USS Constitution Museum, Building 22, Charlestown Navy Yard

**Thursday, January 18, 2018 | 3:30-6:30 PM**  
Kennedy Community Resource Center, 55 Bunker Hill Street

The Boston National Historical Park and USS Constitution Museum are imagining what the visitor experience in the Charlestown Navy Yard could be:

*What kind of events and activities would you like to experience in the Yard?*

*What amenities could the Yard provide to meet your health and fitness needs?*

*What stories from the past would you like to see highlighted in the Navy Yard?*

*What amenities would enhance your experience on Pier 1?*

The planning effort includes exploring interpretive content, visitor amenities, visual identity, access, and beyond. Now is your opportunity to take part in the conversation! All ages are welcome and light refreshments will be served.
