## Keeping families close™

Since opening in January 2016, hundreds of families have called our house home.

### THE HOUSE

**At Ronald McDonald House Boston Harbor, we house families and children seeking life-saving treatment, regardless of their ability to pay. Our apartments come equipped with:**

- Two or more beds with all the linens, pillows and towels families need
- TV, WiFi, Cable & a DVD player
- A full kitchen, stocked with food
- In-unit washer & dryer
- Plenty of movies, toys, books & games

### THE FACTS

- Over 90% of hospital administrators believe RMHC reduces stress & costs for families.
- Each year, we help families save over \$650,000 in out-of-pocket lodging and meal expenses.
- To date, our families have traveled from 23 states and 10 countries, staying over 2,600 nights.
- On average, our house has a 90% occupancy rate.

### THE FAMILIES

**“When we brought our son to Boston for life-saving treatment unavailable in Canada, we didn’t need to worry about the cost of accommodations. We could stay together as a family.”**

**-THE KEHLER FAMILY**

**“A studio apartment for 3 weeks cost \$7k. We couldn’t afford that. Hotels were \$190-240/night. We honestly considered selling our wedding rings before we found RMHC.”**

**-THE GRIGG FAMILY**

**“We met an amazing staff who took care of everything and bonded with other families going through similar illnesses with their children.”**

## HOW YOU CAN HELP

**Hundreds of families turn to Boston's world-class hospitals for their complex health-care needs.**

By supporting the Ronald McDonald House at Boston Harbor, you have a direct impact on the families who call our house home.

Your donation helps underwrite the cost of their stay. It also supports families with programs and opportunities that provide comfort, such as pet therapy, martial arts, arts & crafts and passes to Boston attractions. Above all, it allows families to focus their energy and attention on their sick child—helping to alleviate stress.
