

## Reading Plan

### S.O.A.P. – A Guided Strategy for Reading the Bible

Use a journal or notebook to record your thoughts, feelings, and prayers.

This is your opportunity to really think through what you read and how it can be applied to your life.

**S. Scripture** – What passage did you read? What were the main themes or ideas?

**O. Observation** – What stood out most to you?

**A. Application** – How does this passage impact your life?

**P. Prayer** – Write a prayer in response, asking God to help you integrate what you learned into your everyday life.

### Daily Journaling Plan

1. Before you start reading, pray and ask God to give you one word while you read.
2. Read slowly, without rushing. If you have time, read the chapter again a second time.
3. As you read, circle, underline, or highlight words in your Bible that connect with you.
4. Bible reading is not just about using the intellectual part of your mind; the Bible comes alive when you read it with your imagination and the creative part of your mind.
5. When you finish reading, write down one word (or type it in your phone) that connected with you. Keep this word with you in your wallet, purse, or pocket, so that it's with you throughout the day.
6. End your time with God by saying a simple prayer for the day ahead.
