## What others are saying...

"A must attend for Veterans separating from the military IOT to prepare for next chapter of life after the service."

**COL James Andrews**  
J3 Directorate  
Defense Health Headquarters

"Warriors to the Workforce is a great experience I recommend to all transitioning Veterans. The panel discussions illustrated life altering realities of transition plus I was able to interview with companies actually offering positions on the spot."

**ET1 Corey Perro**  
C3CEN CT-R Ancillary Comms  
USCG

"The Warriors To The Workforce event made me feel more confident about the transition to the private sector and helped me understand the great resources available in helping service members make that often difficult transition."

**Alex Ruiz**  
Sergeant, U. S. Marines  
Senate Liaison

"AFF puts on a top-notch Career Expo that gives Veterans and their families an opportunity to be engaged with companies that have opportunities within their skill sets. I always look forward to attending these Career Expos."
