temperature control of the developer and dryer. Plates are gummed (also with a recirculation system) before delivered to the delivery. Max. plate size: 66 x 103 cm	€ 1.250
	Kodak Polychrome Pro-70 Plate processor	Year: 1999 SN: 8875/T61 Excellent condition Available: direct from stock	Plate processor for developing and processing B1 size plates with an operation panel for all functions (speed, temperature, replenishment, brush speed, counter and dryer). Including automatic replenishment, temperature control of the developer and dryer. Plates are gummed before delivered to the delivery. Max. size: 70 cm plate width	€ 1.150
	Horsell Jupiter 650 Plate processor	Year: 1992 SN: JC0034 Excellent condition Available: direct from stock	Plate processor for developing and processing B1 size plates with a simple operation panel for all functions (speed, temperature, replenishment, brush speed, counter and dryer). Plates are gummed before delivered to the delivery. Max. size: 65 cm plate width	€ 1.150

	Hoechst VA 65P Plate processor	Year: 1994 SN: 944940389/15 Good condition Available: direct from stock	Plate processor for developing and processing B1 size plates with a simple operation panel for all functions (speed, temperature, replenishment, brush speed, counter and dryer). Plates are gummed before delivered to the delivery. Max. size: 65 cm plate width	€ 1.050
	Lefra 430-500 Plate processor	Year: 1998 SN: 5654 Good condition Available: direct from stock	Manual plate processor for developing small size offset plates with a simple operation panel for all functions (speed, temperature, pump). Max. plate size: 430 x 500 mms Capacity: 13 liters	€ 150
Paper cutters and guillotines	Machine/type	Year/condition/available	Description/options	Price in Euros
	Polar 155 EMC- Monitor Guillotine	Year: 1986 SN: 5621064 Excellent condition Available: direct from stock	Hydraulic paper cutter with steel airtable, pallet lift integrated at the right side of the machine, side tables (also with air), programmable computer with TV monitor (99 programs with 999 steps). All safeties (IR bars, shields, 2 hand operation). Tools and spare knife. Max. size: 1550 mms Max pile height: 100 mms.	€ 15.150
	Polar 55 SDP Guillotine	Year: 1985 SN: 5551189 Excellent condition Available: direct from stock	Hydraulic paper cutter with stainless steel chromed table, simple operating panel with digital display. All relevant safeties (shields, 2 hand operation). Tools and spare knife. 380 V and 3 phase. Max. size: 550 mms Max pile height: 100 mms.	€ 4.250

	Wohlenberg SPM 115 Guillotine	Year: 1986 SN: 3381 026	Hydraulic paper cutter with steel airtable, side tables (also with air), programmable computer (99 programs with 999 steps). All safeties (IR bars, shields, 2 hand operation). Tools and spare knife. Excellent condition Available: direct from stock	Max. size: 1150 mms Max pile height: 120 mms.	€ 8.750
	Mandelli 76 HYS Guillotine	Year: 1998 SN: 40812	Hydraulic paper cutter with stainless steel airtable, digital operating panel with digital display for programming and storage. All relevant safeties (IR bars, shields, 2 hand operation). Tools and spare knife. 380 V and 3 phase. Excellent condition Available: direct from stock	Max. size: 760 mms Max pile height: 100 mms.	€ 4.850
	Horizon APC M61 Guillotine	Year: 2002 SN: 30030	Hydraulic paper cutter with steel chromed table, programmable computer with digital operating panel (6 programs with 54 steps). All relevant safeties (shields, 2 hand operation). Tools and spare knife. Excellent condition Available: direct from stock	Max. size: 510 mms Min. size: 20 mms Max pile height: 100 mms.	€ 4.750
	EBA Multicut 551 Guillotine	Year: 2001 SN: 6051429	Hydraulic paper cutter with stainless steel table, digital operating panel with 9 programs and 9 steps in each program. Paper eject function. Adjustable paper pressure (200 – 1.100 daN). All relevant safeties (IR bars, shields, 2 hand operation). Tools and spare knife. 220 V and 1 phase. Excellent condition Available: direct from stock	Max. size: 550 mms Min. size: 32 mms Max pile height: 95 mms.	€ 2.950
	Adast MJ-46 Guillotine	Year: na SN: 5470034	Paper cutter with manual pressing and size change and electric cutting. Tools and spare knife. Fair condition Available: direct from stock	Max. size: 460 mms Max pile height: 80 mms.	€ 1.150

	Ideal 3915-90 Guillotine	Year: 1993 SN: 1240074 Excellent condition Available: direct from stock	Paper cutter with electric cutting, manual pressing, and manual size change. Tools and spare knife. Max. size: 390 mms Max pile height: 50 mms.	€ 450
	Ideal 3915-95 Guillotine	Year: 2003 SN: 2569999 Excellent condition Available: direct from stock	Paper cutter with electric cutting, manual pressing, and manual size change. Tools and spare knife. Max. size: 390 mms Max pile height: 50 mms.	€ 550
	EBA Multicut 430M Guillotine	Year: 2001 SN: 6059813 Good condition Available: direct from stock	Simple manual floor model cutter with manual operation of the size, pressure and knife. All safeties. Max. size: 430 mms Max pile height: 50 mms.	€ 375
	EBA Multicut 4-360 T Guillotine	Year: 1989 SN: 232.003387 Good condition Available: direct from stock	Simple manual floor model cutter with manual operation of the size, pressure and knife. All safeties. Max. size: 360 mms Max pile height: 50 mms.	€ 275
	VS 46 Guillotine	Year: 1998 SN: unknown Excellent condition Available: direct from stock	Cardboard- or offset plate cutter (very heavy cast iron table model) with manual operation of the pressure and the knife. Max. size: 460 mms	€ 250

