			MS—Overnight <i>Following Movie Night at the Church</i>		
		7/29	All-Youth Good Food & Good News <i>Location: TBD — Time: 6-7pm</i>		

All Church Movie: This family friendly movie will be shown at our church on July 28 at 7pm. The movie cannot be printed ahead of time, so come for a good surprise and great times as we experience fellowship together!

ASP: Appalachian Service Project. This is our summer mission project in Appalachia. It is for ages 14 and older. We stay in Appalachia for a week and work on homes that are in need of some TLC. June 17–23.

Good News & Good Food: Sunday night all youth dinner, hangout, and bible study. This will be held at various church family houses throughout the summer. Subscribe to Remind and check your bulletins for locations.

Parent & Youth Fall Kickoff Event: An event for youth families, shortly after school starts, that will be lots of fun and informational about the upcoming year in youth ministry. August 19 from 6 to 7pm.

HS Bible Study: Our popular program where High School students study scripture one book at a time. Students are encouraged to think deeply about scripture and to ask questions. Fall Kick-Off on August 30 at Donatos Pizza at Perimeter.

HS Cedar Point Trip: Our seniors requested this as their last outing with our youth group. All incoming 9th - 13th grade students are welcome. Please RSVP & turn in release forms by July 3rd. We depart at 8am and return late.

Hangout: An unstructured activity that often includes cards or board games. This is a great opportunity for people to bring friends to a chill church event. We'll meet for ice cream at Baskin Robbins on August 8 at 3pm before school starts.

Middle School Overnight: A chance for middle school students to bond as a group, experience God together, and invite friends for a fun overnight event at our church. This event is after the "All Church Movie" on July 28.

VBS: Vacation Bible School is an event offered for our elementary students, and on this schedule for our students and staff who serve during this event. June 11 –15.

Youth Room Remodel Work Day: Students, families, and anyone interested in investing in our students, please help us paint, put together & move furniture, mount TV's, etc. on July 15 & 25. Lunch provided.
