A CURATED SELECTION OF RECENT ARTWORKS BY STUDENTS AND FACULTY

Hello, and thank you for coming!

The collection shown here represents just a fraction of the outstanding work done by West Virginia State University Art Department students and faculty. WVSU artists routinely do outstanding work, and this exhibit attests to that.

This exhibit also marks the beginning of the WVSU Art Department Permanent Collection, which will be on frequent display in the Della Brown Taylor Hardman Fine Art Gallery in the Davis Fine Arts Building at WVSU's Institute, WV campus. The displayed collection will be changing periodically, and I invite you all to come to Institute often to watch the collection grow and evolve.

Warmest regards,
Joshua D. Martin
Chair, WVSU Art Department