	Dumor CR68 Electric round edge cutter	Year: 2016 SN: 414081027 Excellent condition (new) Available: direct from stock	Electric round edge cutter (heavy table model) with footpedal or manual (2 knobs) operation of the pressure and the knife to produce rounded corners onto paper or printwork. 7 Knives can be changed with a knob in several different positions R2-R10.	€ 950
	Beier Pneumatic Pneumatic round edge cutter	Year: 1986 SN: 86074025 Excellent condition Available: direct from stock	Pneumatic round edge cutter (heavy floor model) with footpedal operation of the pressure and the knife to produce rounded corners onto paper or printwork. Including many knives with different corners and edges.	€ 850
	Tränklein EK 100 Pneumatic round edge cutter	Year: 1985 SN: 3482 13 Excellent condition Available: direct from stock	Electric round edge cutter (heavy floor model) with footpedal operation of the pressure and the knife to produce rounded corners onto paper or printwork.	€ 850
	Several knives for cutters/guillotines	Year: unknown SN: unknown Available: direct from stock	2x three knife cutter Muller Martini 1x three knife cutter Perfecta SDY 1x Wohlenberg 92 2x Wohlenberg 76 (1x Widia knife) 1x Polar 55, 2x Polar 72, 1x Polar 80 Several Ideal and EBA or other brand small size knives	€ 150 each € 150 each € 150 each € 50 each € 50 each € 35 each
	Neolt Electro Power Plus 300 Electric roll knife cutter/trimmer	Year: 2006 SN: 795.1018.066 Good condition Available: direct from stock	Electric roll knife cutter/trimmer (floor model) with footpedal operation of the pressure and the knife. All safeties, sheet holder and fixing bar. Complete with sub-frame and internal lights. Max. cutting thickness: 1.6 mms Max. cutting length: 300 cms	€ 850

	Tarnator 350 paper shredder	Year: 1985 SN: 6206 Excellent condition Available: direct from stock	Manual high speed shredder with roller feeder. Retractable for easy use or storage. Max. size: 30 cm width Max. paperheight: 3 mms	€ 350
	Ideal 4002 paper shredder	Year: 2006 SN: 2719895 Excellent condition Available: direct from stock	Manual heavy duty high speed paper shredder with roller feeder. Also to be used for creditcards, cd's, dvd's and diskettes. Waste bin (210 liters). Retractable for easy use or storage. All safeties. Max. size: 40 cm width Max. paperheight: up to 35 pages of 80 gsm Speed: 7.5 m/min.	€ 350
	LDG 450 paper shredder	Year: na SN: na Excellent condition Available: direct from stock	Manual heavy duty high speed shredder with roller feeder. Retractable for easy use or storage. Max. size: 45 cm width Max. paperheight: 15 mms	€ 350
Lift- and turning machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Shelby 5331 palletlift	Year: unknown SN: unknown Available: direct from stock Good condition	Manual hand winch operation for lifting pallets. On wheels, so retractable for use on more machines or for easy storage. Max. size 100x80 cms Max. lift height: 105 cms Capacity: up to 250 kgs	€ 150

	Intraboss Handy 800E palletlift	Year: 1996 SN: 997001 Available: direct from stock Good condition	Electric winch (battery operated) for automatic lifting the paper carts for GTO 46&52, SM 52, Sakurai 52, Ryobi, Fuji 52, Shinohara 52 etc. Adaptable sensor to lift automatically up to the requested height. On wheels, so retractable for use on more machines or for easy storage. Max. size 57x40 cms Max. lift height: 110 cms Capacity: up to 250 kgs	€ 550
	Intraboss Handy 800E palletlift	Year: 1996 SN: 997002 Available: direct from stock Good condition	Electric winch (battery operated) for automatic lifting the paper carts for GTO 46&52, SM 52, Sakurai 52, Ryobi, Fuji 52, Shinohara 52 etc. Adaptable sensor to lift automatically up to the requested height. On wheels, so retractable for use on more machines or for easy storage. Max. size 57x40 cms Max. lift height: 110 cms Capacity: up to 250 kgs	€ 550
	Lafis LEI 16 C Mobile pallet lift	Year: 1997 SN: 32925 Excellent condition Available: direct from stock	Movable pallet lift, motor driven, operation console on steering stick. Including SPE 24 Volt automatic battery loader with analog display. Up to size: 120 x 100 cms Max. pallet size: 120 x 100 cms Max lifting height: 12 cms. Capacity: 1.600 kgs.	€ 1.500
	Bolzoni palletlift	Year: unknown SN: unknown Available: direct from stock Good condition	Electrical and hydraulic operation for lifting pallets. Low profile for easy access and loading with pallet lifter. Max. size 100x140 cms Max. lift height: 95 cms Capacity: up to 1.000 kgs	€ 450
	Schneider Senator PL2 palletlift	Year: 1970 SN: 8395 Available: direct from stock Good condition	Electrical and hydraulic operation for lifting pallets. On wheels, so retractable for use on more machines or for easy storage. Max. size 140x102 cms Max. lift height: 95 cms Capacity: up to 1000 kgs	€ 950

	Kriff Roeger Stapelwender Pile turner	Year: 2004 SN: 371 Excellent condition Available: direct from stock	Stationary roll in – roll out automatic paper pile turner, motor driven, including all safety parameters around the machine. No pit required Up to size: 95 x 125 cms. Max. pile height: 140 cms. Capacity: 1.200 kgs.	€ 4.850
	Diesse Maxi Toppy Mobile pile turner	Year: 1998 SN: 10581 Excellent condition Available: direct from stock	Movable heavy duty paper pile turner, motor driven, operation console. Including Belatron 24 Volt automatic battery loader with lcd display. Up to size: 120 x 80 cms Max. pallet size: 160 x 120 cms Max loading height: 132 cms. Capacity: 1.500 kgs.	€ 8.500
Stitching- and stapling machinery	Machine/type	Year/condition/available	Description/options	Price in Euros
	Nagel Enak 50 Stapler	Year: na SN: na Good condition Available: direct from stock	Stapler, table model with foot pedal operation. Suitable for block stapling. Staples 50/6 & 50/20 Stitching thickness: up to 17 mms Throat depth: 13 cms Speed: 25 staples/min.	€ 25
	Brehmer Wire-stitcher	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model wirestitcher with manual/ and foot pedal operation. Suitable for book- and saddle stitching.	€ 450
Drilling machinery	Machine/type	Year/condition/available	Description/options	Price in Euros

