Dear Partners and Colleagues,

We proudly present, as owners, next professional and automated jogger with airstrike and automated side flaps:

Schneider - 1073

Machine information:

This professional and independent working jogger can produce neat stacks of (printed) paper, brochures, magazines, etc. in a few seconds. It is a modern machine with an semi-automatic- and independent working system that can be combined with all brands and types of guillotines. The table is made out of stainless steel, provided with air supply and an airstrike roller to reduce the air out of the paper piles.

Specifications:

Type: Schneider 1073
Max. size: 125 x 80 cms
All safeties on the machine
Semi-automatic operation with controls on the machine for jogging, opening- and closing flaps left and right, adjustable inclination, airstrike, air-supply etc.
Stainless steel table, with air supply all over (also on the flaps) and an airstrike roller system
Heavy duty pump for air supply & pneumatic operation
Cleaned and checked
Year / Serial number: 1990 / 183-1223

Technical- and optical condition:

Technical: 8/10
Optical: 8/10 (very clean machine that can go to enduser directly)

Price & terms:

Our price: euro 2.750,- (or your closest offer)
Terms: ex-works (LOT or LOC)
Availability: direct, ready for transport on machine pallet
Location: our warehouse - Venray (NL)

Additional information:

If you need any more information or pictures, please check our website www.mctrade.nl or let us know. You can click on above shown photos and download them (and more) from our website. Of course, we can combine this machine with other (Polar, Horizon, Nagel, Lindaco, Planatol, Universal etc.) joggers to load a shipment for you. Please, ask for it.
