

2017 WAELA UnProgram

Friday-Sunday, April 21st-23rd, 2017

Campbell's Resort - 104 W. Woodin Ave., Lake Chelan, WA 98816

Why you should attend:

- To learn valuable and up-to-date information critical to your elder law practice
- To network with and gather resources from other attendees and exhibitors
- To take away practical information and materials that you can use in your practice today

We cordially invite you to join us for the Washington Academy of Elder Law Attorneys (WAELA) 2017 Unprogram; an unparalleled dynamic and interactive learning experience addressing the most pressing Elder and Special Needs Law issues in YOUR practice.

The "Unprogram" is an innovative design developed by the National Academy of Elder Law Attorneys (NAELA). Interactive presentations and facilitated discussions on cutting edge issues of interest to Elder Law attorneys include substantive matters, as well as managing and marketing your Elder Law/Special Needs practice. During six workshops, each with four concurrent sessions, small groups of attendees are guided by an experienced attorney facilitator to discuss the substance and challenges of the designated topic. The format encourages and facilitates idea sharing, problem solving, and collaboration amongst attendees.

Join us and hear real-life examples of how others have approached and mastered the same challenges you face in your practice every day!