	Foellmer SP2 2-spindle electric drill	Year: 1992 SN: na Available: direct from stock Good condition	2 drilling heads, 220 Volt machine, table model with fixed distance between drills, mechanic pressure, waste removal and an adjustable register board. Drill diameter capacity: 2 – 15 mms Fixed distance between drills: 80 mms Max. drilling depth capacity: 60 mms Back gauge adjustment: 0 - 100 mms Table size: 400 x 600 mms	€ 550
	OMM Venus 2-spindle electric drill	Year: na SN: na Available: direct from stock Good condition	2 drilling heads, 380 Volt machine, floor model with adjustable distance between drills, footpedal operation, automatic pressure and movement of the table, waste removal and an adjustable register board. Drill diameter capacity: 3 – 14 mms Adjustable distance between drills: 45 - 115 mms Max. drilling depth capacity: 80 mms Back gauge adjustment: 0 - 100 mms Table size: 350 x 650 mms	€ 950
	Hang 1060120 2-spindle electric drill	Year: na SN: 17116 Available: direct from stock Good condition	2 drilling heads, 220 Volt machine, floor model with adjustable distance between drills, mechanic pressure, waste removal and an adjustable register board. Foot pedal operation. Drill diameter capacity: 2 – 15 mms Adjustable distance between drills: 60 - 300 mms Max. drilling depth capacity: 60 mms Back gauge adjustment: 0 - 350 mms Table size: 830 x 690 mms	€ 650
	Hang Piccolo Manual eyeletting machine	Year: na SN: na Available: direct from stock Excellent condition	Manual table model eyeletting machine with a reservoir and an automatic feeder of the eyelet rings. Punches holes and inserts eyelets automatically in one single working step for promotional items, albums, labels, catalogues, documents etc. Eyelet rings: no. 24 & 25 Max. paper thickness 2.9 – 3.8 mms (2 -20 sheets of 80 gsm)	€ 250
Letterpress machinery	Machine/type	Year/condition/available	Description/options	Price in Euros

	Halvorfold - Kwikprint 86 A/A Hotfoil stamp press	Year: na SN: 8-4427 Excellent condition Available: direct from stock	Semi-automatic hotfoil- and embossing stamping unit (table model) with air operation and automatic stepless heat control (Robotemp 515). The machine has a registertable and a foil guide attachment. Company logo's, names, titles and other data can pressed with various colours of foils into leather (agenda's), cardboard, paper or any other materials, that is suitable for hotfoils. . Printing size: 140 x 25 mms (upgradeable from 140 x 50 up to 220 x 50 mms)	€ 1.850
	Adast Grafopress GPC Tiegel/platen/letter press	Year: 1971 SN: Excellent condition Available: direct from stock	For numbering, perforating, slitting, scoring, embossing and die-cutting. With rollerstop. Min. size: 45 x 60 mms Max. size: 260 x 380 mms Paperweight: 28 / 400 gsm Speed: 1.600 – 5.000 sh/hr.	€ 950
Cutting, slitting, creasing	Machine/type	Year/condition/available	Description/options	Price in Euros
	Dumor Digidard 700DC Automatic cutter, slitter, perforator and creaser	Year: 2011 SN: 0110009 Excellent condition Available: direct from stock	Automatic table model cutter / slitter / creaser with memory and lcd display operation. Cutting, creasing, perforating and slitting can be done in one pass. Automatic feeder (friction). Min. size: 195 x 127 mms Max. size: DIN A4 Paper thickness:180 – 300 gsm Speed: up to 4.5 sh/min.	€ 750
	Durmazon CCP 660 Creaser/perforator	Year: 2016 SN: 1111071868 Excellent condition (new in original box) Available: direct from stock	Table model electric heavy duty creasing-, cutting, slitting and perforating equipment with manual feed operation for paper-, foils and cardboard sheets. Adjustable pressure of the rollers. Including: 1 perforating wheel and 2 creasing wheels. Max. paperwidth: 590 mms Paperweight: 120 – 300 gsm Table size: 590 x 850 mms	€ 1.650

	Bacciotinni ROL 70 Creaser/perforator	Year: 1998 SN: 0066 Good condition Available: direct from stock	Floor model electric heavy duty creasing-, cutting, slitting and perforating equipment with vacuum wheel feed operation for paper-, foils and cardboard sheets. Adjustable pressure of the rollers. Including: 2 creasing wheels. Min. size: 120 x 100 mms Max. size: 700 x 600 mms Paperweight: 120 – 300 gsm Table size: 550 x 750 mms Speed: 25 – 140 m/min.	€ 2.850
	Kahle C4L Post stamp perforator	Year: na SN: 241023 Excellent condition Available: direct from stock	floor model heavy duty perforating- (post-stamp) equipment with footpedal operation. Max. paperwidth: 580 mms Paperweight: 30 – 350 gsm Table size: 580 x 800 mms	€ 750
	Foellmer FMO-electric Creaser	Year: na SN: 217 Excellent condition Available: direct from stock	Floor model heavy duty creasing equipment with electric operation. Including footpedal Max. paperwidth: 450 mms Paperweight: 30 – 250 gsm Table size: 450 x 800 mms	€ 1.150
	Foellmer FMO-electric Creaser and perforator	Year: na SN: Excellent condition Available: direct from stock	Floor model heavy duty creasing and poststamp perforating equipment with electric operation. Including footpedal Max. paperwidth: 450 mms Paperweight: 30 – 250 gsm Table size: 450 x 800 mms	€ 1.250
	Bickel HK3/50-electric Creaser	Year: 1986 SN: 30901 Excellent condition Available: direct from stock	Table model heavy duty creasing equipment with electric operation. Including footpedal Max. paperwidth: 500 mms Paperweight: 30 – 350 gsm Table size: 500 x 700 mms	€ 1.050

