Dear colleagues and partners,

We proudly present, as owners, next very young, modern and professional digital 4-colour digital offset press:

Screen - Truepress TP 344N

Machine information:

This professional 4-colour digital offset printing press with its internal 2 CTP installations can print up to 7.000 sheets/hr in a top full colour quality of 2.400 dpi. It is a modern machine with a very short start-up and job change time (from zero to full colour production in less than 7 minutes), 2 internal fully automated CTP systems, full automatic plate change system, an automatic paper size format change, fully automatic remote inkcontrol with an automated densitometry system, automatic blanket- inkroller- and dampening washers, small size feeder system, and all are directly operated from 2 large touch screen consoles with an internal RIP and many more items that belong to modern up-to-date digital offset printing equipment.

Specifications:

Min./max size: 90 x 148 / 320 x 470 mms (even printing of envelopes is possible)
Speed: 2.500 - 7.000 sheets/hour
2 Touch screen operation for all functions
2 inline and integrated Screen CTP units for thermal plates (2.400 dpi and 64 channel diodes)
All machine operation on touch screen monitors, including remote ink- & dampening controls
Built in scanning device for automatic densitometry, ink- & dampening adaptations
Automatic format change of papersize and thickness, also an automated delivery set-up
Automatic platechange system
Automatic inkroller-, blanket- and dampening wash system
Alcolour dampening with a Technotrans cooler/mixer/recirculation
All safeties on the machine (shields, errors, jamming, sensors etc.)
Operation control panels with large touch screen monitors on the machine, RIP with network connection and original software cd's etc.
Year / serial number: 2007 / 2007-7
Number of impressions: only 13.5 mio.

Technical- and optical condition:

Technical: 9/10
Optical: 9/10 (this machine can go to an enduser directly)

Price & terms:

Our price: euro 75.000,--
Terms: ex-works (LOT or LOC)
Availability: direct from stock, ready for transport
Location: our warehouse - the Netherlands

Additional information:

If you need any more information or pictures, please let us know or check our website www.mctrade.nl. You can click on above shown photos and download them (and more) from our website. We have a video of this machine available while in production.
