

A black and white photograph of a young person riding a mountain bike on a dirt trail. The rider is wearing a helmet, a dark jersey with colorful horizontal stripes on the sleeves, and camouflage shorts. The bike is a full-suspension mountain bike with 'FROG' branding on the frame. The background shows a forest with large trees.

# PUSH THE LIMITS.

FROG BIKES TAKE THEIR RESEARCH LED DESIGN TO THE NEXT LEVEL WITH A COLLECTION OF BIKES AIMED AT OLDER CHILDREN. COMING EARLY 2018, THE NEW RANGE WILL FEATURE A LARGER HYBRID AND 3 MOUNTAIN BIKES IN STRIKING COLOURS.

# MTB

## LIGHTWEIGHT OVERSIZE HANDLEBAR AND STEM

Reduces flex resulting in better control

## TEKTRO JUNIOR SPECIFIC HYDRAULIC DISC BRAKES

Easier to brake with greater control

## LIGHTWEIGHT JUNIOR SPECIFIC FRAME DESIGN

Increased stability, better handling & more comfortable to ride

## HIGH QUALITY KT MACHINED HUBS

Increased performance and greater longevity

## JUNIOR SPECIFIC SUSPENSION FORK

Enables optimal performance for lower weight riders

# FROG 78

## RESEARCH-LED DESIGN

Increases comfort for a more enjoyable ride

## RAPID-FIRE GEAR SHIFTING

Change gears using just a thumb, so the hand remains in the perfect riding position

## PATENTED FROG CRANKS

Reduced distance between pedals increases efficiency and comfort
