PASTOR MARK'S MESSAGE

Celebrating Freedom

On Independence Day, we celebrate America's freedom. What a blessing it is to live in a country with freedom at the heart of its being! For God created us to be free--not just as a nation, but as individuals. As we navigate the challenges of our personal lives, our fears and our worries, can, from time to time, imprison us. Fears and worries can suffocate us, consume us, and burden us to the point at which we become enslaved to them. When this happens, God's heart aches because what God wants for us more than anything else is to be free.

Part of what is so awesome about God is that God receives our fears and worries that we turn over to God. God takes all that imprisons us and offers us the strength to walk freely into the future without fear. After all, this is why God sent us Jesus--to love us by freeing us from anything that keeps us in chains including our sin, our grief, our fears, and our worries.

In his Gettysburg Address, President Abraham Lincoln spoke these words about America: "This nation, under God, shall have a new birth of freedom." As you well know, a few years after Lincoln's Gettysburg address Lincoln was shot by John Wilkes Booth at the Ford Theater in Washington D.C.. Legend has it that as Lincoln's body was taken from Washington to Springfield, Illinois (his birthplace) it passed through Albany, New York. There, as the coffin was being carried through the streets, it was reported that a proud black woman lifted her son as far as she could above the heads of the crowd and was heard to say, "Take a long look son, he died for your freedom."

The same could be said of Christ. Christ died for our freedom. What a shame it would be not to claim that freedom that God so wants for our lives today and always. If you've been fearful or worried recently; hand that worry over to a God who desires to set you free in Christ.

In Christ,

Pastor Mark

STAFF NEWS

It is with significant enthusiasm that we welcome two new staff members to United Church's staff.

Susanne Golden:

Susanne will begin with United Church in the position of Children's Teaching Coordinator effective Sunday, July 1st.

A resident of Naples, Susanne recently retired from a 41-year career as a teacher and educator in Christian and Jewish schools in New York and Florida. A proud mother and grandmother, Susanne is a person of faith with a true passion for children and teaching. Susanne looks forward to growing United Church's children in the love of God.

Susanne will be with us for 5-hours a week--2 hours on Sunday mornings and three hours during the week resourcing our children's church church program, preparing curriculum and crafts, communicating with parents, organizing our weekly volunteer teachers, and assisting in the expansion of our children's program into two classrooms this coming fall. I hope you will join with me in warmly welcoming Susanne into our fellowship.

Dale Gossett:

Dale Gossett, United Church's new full-time facilities manager effective Monday, June 18th.

Dale brings to United Church and United Church's Bargain Basket numerous gifts and talents. Simply put, Dale has been a "Mr. Fix It" all his life. Throughout his professional career, Dale has worked in various different maintenance roles. Dale worked for over ten years in the heating and AC business. In previous positions, Dale also worked as a licensed plumber and electrician. Before moving to Naples, Dale oversaw the maintenance of 12 medical buildings at Washington University in St. Louis.

In addition to his experience in maintenance, Dale has tremendous expertise in the area of turf management, landscaping and irrigation. Dale comes to United Church from the Heritage Bay golf course in Naples, where he will be missed dearly as captain of their golf course fairway maintenance team. During Dale's tenure at Heritage Bay, the course won numerous state awards ranging from "best putting surface" to "best course carved within a unique environmental setting."

2018 UNITED CHURCH SUMMER READING AND DISCUSSION

June Book: *The Magnolia Story* by Chip and Joanna Gaines

The Magnolia Story is the first book from Chip and Joanna Gaines, offering their fans a detailed look at their life together. From the very first renovation project they ever tackled together, to the project that nearly cost them everything; from the childhood memories that shaped them, to the twists and turns that led them to the life they share on the farm today.

Discussion: Tuesday, June 26 @10AM with Mark Williams and Sam Kopren

July Book: *The Patient Ferment of the Early Church* by Alan Kreider

How and why did the early church grow in the first four hundred years despite disincentives, harassment, and occasional persecution? In this unique historical study, veteran scholar Alan Kreider delivers the fruit of a lifetime of study as he tells the amazing story of the spread of Christianity in the Roman Empire.

Challenging traditional understandings, Kreider contends the church grew because the virtue of patience was of central importance in the life and witness of the early Christians. They wrote about patience, not evangelism, and reflected on prayer, catechesis, and worship, yet the church grew--not by specific strategies but by patient ferment.

Discussion: Tuesday, July 31st @10AM

August: *Nearing Home* by Billy Graham

Nearing Home, written by Billy Graham in his nineties, explores the challenges of aging while gleaning foundational truths from Scripture. Billy Graham invites us to journey with him as he considers the golden years while anticipating the hope of being reunited with his wife, Ruth, in his heavenly home that eclipses this world.

Discussion: August 28th @10AM

September: *The Faiths of the Founding Fathers* by David Holmes

In this great book, David L. Holmes offers a clear, concise and illuminating look at the spiritual beliefs of our founding fathers. He begins with an informative account of the religious culture of the late colonial era, surveying the religious groups in each colony. In particular, he sheds light on the various forms of Deism that flourished in America, highlighting the profound influence this intellectual movement had on the founding generation.

Discussion: September 25th @10AM

- Some books are available at the local library. All books are available used and new on Amazon. United Church's office will also loan out copies of books.

Bargain Basket

Hello!

The Bargain Basket is looking forward to a summer of progress. We are already off to a great start with a new roof courtesy of Joyce Construction. We also worked with V Image Design, a local design agency, to get our logo updated to reflect a more modern appearance with our mission and faith in mind. Our fitting rooms have gotten a nice face lift as well with a new coat of cooling blue paint and we are continuously working on our lengthy summer to-do list which will have the Bargain Basket looking brand new in time for the busy season!

We are also looking forward to adding another friendly face to The Bargain Basket staff in early June. Reese Jones, a student at Marco Island Academy, will be interning with The United Church of Marco Island and The Bargain Basket during her summer vacation. Reese is an academic scholar and we are so happy to have her helping us as we work to serve our local community this summer!

We plan to continue our Thrifty Thursday promotions throughout the summer as it seems to be well-liked by all of our locals. Shoppers should also stop by on Flag Day, June 14th, for a "find the flag" challenge. Winners will receive \$5.00 off their purchase. That following Saturday, June 16th, we celebrate Dad with 50% off all men's clothing and accessories! And to start the summer off right, we're hosting a 50% off entire store sale on the first day of summer, June 21st. If you haven't already, be sure to visit the Bargain Basket section of the ucmarco.org website and sign up to receive our weekly e-newsletters. That way you'll be one of the first to know about all of the July promotions!

Throughout all of the fun it is important to remember that although customer count and donations have slowed, the need for volunteers is always apparent. So if you're looking to fill the slow summer days with something meaningful be sure to stop by and see me, I am positive we have the right position to fit your talents and schedule! And current volunteers take some time to check out our new online volunteer calendars, courtesy of Kate Joyce and available on the Bargain Basket section of the ucmarco.org website. You can now easily see where we have a need right from the comfort of your own home!

In the meantime, I hope everyone has a safe and happy summer start!

Sincerely,

Samantha Kopren
Bargain Basket Manager
