Dear Partners and Colleagues,

We proudly present, as owners, next professional, medium size and very robust stand alone UV liquid coater/laminator:

ATC - UV24

Machine information:

This professional UV-coater and liquid laminating machine is well known as the Mercedes Benz in the after-press branche. It can enhance images (print work, photos, business cards, direct mail pieces, fleet graphics, wall covering etc.) with the highest quality of protection and is extremely cost effective. It runs up to a maximum width of 630 mms and can use all kinds of gloss, matte, universal or white UV curable liquid coatings. The machine is in 100% perfect optical- and technical condition.

Specifications:

Manual feeder with flip-up table, easy electric operation for thickness control, speed, pump for filling up the UV curable coatings, UV lamp hour counter, exhaust, easy access to all rollers, standard delivery tray.

Max. width: 630 mms (max. coating width: 620 mms)

Max. coating thickness: adjustable up to 20 microns

Max. nip width: 30 mms (the machine can coat substrates as paper, styrene, chloroplast, corrugated materials, foam board, metal and other printable media).

Adjustable speed: up to 30 m/min

Easy cleaning system with drain- and cleaning tanks and including an exhaust system for fumes, heat and damp.

All safeties on the machine (sensor controlled)

Year / SN: 2009 / 9041011

Technical- and optical condition:

Technical: 9/10

Optical: 9/10 (very clean machine that can go to enduser directly)

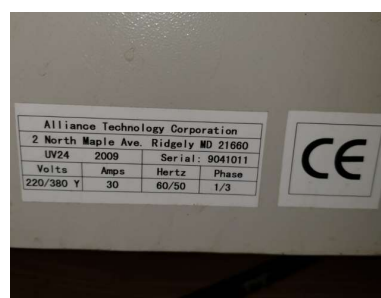

Price & terms:

Our price: euro 6.250,-- (including consumables and cleaning materials)

Terms: FCA (Incoterms 2010)

Availability: direct, ready for transport on machinepallet

Location: our warehouse - Venray (NL)

Additional information:

If you need any more information or pictures, please send us an [E-mail](mailto:info@mctrade.nl) or check our website www.mctrade.nl and let us know. You can click on above shown photos and download them (and more) from our website. We can always combine this machine with other used machinery to load a container or truck. Please, ask for it.
