Dear colleagues and partners,

We proudly present, as owners, next movable, professional and very strong pileturner:

Diesse - Maxi Toppy

Machine information:

This professional, mobile and heavy duty pile turner turns large piles of (printed) paper in a few seconds. It is a modern machine with a double electric fork- and clamp turning system for pallets with a paper pile on it. This machine has all safeties and is movable (electric) in order to use it everywhere in the print shop.

Specifications:

Max. pallet- or paper size: 1.600 x 1.200 mms
Max. total paper weight: 1.500 kgs
Loading height: 1320 mms
All safeties on the machine
Panel operation for riding and turning
Including automatic battery loader (Beletron 24 Volts, with LCD)
Year / Serial numbers: 1998 / 10581

Technical- and optical condition:

Technical: 9/10

Optical: 9/10 (machine can go to end-user directly)

Price & terms:

Our reduced price: euro 8.500,-- (was euro 8.750,--)
Terms: ex-works (LOT or LOC)
Availability: direct from stock
Location: our warehouse - Venray (NL)

Additional information:

If you need any more information or pictures, please let us know or check our website www.mctrade.nl. You can click on above shown photos and download them (and more) from our website. Of course, we can combine this machine with (Diesse, Krifft, Busch etc.) pile turning- or after-press machinery to load a container or truck. Please, ask for it.
