

SOME SUMMER OPPORTUNITIES IN NEW YORK CITY

American Museum of Natural History

Saltz Internship Program <https://www.amnh.org/learn-teach/grades-9-12/saltz-internship-program>

Saltz Interns complete 144 hours of work over the course of the summer running from July 2nd – August 19th 2018. Interns work 20 hours per week for 5 weeks. Interns participate in two weeks of training for science content, communication skills, and teaching skills at the beginning of the internship.

Interns receive a Metrocard, and uniform while in the program and a stipend once the program has been completed.

Eligibility and Prerequisites

The Saltz Internship Program is an intensive learning and work experience intended to build upon the Museum's After School Program. Preference will be given to youth who have completed two After School Program courses in life sciences, astronomy or earth and planetary sciences, but all are encouraged to apply.

Saltz Internship applicants MUST:

- Live in or attend high school in New York City.
- Be at least 15 years old by the start of the program.
- Have Valid Working Papers.
- Submit an Online Application and Short Answer Responses via application link.
 - Each Answer should be 1 paragraph of 4 – 5 sentences
 - How do you feel you would personally benefit from participating in this science internship?
 - What science topic do you find most interesting? Why?
 - How will this experience at the Museum help you further your academic and career goals?

COOPER UNION Summer Arts Intensive

Application fee: \$29

Instruction, materials, travel, book & museum fees: \$2,700

NEW-YORK HISTORICAL SOCIETY

TECH SCHOLARS PROGRAM

High school girls (grades 9-12) will have the unique opportunity to explore the digital humanities at New-York Historical Society. Participants will have behind-the-scenes access to our Center for Women's History where they will meet with curators and graduate fellows as well as conduct research on the historical figures and events that continue to impact young women today. Participants will then share their scholarship through dynamic digital projects by learning basic html and CSS code to create retro websites to be hosted by New-York Historical Society.

Upcoming Program Dates:

- Summer 1: August 6 – 10, 10 am – 3 pm *applications open in May*
- Summer 2: August 13 – 17, 10 am – 3 pm *applications open in May*

Application Guidelines

Applications open in May.

- Participation is \$300 with Family Membership to N-YHS or \$350 per student for non-Members.
- Full scholarship opportunities are available to applicants who attend New York City Title 1 schools and who have qualified for free or reduced lunch in the past.

Questions? Contact hs.internships@nyhistory.org or 212-485-9281.

WHITNEY MUSEUM OF AMERICAN ART Arts Careers

YI Arts Careers is a free summer program that offers teens the opportunity to explore arts careers and arts institutions throughout New York City. Teens meet with Whitney Museum staff, arts professionals, and other teens. Free MetroCards and all supplies provided.

Open to: New York City high school students, entering grades 10 - 12. Students who have had some involvement with the Whitney's teen programs (Example: Youth Insights or Open Studio for Teens) completed will have priority.

Program runs from **July 10 – August 2, 2018**

Tuesdays, Wednesdays, and Thursdays from 2 – 5 PM

Applications are due on Friday, April 13, 2018 at 11:59 pm.
