**US Senator Ted Cruz, says of Texas Victory, "Texas Victory is helping elect Republicans up and down the ballot. Their early vote by mail piece will be crucial to turning out the Republican vote. Democrats are well funded and energized. Out of state liberals like George Soros are pouring millions into our elections trying to turn Texas into California. We have to do more to help secure our children's future. Texas can continue to embrace the Republican principles of limited government, religious freedom, and lower taxes, or, we can embrace the Democrat's crippling system of over regulation, more debt, and radical social reforms. Your contribution to Texas Victory, and ultimately your vote, will be vital in helping decide Texas' future." – US Senator Ted Cruz**

**Does my donation really matter? YES! Every election cycle, TX Victory executes an absentee ballot turnout operation. Based on previous efforts, we know that this program increases the vote from 60% to 95.5%.**

**So how many votes is TX Victory slated to deliver to Republican candidates this year? NEARLY 1 MILLION REPUBLICAN VOTES!**

**It has been decades since Democrats have been this well-funded, organized, and energized going in to a general election. The success or failure of this program will mean victory or defeat in close districts this cycle. Will you join us?**