	Deritend 43 ST Creaser / scorer for boxmaking	Year: na SN: 720 Excellent condition Available: direct from stock	Floor model heavy duty, easy to handle lengthwise creasing- and scoring equipment with manual feeder and electric operation. Including adjustable 2 rill-scoring wheels and adjustable delivery table. Machine is designed to crease cardboard for cartons and cardboard boxes. Max papersize: 1040 mms width Paperweight: 200 – 650 gsm Speed: 148 rpm	€ 1.850
	Deritend 34-DS Cutter / slitter for boxmaking	Year: na SN: 54 Excellent condition Available: direct from stock	Floor model heavy duty, easy to handle lengthwise cutting- and slitting equipment with manual feeder and electric operation. Including 2 knives. Machine is designed to cut / slit cardboard for cartons and cardboard boxes up to 18 cms lengthwise. Max papersize: 1300 mms width Cutting length: up to 18 cms. Paperweight: 200 – 650 gsm Speed: 370 rpm	€ 1.450
	Universal Cutter / slitter	Year: na SN: na Excellent condition Available: direct from stock	Table model easy to handle lengthwise cutting- and slitting equipment with manual feeder and electric operation. Including 2 knives. Stainless steel working blade and delivery. Max papersize: 720 x 1000 mms Paperweight: 80 – 350 gsm	€ 850
Laminating and varnish machines	Machine/type	Year/condition/available	Description/options	Price in Euros
	Neschen Seal Image 62 Hot- and cold laminator	Year: 1998 SN: 1575-06-148/7.0 Excellent condition Available: direct from stock	Laminating-, mounting and encapsulating machine for hot- and cold laminating materials. Tip touch electric operation and programming, with footpedal, unwind and rewind shaft, flip-up feed table, roller temperature-, tension-, spindle pressure-, and wrinkle control etc. Max width: 1600 mms Max nip width: 29 mms Speed: 0-1.8 m/min.	€ 4.250
	GMP Excelam-1670RS Hot- and cold laminator	Year: 1998 SN: LE481030295 Excellent condition Available: direct from stock	Laminating-, mounting and encapsulating machine for hot- and cold laminating materials. Tip touch electric operation and programming, with footpedal, unwind and rewind shaft, roller temperature-, tension-, spindle pressure-, wrinkle control, rear cut-off blade etc. Max width: 1670 mms Substrate thickness: 80 – 350 gsm Max nip width: 13 mms Laminating film thickness: 25 – 500 microns Speed: 0-3.0 m/min.	€ 2.850

	Neschen K600-N Cold laminator	Year: 1998 SN: 14046 Excellent condition Available: direct from stock	High speed table top laminating machine for cold laminating materials. Simple electric operation with footpedal, unwind and rewind shaft, tension-, spindle pressure control etc. Max width: 650 mms Max nip width: 0 - 40 mms Speed: 0.3 – 6 m/min.	€ 1.750
	Sallmetall S880 Cold laminator	Year: 1988 SN: 34470 Excellent condition Available: direct from stock	High speed table top laminating machine for cold laminating materials. Simple electric operation with footpedal, unwind and rewind shaft, tension-, spindle pressure control etc. Max width: 880 mms Max nip width: 50 mms Speed: 0.3 – 3 m/min.	€ 950
	Sallmetall 650 Cold laminator	Year: SN: Excellent condition Available: direct from stock	Manual table top laminating machine for cold laminating materials. Simple manual operation with crank, unwind and rewind shaft etc. Max width: 650 mms Max nip width: 50 mms Speed: 0.3 – 1 m/min.	€ 350
	GBC HeatSeal H425 Hot pouch laminator	Year: na SN: 1702820 Excellent condition Available: direct from stock	High speed table top laminating machine for hot laminating pouch materials. Special for laminating photo's. Possible for single and double side laminating. Tip touch electric operation and programming with LCD settings and control etc. Max width: 320 mms Max nip width: 1 mms Speed: 0.4 m/min.	€ 50
	Universal 32 Roll holder	Year: na SN: na Excellent condition Available: direct from stock	Heavy roll holder for up to 32 rolls of printing materials or laminating foils. Gives the opportunity for storing up to 32 rolls on a small footprint. Construction is on wheels, so it is possible to move it around and use it for storage of consumables and materials for different machinery (eg. digital printer, plotter, laminator, slitter rewinders etc.). Only 1 sqm footprint! Max length of the rolls: 800 mms Max. diameter of the rolls: 400 – 650 mms	€ 250

