

Dear Colleagues and Partners,

We proudly present, as owners, next compact and simple A3+ size booklet maker for manual use:

## Plockmatic - 60

### Machine information:

This professional, modern, electric booklet maker can produce booklets, magazines, blocks and sets in one handling job. The sheets are put in nice piles manually and then can be folded and stapled in several ways. The size format change is very easy done manually. All on wheels for easy access or storage elsewhere.

### Specifications:

Type: Plockmatic 60

Min. / max. size: 138 x 210 / 338 x 458 mms

Capacity: 22 sheets of 80 gsm

Speed: up to 1.800 booklets/hour

Activation: pressing a button, or automatically after sheet input

Neat piles by a manual register feeder, folder, 2 staplers and a standard delivery

The machine can be used for folding, for saddle stapling, for block stapling and for corner stapling.

All safeties on the machine

All manuals/schemes

SN: 60003941
