## **VANTAGE HEALTH PLAN PARTNERS WITH LOUISIANA HOME BUILDERS ASSOCIATION Potential to Offer Coverage to over 5,000 Residents**

Vantage Health Plan, Inc. (Vantage) is proud to announce a partnership with the Louisiana Home Builders Association (LHBA). This three-year agreement becomes effective October 1.

Previously, membership with the LHBA provided benefits such as workers compensation, general liability, and risk insurance. With this agreement, health insurance is now also an option. The LHBA will receive a custom web interface and dedicated customer support to educate their members on the various health coverage options.

Conrad Blanchard, 2017 President of LHBA, says “I am proud to represent approximately 5,300 members and their employees. The primary mission of the association is to provide value to our members who dedicate themselves to preserving the industry at local, state, and national levels. I am grateful to see that Vantage will be a health insurance option for these hard-working individuals and their families”.