Winders and rewinders	Machine/type	Year/condition/available	Description/options	Price in Euros
	Roll Systems (by Böwe) 80015801-57 Unwind, sheeter and feeder	Year: 2005 SN: 10305 Excellent condition Available: direct from stock	Up to 59,5 cms width floormodel and hydraulic roll unwinding and sheeting equipment with digital operating panel and feeder part into eg Xerox Docutech 6180/6135 printers for large quantities of printed documents without frequent operating intervention. Digital operation on lcd console with decurler, tension- and web guide control. Single sheets can be cut to length from the rolls for every size the printer handles. Including loaders and lifting arms to get the rolls on working height and cassette unit in the Xerox line. All sensor controlled. Max. roll weight: 450 kgs. Core diameter: 75 & 150 mms Paper length cutting settings: 80 – 297 mms Max. roll width: 595 mms	€ 2.500
	Roll Systems (by Böwe) 80015801-57 Unwind, sheeter and feeder	Year: 2004 SN: 10058 Good condition Available: direct from stock	Up to 59,5 cms width floormodel and hydraulic roll unwinding and sheeting equipment with digital operating panel and feeder part into eg Xerox Docutech 6180/6135 printers for large quantities of printed documents without frequent operating intervention. Digital operation on lcd console with decurler, tension- and web guide control. Single sheets can be cut to length from the rolls for every size the printer handles. Including loaders and lifting arms to get the rolls on working height and cassette unit in the Xerox line. All sensor controlled. Max. roll weight: 450 kgs. Core diameter: 75 & 150 mms Paper length cutting settings: 80 – 297 mms Max. roll width: 595 mms	€ 2.250
	Allan Datagraph DFS 16" / i-Tech Digital finishing system	Year: 2008 SN: D0710806C Working hours: less than 500 Excellent condition (like new) Available: direct from stock	Servo driven digital finishing systems for laminating, die cutting, slitting, weeding and re-rolling label materials. It will work in combination of all web format printers and flexo presses up to 410 mms web width. Cold laminating, die cutting, slitting etc are all done digitally without changes of die rollers etc. Web width: 254 - 410 mms Speed: 0 – 50.8 mms/sec	€ 6.500
	JSM Slitter/rewinder>tagger	Year: 1999 SN: 1265/99 Excellent condition Available: direct from stock	The JSM line is specifically designed to take pre-printed reels of gift wrap paper/wall paper/posters etc. It cuts the paper by way of a flying knife and 2 rotation knives to a specified length and width and rewinds it to coreless rolls. The rolls are closed with a pre-printed tag label applied ready to be packed for distribution. Machine can be used to produce coreless roll (wall paper, gift wrapping, posters etc.). in high speed production. Including PLC operating panel, an inspection arc and unwind. Max web width: 610 mms – paper weight: 60 - 200 gsm Roll diameter 600 – 900 mms (2 rolls) with a core diameter: 75 mms (manual clamp) Max. winding speed: 10 rolls/min. of 10 meters each	€ 10.500
	Menzel Winder/rewinder	Year: 1998 SN: 85886 Excellent condition Available: direct from stock	114 cms width electro-pneumatic-hydraulic floormodel winder/rewinder equipment with operating panel. Machine can be integrated into all kind of web- or roll-to-roll machinery (inspection, paper, textile, non-woven, foils, self-adhesives etc.) Web width: 1020 mms Roll diameter: 600 mms (1.000 mms) Core diameter: 75 mms Max. winding speed: 120 m/min.	€ 4.500

Folders	Machine/type	Year/condition/available	Description/options	Price in Euros
	GUk FA 72/4 F4 Folder gluer	Year: 1986 SN: 23547 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 4 strokes, programmable digital gluing device (HHS, type C-210) with 2 application nozzles for continuous or pattern gluing, knife shafts for gluing, creasing- and perforating knives, noisehoods, digital operation console on the machine with counter, pre-sets, batch counter, misfeed etc. Including heavy duty pump and retractable delivery conveyor belt (type S720). Min. / max papersize: 150x190 mm / 720x1040 mm Speed: 1000 – 40.000 sh/min.	€ 4.950
	MBO T52/4X & T52/44 Folder	Year: 1983 SN: 83047156 & 83107431 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), deep pile flatpile feeder with 4 strokes on 1 st section, retractable cross unit with 4 strokes on the 2 nd section and 1 electric knife for cross folding, digital operation console on the machine with counter and delivery conveyor belt. Min. / max papersize: 105x145 mm / 520x720 mm Speed: 1000 – 22.000 or 45.000 sh/min.	€ 4.450
	Stahl T 47/4-FA Folder	Year: 1981 SN: 19447 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 4 strokes, noisehoods, digital operation console on the machine with counter and delivery belt. Min. / max papersize: 105x145 mm / 470x640 mm Paperweight: 40 – 250 gsm Minimum fold: 40 mms Speed: 50 – 150 m/min.	€ 2.150
	Shoei Little Mach 47 Folder	Year: 1994 SN: 7192 Excellent condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and including noisehoods. Delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, manuals, schemes and partsbook. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Speed: 35.000 sh/hr	€ 3.250

	Shoei Little Mach 47 Folder	Year: 1994 SN: 7186 Excellent condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and including noisehoods. Delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, manuals, schemes and partsbook. Machine has brand new rollers inside. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Speed: 35.000 sh hr	€ 3.450
	Shoei Mach Eight Folder	Year: 2000 SN: 7206 Excellent condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and 1 electric knife for cross folding. Retractable delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, noisehoods, manuals, schemes and partsbook. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Paperweight: 40-240 gsm Speed: 35.000 sh/hr	€ 3.950
	Shoei Mach Eight Folder	Year: 2000 SN: 7245 Excellent condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and 1 electric knife for cross folding. Retractable delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, manuals, schemes and partsbook. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Paperweight: 40-240 gsm Speed: 35.000 sh/hr	€ 3.950
	Shoei Mach Eight Folder	Year: 1998 SN: 7121 Good condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and 1 electric knife for cross folding. Retractable delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, manuals, schemes and partsbook. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Paperweight: 40-240 gsm Speed: 35.000 sh/hr	€ 3.450
	Shoei Mach Eight Folder	Year: 1997 SN: 7097 Good condition Available: direct from stock	High speed air suction feed folder (vacuum) with flat pile feeder system with 2 strokes and 1 electric knife for cross folding. Retractable delivery belt. Digital operation with: pre-sets, counter, batch counter, misfeed etc. Including heavy industrial pumps, manuals, schemes and partsbook. Retractable on wheels for easy storage. Min. / max papersize: 150x210 mm / 470x650 mm Min. fold: 65 mm Paperweight: 40-240 gsm Speed: 35.000 sh/hr	€ 3.150

	Sofrapli 385AB Folder	Year: 1994 SN: 944428 Good condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, operation with LCD counter and delivery belt. Safeties and noisehood. Heavy duty compressor/pump in noise reducing box. Min. / max papersize: 105x150 mm / 380x650 mm Minimum fold: 40 mms Min. / max. paperweight: 45- 250 gsm Speed: 25.000 sh hr	€ 1.750
	Stahl SA-32.2US Folder	Year: 1990 SN: 37018-150049 Excellent condition Available: direct from stock	Air suction feed folder (vacuum), flatpile feeder with 2 strokes, noisehoods, digital operation with counter and delivery belt. Retractable on wheels for easy storage. Min. / max papersize: 105x145 mm / 320x450 mm Minimum fold: 51 mms Paperweight: 40-250 gsm Speed: 42.500 sh/min.	€ 2.250
	Matthias Bauerle Multipli FM 35/2S Folder	Year: 1997 SN: 97351163 Excellent condition Available: direct from stock	Table model air suction feed folder (vacuum), flatpile feeder with 2 strokes operation and delivery belt. Heavy duty compressor/pump. Min. / max papersize: 85 x 120 mm / 320 x 450 mm Minimum fold: 50 mms Min. / max. paperweight: 40- 250 gsm Speed: 30.000 sh/hr	€ 1.250
Folder accessories	Machine/type	Year/condition/available	Description/options	Price in Euros
	GUK Gremscher FN Deep pile feeder for GUK folders	Year: 1990 SN: 77265 Good condition Available: direct from stock	Deep pile feeder table for GUK folders with stream feeder and vacuum feeder wheel. Including operating panel and data connectors for GUK folders. No pump/compressor. Max paperwidth: 350 mm Speed: 30.000 sh/hr	€ 1.150

