EXCELLENCE

We will continually seek advancement and innovation to achieve better healthcare.

TEAM-BASED CARE

We dedicate and combine our skills, knowledge and experience for your benefit.

VALUE

We seek always to create and deliver value for you.

Caring as One

Exciting Opportunities in the New 700-bed International Hospital in Chongqing

Raffles Hospital Chongqing is a new 700-bed international hospital in China owned by Raffles Medical Group. Started in Singapore since 1976, we have been guided by our five core values and working together as a team in providing both trusted and quality healthcare to patients from the youngest to the oldest.

Today, we operate over 100 medical facilities across 13 major cities in Asia, and are publicly listed on the Singapore Stock Exchange since 1997. We are also the first member in Asia to join the Mayo Clinic Care Network, and subscribe to the Group Practice Model commonly adopted by world renowned medical institutions.

We wish to invite **experienced Medical Specialists** to apply for the following specialties:
