Dear Colleagues and Partners,

We proudly present, as owners, next compact and professional 140x102 cm pallet- and paper lift:

Schneider - Senator PL2

Machine information:

This professional, modern 140x102 cm lift will bring pallet with paper, cardboard, chipboard, plastic foils or other sheet materials at the needed working height. The pallets with material can be driven in or rolled onto the lifting plate. The sheets can be transported over the sides from and to the following sidetables or jogging machinery. The machine has the possibility to adapt the working height by means of a push button. This machine can work with all brand of cutting- and afterpress machinery (Polar, Schneider, Wohlenberg, Perfecta, Itoh, etc.).

Specifications:

Type: Senator PL2

Max. size: 140 x 102 cms