	<p>MailTech - Siemens Micromaster 420</p> <p>Delivery table for folders</p>	<p>Year: 2003 SN: XAN221-000831</p> <p>Perfect condition Available: direct from stock</p>	<p>Retractable and universal delivery table for all brands and kinds of folders with conveyor belt for delivery of an end-result of max 420 mms width. This mobile chute delivery is adjustable in speed, height and inclination. Including programmable Siemens Micromaster 420 digital operating panel with LCD screen for adjusting the speed to the folder that it is working with. Retractable on wheels for easy storage.</p> <p>Max paperwidth: 420 mm Table length: 770 mms</p> <p>Speed: 30.000 sh/hr</p>	€ 950

Digital and automatic operation of position, sizes and measurements. With 8 programmable settings. Including manuals and partsbook. Max. size: 297x432 mm. Min. size: 210x297 mm.	€ 675
	Hohner 48/5S Wire loop stitcher head	Year: unknown SN: unknown Excellent condition Available: direct from stock	4x Hohner loop wire stitcher heads. Completely re-furbished by Hohner and in shape of new.	€ 850 each
Binding equipment	Machine/type	Year/condition/available	Description/options	Price in Euros
	Bourg BB-3000 Perfect binder	Year: 1994 SN: 8726 Excellent condition Available: direct from stock	Floor model 1-clamp perfect binder for hot glue with automatic milling, dust free exhaust, vacuum suction cover feeder, counter, miss feed detection, temperature control and standard tray delivery. Max. size: 320 x 380 mms Min. size: 90 x 60 mms Thickness: 0.1 – 45 mms (2 up to 500 pages of 80 gsm) Min./max. cover: 80 – 250 gsm Binding speed: up to 500 sets/hr.	€ 3.450
	Planax Perfect-Binder FII Perfect binder	Year: na SN: 309/74074 Good condition Available: direct from stock	Simple manual table model 1-clamp perfect binder for cold glue with manual feeding system and transport and electric pressing, dust free milling (up to 1.8 mm depth) with exhaust. Max binding length: 380 mms Max. height: 350 mms Thickness: 0.1 – 36 mms (2 up to 400 pages) Cover thickness: 250 – 300 gsm Binding speed: up to 170 - 220 sets/hr.	€ 1.680

	Planax Type 1191 Perfect binder	Year: unknown SN: 688 Good condition Available: direct from stock	Simple manual table model 1-clamp perfect binder for hot glue with electric transport and manual pressing. Max binding length: 440 mms Thickness: 0.1 – 60 mms (2 up to 450 pages) Binding speed: up to 220 sets/hr.	€ 1.150
	Mekanotch Junior Milling and notching machine	Year: 8803314 SN: 1988 Excellent condition Available: direct from stock	Industrial electric spine milling and notching machine with an adjustable clamp system for preparing and improving books, blocks and piles of paper before gluing or binding with glue or a perfect binder. Depth of milling can be adjusted. Suitable for all types of paper (standard, glossy, coated or calendered paper) All safeties (2 knob operation, shields etc.) Milling depth: 0 – 4 mms - notching intervals: 15 mms Min. max paper length: 152 - 380 mms Thickness: 3 – 79 mms (25 up to 600 pages) Binding speed: up to 300 sets/hr.	€ 1.450
	Lamirel Combi Combi punch/binder	Year: unknown SN: unknown Good condition Available: direct from stock	Simple manual table model punch and binder for 24 rectangle holes and binder A4+ size Punch capacity max. paper: up to 10 sheets of 80 gsm. (covers up to 2 sheets per cycle) Binding capacity: up to 115 sheets Punching speed: up to 5.000 sh/hr. Binding speed: up to 250 sets/hr.	€ 85
	Prima Opera 41 Paperlock binder	Year: na SN: na Excellent condition Available: direct from stock	Heavy manual table model binder for binding pre-punched paper with self-adhesive papercombs without glue, metal- or plastic bindings up to A4 size. Binding capacity (adjustable): 4 up to 200 sheets Binding speed: up to 250 sets/hr.	€ 85
	Leitz Esselte CH3000 Channel binder	Year: na SN: na Excellent condition Available: direct from stock	Heavy manual table model binder for binding without glue or punches up to A4 size. The pages and covers are clamped into a metal U-form strip. Punch capacity max. paper: up to 20 sheets of 80 gsm. (covers up to 2 sheets per cycle) Binding capacity (adjustable): up to 500 sheets Punching speed: up to 5.000 sh/hr. Binding speed: up to 250 sets/hr.	€ 85

