As Campmaster, you would check units in and out, show them to their sites, inspect the sites at checkout. In between, you are the emergency point of contact at camp, you visit the units here or there, and if possible, offer a short program (suggested, but not mandatory). You do provide your own food, but you get a cabin with a kitchen to stay in.

Come to the orientation on December 19<sup>th</sup> at the Council Service Center and get to know more. No obligation to sign on, but please bring your calendars and availability if you choose to take a weekend or two...

## **PINE TREE TRAINING**

The Sagamore Service Troop, founded in 1923 as a brotherhood of trained adult leaders, offers what is called "Pine Tree Training" for Scouts of the Theodore Roosevelt Council.

This training takes place throughout the Scouting year at Schiff Scout Reservation. Programs include Archer, E-Prep/First Aid, Pioneering, Mountain Biking, and Orienteering. Most of the programs cover a number of the requirements of their associated merit badge. At the very least, Scouts earn a Pine Tree patch and can expect to come away with the same skills our nation's forefathers needed to survive in the wilderness. A brief description of the program, as well as a training schedule, can be viewed here:

[http://www.trcbsa.org/files/d/usr/7/Brochure\\_17\\_18\\_Dates%20Pine%20Tree.pdf](http://www.trcbsa.org/files/d/usr/7/Brochure_17_18_Dates%20Pine%20Tree.pdf)

The program is a bargain at \$4 per Scout.

Check the Council online calendar at <http://www.trcbsa.org/Calendar> for detailed information and times.

## **BUY A WREATH FROM A SCOUT**

This holiday season, don't buy a wreath from a store, buy it from a Scout! Many Packs and Troops are selling wreaths, grave blankets, poinsettias and other holiday decorations.

Just ask around and they'll be happy to help you!

## **BUY A PATCH TO HELP REBUILD**

### **PUERTO RICO'S GUAJATAKA SCOUT RESERVATION**

Concilio de Puerto Rico de los Boy Scouts of America, one of the BSA's nearly 280 local councils, suffered extensive damage during Hurricane Maria in September. The powerful storm hit the council's service center as well as the beloved Guajataca Scout Reservation.

While most of us won't be able to make it down to Puerto Rico to help with relief efforts, there is something we can do with a few taps or clicks.

In true Scouting fashion, this bit of relief comes in the form of a commemorative patch. The Northeast Region, of which the Puerto Rico Council is a member, has created a set of limited-edition patches. Proceeds from the sale will rebuild Scouting on the island.

## **CUB SCOUT PACK 590 LENDS A HAND FOR THANKSGIVING**

On Friday, Nov 17<sup>th</sup>, Massapequa's Cub Scout Pack 590 held their annual Thanksgiving-themed Pack Night. In addition to creating some holiday crafts, the pack, as they do each year, assembled a number of food baskets for local needy families. Assistant Director Mark Wenzel of the YES Community Counseling Center in Massapequa arranged for the delivery of the baskets to the families in time for Thanksgiving.

On hand to help the boys fill up the baskets were Town of Oyster Bay Councilman Thomas Hand and Nassau County Legislator James Kennedy.

"The November Pack Night is special to me. It's my ninth year being involved and I'm still amazed at how generous the Pack 590 family is." said Cubmaster Bill Leisen. Judging from the excitement in the room, the boys also had a lot of fun in addition to performing a good deed!
