## with an emphasis on How-To!

### What is NYLT?

NYLT centers around the concepts of what a leader must **BE**, what he/she must **KNOW**, and what he/she must **DO**.

The key elements are then taught with a clear focus on **HOW TO**.

The skills come alive during the course as the team goes on a *Quest for the Meaning of Leadership*.

The content of this course is delivered in a team and group outdoor setting with an emphasis on immediate application of learning in a fun environment.

This course integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Scouts will be engaged in a unified approach to leadership that will enable them to gain confidence and use the skills to lead well. NYLT Scouts will work and play together as they put into action the best that Scouting has to offer.

Immerse yourself for 2 weekends or 1 week in the most amazing leadership course you've ever experienced!

- **You'll learn** skills that will blaze a trail you can follow to achieve ANYTHING you want to accomplish, whether in Scouting or in life.
- **Any Scout** can learn advanced skills required to successfully run a youth led scout troop or successful crew.
- **There will be challenges**—projects, problem solving games, role playing and challenges that can be met only by working as a team with your group.
- **This course is a diverse experience unlike like any other.**
- **Learn leadership skills to last a lifetime from a superb staff of Scouts and Scouters.**