	Unibind XU 638 Binder	Year: unknown SN: unknown Good condition Available: direct from stock	Simple table model thermal hotmelt glue binder A4+ size with 6 clamps and 6 heated stations. Binding is achieved through the use of wrap round covers with glue inserted into the spine. This is heated with the thermal binder and the sheets are glued together and gives a professional looking document.	€ 70
	Thermo Prima 21 Binder	Year: unknown SN: unknown Good condition Available: direct from stock	Simple table model thermal hotmelt glue binder A4+ size with 1 clamp and 3 programs. Binding is achieved through the use of wrap round covers with glue inserted into the spine. This is heated with the thermal binder and the sheets are glued together and gives a professional looking document. Lot of consumables coming with it.	€ 50
	Regubinder SE Spine taper	Year: unknown SN: unknown Fair condition (parts machine) Available: direct from stock	Semi-automatic table model hot-melt linen strips binding machine with automatic tape cut-of . To be used with self-adhesive tapes to allow fast and accurate operation for large or small quantities of books. Manual adjusting for 2 up to 100 pages. Max. 400 mms binding length and 5 - 35 mms thickness.	€ 40
	Universal Book casing-in machine	Year: unknown SN: unknown Good condition Available: direct from stock	Semi-automatic floor model casing-in machine that presses the linen covers around the pre-glued books. Pneumatic with 2- knob operation. Max. 400 mms binding length and 5 - 35 mms thickness.	€ 400
	Tränklein Bookpress 40x25 Bookpress	Year: unknown SN: unknown Excellent condition Available: direct from stock	Traditional and manual floor model bookpress with pressure wheel and handle operation Max. seize: 400 x 250 mms Max. 150 mms height.	€ 250

	Bookpress 24x24 Bookpress	Year: unknown SN: unknown Excellent condition Available: direct from stock	Traditional and manual table model bookpress Max. seize: 240 x 240 mms Max. 100 mms height.	€ 100
Joggers	Machine/type	Year/condition/available	Description/options	Price in Euros
	Foellmer C 1 Vibrating table	Year: unknown SN: 1045 Excellent condition Available: direct from stock	Table model vibrating table, for manual straight vibrating of piles of paper. Vibrating is adjustable. Max. papersize: 52 x 36 cm	€ 125
	Planatol Planatol Jogging unit	Year: unknown SN: 01488 Fair condition Available: direct from stock	Table model jogger, for corner and manual straight jogging Max. papersize: A3	€ 50
	Nagel Rima 3 Jogging unit	Year: 2004 SN: unknown Excellent condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 42 x 42 cms	€ 200

Sheetcounter	Machine/type	Year/condition/available	Description/options	Price in Euros
	Lindaco A3+ Jogging unit	Year: 1996 SN: unknown Good condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 35 x 45 cms	€ 200
	Universal A3+ Jogging unit	Year: unknown SN: unknown Good condition Available: direct from stock	Floor model jogger, adjustable in vibration and angle. Max. papersize: 47 x 47 cms	€ 250
	Schneider Senator Vibra Jogging unit	Year: 1987 SN: 91061 Good condition Available: direct from stock	Floor model jogger, including airtable, footpedal operation, adjustable in vibration and angle. Including manual side flap at right side. Max. papersize: 115 x 80 cms	€ 1.150
	Schneider Senator 1073 Jogging unit	Year: 1990 SN: 183-1223 Excellent condition Available: direct from stock	Floor model with stainless steel table, air supply (also on the sides) and airstrike roller, inclination adjustable in angle. Both side flaps also work automatically. With operating panel and heavy duty compressor unit for pressure and air supply. Max. papersize: 120 x 85 cms	€ 2.750

	Spartanic Stak-Kounter 400P Paper counting machine	Year: 1992 SN: 210-400/6000/3000 Good condition Available: direct from stock	Tablemodel sheetcounter with thickness range 0.124 up to 0.508 mms. Speed 125 mm/sec. Possible also for folded materials, plastics, foils, carboard etc. Digital operating condole with LCD screen, 10 memories and pre-sets, footpedal activation, airstream supply to separate the sheets, sensor reading of the stack, counter, cumulating counter, connection to printer possible. Including manuals. Min./max. thickness: 0.135 – 0.508 mms Max. size working table: 1050x540 mms Max. stack height: 450 mms Speed: 125 mms/sec.	€ 1.350
Packing and binding	Machine/type	Year/condition/available	Description/options	Price in Euros
	Kalfass Universa 8060/200 & Compact 560S Shrink wrapping machine	Year: 1996 SN: K 09.96.066 & P.09.96.0397 Excellent condition Available: direct from stock	Compact automatic floor model L-sealer, including inline shrinktunnel, with continuous heated system, pneumatic closing and opening of the window for full-wrapping printwork, boxes, bottles etc. into polyethylene materials. Waste rewind (500 mms diameter). The shrinktunnel has an energy saving system with heat- and speed controls. Independent roller conveyor transport system. Adaptable working height. Size: 850 x 600 mm window size with up to 200 mms height Roll diameter: 400 mms. / width 800 mms / up to 60 microns Speed: 10-35 m/min. (30 cycles/minute)	€ 5.950
	Beck Packautomaten HV 400 Sealing machine	Year: 1989 SN: 8891174 Excellent condition Available: direct from stock	Floor model shrinktunnel for foil and polywrapper for wrapping printwork, boxes, bottles etc. into polyethylene materials. On wheels and can be placed into an inline situation. 2x Static eliminators and driven rollersystem. Size: 350 width and 150 mms height Speed: 10-35 m/min.	€ 1.850
	Kirk Rudy 203 Labeling head	Year: na SN: 1291 365 Excellent condition Available: direct from stock	Labeling and Pick-and-Place head for integration in direct mail equipment or packing lines.	€ 250
	Yamada TOM TO-45 Strapping machine	Year: 1990 SN: 9017422 Excellent condition Available: direct from stock	Floor model strapping for packing/closing boxes with printwork etc. into wire strapping materials. Foot pedal operation. Including large unwind for bigger rolls with binding materials. Cardboard with 6 new rolls coming with the machine. Size: 450 x 300 mms (wxh)	€ 650

