Spend a day in the life of a medical student at Operation Orange, a summer camp for high school students interested in a career in medicine.

Meet with current OSU medical students -
Participate in hands-on demonstrations, including:
- Study human anatomy with a heart, lungs and brain
- Perform intubations by using a simulator
- Learn more about career opportunities in the health care field

**Dates and Locations**
- **Goodwell** | **Oklahoma Panhandle State University** | June 6
- **Stillwater** | **Oklahoma State University** | June 7
- **Woodward** | **Northwestern Oklahoma State University** | June 9
- **Durant** | **Southeastern Oklahoma State University** | June 13
- **Tahlequah** | **Sequoyah High School** | June 14
- **Lawton** | **Cameron University** | June 15

To register, visit [www.healthsciences.okstate.edu/operationorange](http://www.healthsciences.okstate.edu/operationorange)

Early registration is encouraged as some camps reach capacity quickly.

For more information, contact Tanner Thompson at operationorange@okstate.edu.
