Dear Parents of Virginia Lake 6th Graders,

We are excited to be putting together a fun day for our 6th graders, as a special send off from Virginia Lake. On **Monday, May 22nd**, the kids will go bowling, have a pizza lunch back in their classrooms, play organized games outside and finish off the day with an ice cream social, raffle, video and sign autograph books.

We are looking for parents to help with lunch, games and the ice cream social. Also, we need donations for the raffle. Ideas for prizes include: (i-tunes, Target, Dairy Queen, Dunkin Donuts, Starbucks, Wendy's, etc. gift cards), theater sized Candy boxes, sports items, games, or whatever you think is appropriate for a 6th grade child. Please send donations in with your child (labeled for raffle) and have him/her give to his/her teacher.

Lastly, we are asking you to *find some pictures of your children* (anything from their years at Virginia Lake, Kindergarten - now) and send them in for a video that we will show to the kids that afternoon. Please e-mail photos to Amy Westphal at westy0211@gmail.com. If you only have printed pictures, send them in with your child and have them give the pictures to the teacher. We will return back to you after video is complete.

Feel free to contact anyone on the committee via email at vlcelebration2017@gmail.com, or contact Lesley Fletcher, via phone at 630-432-1971, with any questions or to find out how you can help.

Thank you,

The Sixth Grade Celebration Committee