	ACL Pack STR-8060 Strapping machine	Year: 2005 SN: 30206 Excellent condition Available: direct from stock	Floor model automatic strapping for packing/closing boxes with printwork or bind piles of (printed) paper, brochures, magazines, books etc. with a wire strapping material. Sensor controlled operation, so the machine is suitable for a inline solution. Including large unwind for bigger rolls with binding materials. 6 new rolls of binding material material coming with the machine. Size: 600 x 500 mms (wxh)	€ 1.200
	Signode KRS 50x40 Strapping machine	Year: 1990 SN: 503195 Fair condition (machine needs some small repairs) Available: direct from stock	Floor model strapper for inline strapping printwork, packages of magazines/newspapers etc., with binding straps up to 50 mms width. Including unwind for rolls. Easy pick up, transport, and delivery of the packs due to rolling conveyor belt. Size: 500 x 400 mms (wxh)	€ 750
	Super Power Stretch Film wrapping material	Year: 2015 SN: unknown Excellent condition (new) Available: direct from stock	30 rolls of black wrapping foil for automatic wrapping boxes, pallets or other equipment with an automatic polywrapper. Roll width: 500 mms	€ 1.150
	Alpha-Dot Inline printer	Year: unknown SN: unknown Good condition Available: direct from stock	Conveyor and driven roller belt (up to 400 mms width) with flexible inkjet printer (including remote keyboard for text input). Machine is used for batch printing on cardboard boxes. Can be integrated in another line and is adjustable in height.	€ 1.650
	Prior Scales	Year: unknown SN: unknown Excellent condition Available: direct from stock	Floor model on wheels (retractable). One stationary weighing scale with rollers for in line situation.	€ 350

	Endra KO-76 Manual strapping machine	Year: na SN: 27104 Excellent condition Available: direct from stock	Manual hand strapper for packing/closing boxes into band strapping materials with clips. Including large unwind on wheels for flexible use and suited for bigger rolls with binding/strapping materials. Cardboard with 6 new rolls binding materials is coming with the equipment.	€ 350
Pumps and miscellaneous	Machine/type	Year/condition/available	Description/options	Price in Euros
	Mixers for glue or coatings.	Year: unknown SN: unknown Excellent condition Available: direct from stock	Mixers for glue or coatings. 2 available.	€ 500
	Rietschle SKG-200-2.18 Pressure pump	Year: 1982 SN: 434182 Excellent condition Available: direct from stock	1 pump suitable for pressure air needed machinery etc. in pre-press area, press area or binding area. Delivery: 2.820 l/min Consumption: 0.37 Kw	€ 800
	Rietschle TR 25DV (30) Vacuum / pressure pump	Year: 1987 SN: 040510 Excellent condition Available: direct from stock	1 vacuum / pressure pump suitable for pressure and vacuum air needed machinery etc. in pre-press area, press area or binding area. Delivery: 25 m3/hr – 0.6 bar/-0.6 bar Rotational shaft speed: 1.450 turns/min. Consumption: 220 V – 1.1 kW	€ 800

	<p>Becker SV5 190/5</p> <p>Vacuum / pressure pump</p>	<p>Year: 1986 SN: 942419</p> <p>Excellent condition Available: direct from stock</p>	<p>1 vacuum / pressure pump suitable for folding machinery, collating machinery etc. 2800 turns/minute</p> <p>Delivery: 57 CFM Pressure 2.1 PSI Vacuum 59 "WG 200 – 500 V</p>	€ 450
	<p>Becker SV 190/5-32</p> <p>Vacuum / pressure pump</p>	<p>Year: 1995 SN: F.1328163</p> <p>Excellent condition Available: direct from stock</p>	<p>1 vacuum / pressure pump suitable for folding machinery, collating machinery etc.</p> <p>Rotational shaft speed: 2800 turns/minute Delivery: 97 M3/hr Vacuum: - 180 mBar Pressure: +180 mBar 200 – 500 V</p>	€ 700
	<p>Leybold SV 40 10904</p> <p>Vacuum pump</p>	<p>Year: na SN: 52959</p> <p>Excellent condition Available: direct from stock</p>	<p>1 high volume vacuum pumps suitable for press-, folding-, collating machinery etc.</p> <p>Rotational shaft speed: 1500 turns/minute Delivery: 40 M3/hr Vacuum: - 180 mBar Pressure: 1×10^{-2} mBar 200 – 500 V</p>	€ 500
	<p>Leybold SV 40 10904</p> <p>Vacuum pump</p>	<p>Year: na SN: 17496</p> <p>Excellent condition Available: direct from stock</p>	<p>1 high volume vacuum pumps suitable for press-, folding-, collating machinery etc.</p> <p>Rotational shaft speed: 1500 turns/minute Delivery: 40 M3/hr Vacuum: - 180 mBar Pressure: 1×10^{-2} mBar 200 – 500 V</p>	€ 500
	<p>Haug Static Line EN SL LC & VS 035200</p> <p>Anti-static device with bar</p>	<p>Year: 2001 SN: V13879/22</p> <p>Excellent condition (new) Available: direct from stock</p>	<p>Anti-static ionization device with ionizationbar for mounting on small size labelmachines, offset machines, folding machines, packaging machines, winding- and rewinding machines, copiers etc. Can be used and mounted on any device that needs reduction of electrostatic charges in substrates (films, paper, cardboard, steel sheets, glass panels etc.).</p> <p>Working width: 310 mm</p>	€ 300

	Heidelberg Roller-Matic Rewinder for washing cloth	Year: 2000 SN: Excellent condition Available: direct from stock	Automatic and motorized rewinder with spindles for producing rolls of wash material for rubber- and impression cylinder washing devices on offsetpresses (e.g. Heidelberg SM 52, SM 74, SM 102/104 or other brand machines like Sakurai, Ryobi, Shinohara, Roland, KBA etc. Working width: up to 1100 mms	€ 950
	Xerox Offset- and printing paper	Year: unknown SN: unknown Excellent condition (new) Available: direct from stock	3.5 pallet (2.5 ton with white offset- and copy paper (letter size and 75 gsm). Packed in boxes and reems of 100 sheets.	€ 1.375

All prices are excluded VAT. In "as is" condition, subject to prior sale and **FCA (Incoterms 2010)**. All machines are owned by us and can be seen in our warehouse in Venray - the Netherlands. Our delivery terms can be read at: <http://www.mctrade.nl/delivery-terms.html>. We are glad to send you a print of our terms. You can receive our newsletters and stock list by adding your email address to our mailing list: <http://www.mctrade.nl/subscribe.html>.

Machines in stock at: 25 February 2017
