On Saturday, April 1, 2017, the Greece Rotary Club will host a Greece Community meal packing event at the Greece Assembly of God on Long Pond Road. Stop Hunger Now\* will deliver the ingredients and supplies and provide on-site guidance. With the help of 300 volunteers from local civic groups, faith congregations, schools, and businesses, we will pack 60,000 meals to feed starving children in developing countries. With the help of our sponsors and people like you, we will raise \$18,000 to support our event. The Greece Rotary Club has contributed the first \$3,000. To address hunger in our community, we'll collect items for local food cupboards serving struggling families.
